Dear Judge Tiscione:

We write jointly with Plaintiff's counsel to provide Your Honor with an update regarding settlement negotiations. The parties reached a settlement in principle on all material terms and are memorializing same in a settlement agreement. The parties anticipate executing the settlement agreement and submitting a Stipulation of Dismissal With Prejudice within thirty (30) days (*i.e.*, by June 6, 2024). As such, the parties respectfully request all deadlines in this matter be stayed in order for the settlement to be finalized.

We thank Your Honor for your time and attention to this matter.

Respectfully submitted,
