NOTICE OF DATA BREACH

Dear <<First Name>> <<Last Name>>,

We write to inform you of an email phishing incident at Charleston Area Medical Center (“CAMC”) that may have impacted your personal information. CAMC takes the privacy and security of your personal information very seriously and will continue to take steps to protect your information. This letter is being sent to you out of an abundance of caution. We have no reason to believe that your information has been misused.

WHAT HAPPENED?

On October 2, 2024, CAMC discovered that a small number of email users were the subject of a phishing attack. We promptly began investigating this incident with the assistance of a respected forensic security provider, and took steps to terminate any unauthorized access to CAMC’s email. Our investigation ultimately concluded that an unauthorized party gained access to a single CAMC user’s email mailbox between October 2, 2024 and October 3, 2024. No other CAMC systems or data storage were impacted by this incident. After a review of the affected mailbox, we ultimately determined that your information may have been impacted.

WHAT INFORMATION WAS INVOLVED?

The information that may have been impacted varied from person to person, but may have included: first and last name; date of birth; e-mail address; phone number; driver’s license; health information, and health insurance information.

WHAT WE ARE DOING

We take safeguarding your information seriously. Following the incident, CAMC worked with external cybersecurity experts to resolve the phishing attack. CAMC provided additional phishing training to employees and took additional steps to enhance CAMC’s existing technical safeguards against phishing attacks.

A security freeze is intended to prevent credit, loans and services from being approved in your name without your consent. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. You can place a freeze and lift a security freeze on your credit report free of charge.
