WHEREAS, Plaintiffs' Second Amended Consolidated Class Action Complaint in the above-referenced Action (all terms defined below) allege that certain Denso fuel pumps in certain Subaru vehicles are defective;

WHEREAS, Class Counsel have conducted substantial discovery, have investigated the facts and underlying events relating to the subject matter of the Action, have retained an independent automotive engineering consultant to analyze the alleged defect and potential solutions, have carefully analyzed the applicable legal principles, and have concluded, based upon their investigation, and taking into account the risks, uncertainties, burdens, and costs of further prosecution of the Action, and taking into account the substantial benefits to be received pursuant to this Settlement Agreement and that a resolution and compromise on the terms set forth herein is fair, reasonable, adequate, and in the best interests of Class Representatives and the other Class Members, and treats Class Members fairly and equitably in relation to one another;

WHEREAS, Subaru and Denso, for the purpose of avoiding burden, expense, risk, and uncertainty of continuing to litigate the Action, and for the purpose of putting to rest all controversies with Class Representatives, the other Class members, the Action, and claims that were or could have been alleged, except as otherwise set forth herein, and without any admission of liability or wrongdoing, desires to enter into this Settlement Agreement;

WHEREAS, as a result of extensive arm's length negotiations, Class Representatives, Class Counsel, Subaru, and Denso have entered into this Settlement Agreement;

WHEREAS, Class Counsel represent and warrant that they are fully authorized to enter into this Settlement Agreement on behalf of Class Representatives, and that Class Counsel have consulted with and confirmed that all proposed Class Representatives fully support and have no objection to this Settlement Agreement; and

WHEREAS, it is agreed that this Settlement Agreement shall not be deemed or construed to be an admission, concession, or evidence of any violation of any federal, state, or local statute, regulation, rule, or other law, or principle of common law or equity, or of any liability or wrongdoing whatsoever, by Subaru, Denso, or any of the Released Parties, or of the truth or validity of any of the claims that Class Representatives have asserted;

NOW, THEREFORE, without any admission or concession by Class Representatives or Class Counsel of any lack of merit to their allegations and claims, and without any admission or concession by Subaru or Denso of any liability or wrongdoing or lack of merit in its defenses, in consideration of the mutual covenants and terms contained herein, and subject to both the preliminary and final approval by the Court, Class Counsel, Class Representatives, Subaru, and Denso agree as follows:

I. PROCEDURAL HISTORY

A. On April 23, 2020, Plaintiffs Katherine Griffin, Janet Oakley, and Adam Whitley filed a class action complaint in the United States District Court for the Northern District of Alabama, Katherine Griffin, *et al.* v. Subaru of America, Inc., *et al.*, Case No. 2:20-cv-00563-ACA (N.D.AL.), asserting claims related to Subaru’s April 16, 2020 recall report (the “Recall Report”) to NHTSA voluntarily recalling nearly 190,000 Subaru vehicles manufactured between June 18, 2018 and February 25, 2019 with low-pressure Denso fuel pumps (together with the expansion referenced below, the “Recall”). The Recall Report states:

The affected vehicles may be equipped with a low-pressure fuel pump produced during a specific timeframe which includes an impeller that was manufactured with a lower density. If the surface of the lower density impeller is exposed to solvent drying for longer periods of time, it may develop fine cracks. Those cracks may lead to excessive fuel absorption, resulting in impeller deformation. Over time, the impeller may become deformed enough to interfere with the body of the fuel pump, potentially causing the low-pressure fuel pump to become inoperative.

Plaintiffs asserted claims on behalf of a statewide class for: (1) violations of Alabama Deceptive Trade Practices Act, Ala. Stat. Ann §§ 8-19-1, *et seq.*; (2) strict product liability; (3) breach of express warranty; (4) breach of implied warranty of merchantability; (5) negligent recall; (6) fraudulent omission; (7) unjust enrichment; and, on behalf of a nationwide class, (8) a claim for violations of the Magnuson-Moss Warranty Act, 15 U.S.C. § 2301, *et seq.* Plaintiffs also alleged that the Recall was deficient because additional Subaru vehicles shared the same Fuel Pump that gave rise to the Recall.

B. On April 27 and June 11, 2020, Denso recalled over 2 million of its Fuel Pumps, which included the Fuel Pumps recalled by Subaru.

C. Between June 20, 2020 and July 10, 2020, three other putative class actions were filed in other federal courts making substantially similar allegations as those in *Griffin*. These other cases were: *Gilles Cohen, et al v. Subaru Corporation, et al.*, Case No. 1:20-cv-09082-JHR-AMD (D.N.J.) (filed on July 7, 2020); *Muhammad Adnan v. Subaru Corporation*, Case No. 1:10-cv-09082-JHR-AMD (D. N.J.) (filed on July 17, 2020); and *Anderson v. Subaru of America, Inc., et al.*, Case No. 1:20-cv-00290-HG-WRP) (D. Haw.) (filed on June 26, 2020).

D. On October 6, 2020, the Court consolidated *Cohen and Adnan* designating *Cohen* as the lead case and directing the Plaintiffs to file a Consolidated Amended Complaint. Doc. 11.

E. On October 19, 2020, the *Griffin* court, *sua sponte*, consolidated *Griffin* and *Anderson*, designating *Griffin* as the lead case and directing the plaintiffs to file an amended complaint. On December 17, 2020, in the interest of judicial economy, the *Griffin* plaintiffs filed a motion to transfer to the U.S. District Court for the District of New Jersey where the *Cohen* action was being litigated. *Griffin* was transferred on January 19, 2021 and consolidated on February 3, 2021. Doc 32.

F. On February 3, 2021, Plaintiffs filed their Consolidated Amended Complaint (“CAC”) asserting class claims on behalf individuals who purchased or leased certain Subaru vehicles for: (1) violations of numerous state law consumer protection statutes; (2) breach of express warranty; (3) breach of implied warranty; (4) negligent recall/undertaking; (5) unjust enrichment; and, on behalf of a nationwide class, (6) a claim for violations of the Magnuson-Moss Warranty Act, 15 U.S.C. § 2301, *et seq.* Plaintiff also alleged that the Recall was deficient because additional Subaru shared the same fuel pump that gave rise to the Recall.

G. On March 22, 2021, both the Subaru and Denso defendants filed separate motions to dismiss the CAC. The Defendants both raised numerous arguments regarding why the complaints failed to state a claim. Plaintiffs filed their oppositions on July 30, 2021. Defendants’ replies were filed on September 29, 2021.

H. On July 29, 2021, Subaru issued a second recall adding another 165,026 Recalled Vehicles. Subaru amended its recall report on August 10, 2021, and again on August 25, 2021, bringing the total population of Recalled Vehicles to 340,994.

I. On March 10, 2022, the Court issued its opinions granting in part and denying in part the Subaru and Denso motions to dismiss.

J. On May 22, 2022, Plaintiffs filed their Second Amended Class Action Complaint (“SAC”), refining their allegations. The SAC was brought by 34 named Plaintiffs on behalf of a nationwide class for negligent recall, fraudulent concealment/omission, breach of contract, strict product liability, unjust enrichment, among others, and individual states classes for violations of consumer protection statutes and breaches of implied warranty. There were 34 named plaintiffs and 58 causes of action. On June 22, 2022, Defendants filed their Motions to Dismiss the Second

Amended Complaint. Plaintiffs' Responses were filed on August 12, 2022, with Defendants' replies filed on September 23, 2022.

K. Denso Corporation, the corporate parent of DIAM located in Japan, was served on April 27, 2021, and Subaru Corporation, SOA's parent located in Japan, was served on March 26, 2021. Denso Corporation was dismissed from the Action without prejudice on August 13, 2021. Subaru Corporation was dismissed from the Action without prejudice on September 8, 2021.

L. Plaintiffs and Defendants submitted a Joint Discovery Plan on June 22, 2022. The Court held discovery and status conferences on June 28, 2022, August 4, 2022, September 7, 2022, September 28, 2022, November 3, 2022, December 5, 2022, January 25, 2023, February 23, 2023 and July 10, 2023. The Parties exchanged initial disclosures on June 11, 2021. Plaintiffs served requests for production of documents on Subaru on November 17, 2020 and served amended requests on March 12, 2021. Subaru served its written responses to Plaintiffs' requests on June 25, 2021. Plaintiffs served requests for production of documents on DIAM, on March 16, 2021. DIAM responded to Plaintiffs' requests on June 25, 2021. Plaintiffs served requests for production of documents on Subaru Corporation on October 6, 2021. Subaru Corporation responded to Plaintiffs' requests on December 3, 2021.

M. As a part of formal discovery, Defendants produced, and Plaintiffs processed and reviewed, about 21,908 documents containing approximately 92,253 pages of documents related to the design and operation of the subject fuel pumps, warranty data, failure modes attributed to the subject fuel pumps, the Defendants' investigation into the defect, the Recall, and the defect countermeasure development and implementation. Additionally, Plaintiffs' independent automotive engineering expert sourced and inspected hundreds of original and

countermeasure Denso fuel pumps, including in Class Vehicles, and analyzed, *inter alia*, the pumps' operation, specifications, and density of the impeller.

N. As a part of confirmatory discovery, Defendants have produced a substantial number of additional documents, tangible things, and information requested by Class Counsel related to the design and operation of the original equipment fuel pump; the design, operation, development, implementation, the effectiveness of the countermeasure fuel pump; and the Recalls. Plaintiffs' independent automotive engineering expert reviewed and analyzed this additional material, including assessing the efficacy of the countermeasure, the pre- and post-recall warranty repair rates, and the average time in service for manifestation, among other things.

The costs and expenses associated with providing the relief and otherwise implementing the relief specified in this Section III of this Settlement Agreement shall be provided by Defendants.

After the issuance of the Preliminary Approval Order signed by the Court, Defendants, at their sole discretion, may, after consultation with Class Counsel, implement the Customer Support Program in advance of the occurrence of the Final Effective Date.

A. Additional Vehicles: Customer Support Program

1. Subaru will offer the Customer Support Program (“CSP”) to all Class Members who, as of the Final Effective Date, own or lease Additional Vehicles. A Class Member’s rights under the CSP are transferred with the Additional Vehicle. Salvaged Vehicles, inoperable vehicles, and vehicles with titles marked flood-damaged are not eligible for this benefit. The CSP will provide, in the form of an Extended New Vehicle Limited Warranty, prospective coverage for repairs (including parts and labor) needed to correct defects, if any, in materials or workmanship in the Fuel Pumps for the Additional Vehicles. The implementation of the CSP will begin no later than 30 days after the Final Effective Date. Coverage under the CSP for the original parts will continue for fifteen (15) years, measured from the In-Service Date.

2. Additional Vehicles: Loaner/Towing Program - Without cost to and upon request from Class Members, who own or lease Additional Vehicles, whose fuel pumps are being replaced pursuant to the CSP, Class Members shall be entitled to receive:

(a) a complimentary Loaner Vehicle by Subaru Dealers upon reasonable notice. In appropriate circumstances, where the Class Member has a demonstrated need for a Loaner Vehicle similar to the Additional Vehicle, Subaru, through its dealers, shall use good faith efforts to satisfy the request. A Loaner Vehicle will be provided at the time a Class Member drops off her Additional Vehicle for repair or replacement under the CSP. Class Members may return the Loaner Vehicle up to 24 hours after the time they drop off their Additional Vehicle at the Subaru Dealer, or 24 hours after they are informed by the Subaru Dealer that the repair on their Additional Vehicle has been completed, whichever is later; and

(b) if the Additional Vehicle is inoperable or is exhibiting a dangerous condition, a complimentary tow to a Subaru Dealer upon reasonable notice. The Class Member may contact a Subaru Dealer to arrange for towing to the nearest Subaru Dealer.

3. In the event that any of the Additional Vehicles becomes the subject of a future or expanded recall for the same or similar impeller issues in a low pressure fuel pump, those Additional Vehicles will then be entitled and only be entitled to the same relief provided to Recalled Vehicles in Section III.B below. Settlement Class Members who currently own or lease, or previously owned or leased, Additional Vehicles may also be eligible to seek reimbursement of covered expenses under the Out-of-Pocket Claims Process in Section III.C. below, subject to the Claim Submission Period and other terms and conditions of that program.

B. Recalled Vehicles: Extended Replacement Parts Limited Warranty

1. Subaru shall extend the warranty coverage for the fuel pump replaced (“replacement fuel pump assembly”) on the Recalled Vehicles pursuant to the Recall. The Extended Replacement Parts Limited Warranty will last for fifteen (15) years, measured from the replacement date, and up to 150,000 miles, whichever comes first. A Class Member’s rights under the Extended Replacement Parts Limited Warranty are transferred with the Recalled Vehicle.

2. Recalled Vehicles: Loaner/Towing Program - Without cost to and upon request from Class Members who own or lease Recalled Vehicles whose fuel pumps are being replaced pursuant to the Extended Warranty shall be entitled to receive:

(a) a complimentary Loaner Vehicle by Subaru Dealers upon reasonable notice. In appropriate circumstances, where the Class Member has a demonstrated need for a Loaner Vehicle similar to the Recalled Vehicle, Subaru, through its dealers, shall use good faith efforts to satisfy the request. Class Members may return the Loaner Vehicle up to 24 hours after the time they drop off their Recalled Vehicle at the Subaru Dealer, or 24 hours after they are informed by the Subaru Dealer that the repair on their Recalled Vehicle has been completed, whichever is later; and

(b) If the Recalled Vehicle is inoperable or is exhibiting a dangerous condition, a complimentary tow to a Subaru Dealer upon reasonable notice. The Class Member may contact a Subaru Dealer to arrange for towing to the nearest Subaru Dealer.

C. Out-of-Pocket Claims Process

1. During the Claim Submission Period, Class Members may submit Claims for previously paid out-of-pocket expenses incurred to repair or replace a Fuel Pump of Covered

Vehicles that were not otherwise reimbursed and that were incurred prior to the date on which the time to appeal from the Final Judgment has expired. For out-of-pocket expenses that were incurred after the Initial Notice Date, the Class Member must provide proof that they were denied coverage by a Subaru Dealer prior to incurring the expense.

2. Class Members who provide Supporting Documentation and who made repair or replacement of a Fuel Pump on a Covered Vehicle may be reimbursed for: (i) rental vehicles; (ii) towing; and (iii) any unreimbursed repairs or part replacements. Out-of-pocket expenses that are the result of damage, collision, and/or misuse/abuse will not be eligible for reimbursement. Vehicles where the title, prior to the date of the qualifying Fuel Pump repair, was transferred to a salvage yard, junkyard, wreckage facility, or similar entity, inoperable vehicles, and vehicles with titles marked flood-damaged are not eligible for this benefit.

3. As part of the Claims Process, Class Members shall be eligible for the relief in this Section, if Class Members: (a) complete and timely submit Claim Forms, with Supporting Documentation, to the Settlement Administrator within the Claim Submission Period; (c) have Claims that are eligible for reimbursement; and (d) do not opt out of the settlement. The Claim Form shall be available on the settlement website and can be submitted in either hard-copy or online. In no event shall a Class Member be entitled to submit more than one Claim Form per Covered Vehicle. Claims must be submitted with Supporting Documentation.

4. The Settlement Administrator shall administer the review and processing of Claims, and shall have the authority to determine whether Claim Forms submitted by Class Members are complete and timely.

5. The Settlement Administrator's review period for submitted Claims shall not be required to commence any earlier than sixty (60) days after the occurrence of the Final Effective

Date. The Settlement Administrator shall use reasonable efforts to complete their review of timely and completed Claim Forms within sixty (60) days for review and determination.

(a) If a Claim is deficient, the Settlement Administrator shall mail a notice of deficiency letter to the Class Member and email notice to the Class Member if an email address was provided, requesting that the Class Member complete and/or correct the deficiencies and resubmit the Claim Form within sixty (60) days of the date of the letter and/or e-mail from the Settlement Administrator. If the Class Member fails to provide the requested documentation or information, the deficient Claim (or deficient portion thereof) shall be denied without further processing.

(b) If accepted for payment, the Settlement Administrator shall pay the Claim of the Class Member and shall use reasonable efforts to pay timely, valid, and approved Claims within sixty (60) days after the approval of the Claim. In order to timely pay claims as set forth in the preceding sentence, the Settlement Administrator shall periodically request funds from Defendants to pay the approved Claims with sufficient time to allow Defendants to obtain and provide the funds to the Settlement Administrator.

(c) If the Claim is rejected for payment, in whole or in part, the Settlement Administrator shall notify Class Counsel, Subaru's Counsel, and Denso's Counsel of said rejection of Class Member's Claim and the reason(s) why within sixty (60) days of the rejection. The decision of the Settlement Administrator shall be final; provided, however, that Class Counsel, Subaru's Counsel, and Denso's Counsel may meet and confer to resolve any denied Claims.

If Class Counsel, Subaru's Counsel, and Denso's Counsel jointly recommend payment of the rejected Claims or payment of a reduced claim amount, then Subaru's Counsel and/or Denso's Counsel shall inform the Settlement Administrator, who shall instruct Defendants to pay said Claims. If Class Counsel, Subaru's Counsel, and Denso's Counsel disagree with the Settlement Administrator's initial determination, they shall so notify the Settlement Administrator, with explanation, and the Settlement Administrator shall make a final determination as to whether the Claim shall be paid. If a Claim is rejected in full or in part, the Settlement Administrator shall mail a notice of rejection letter to the Class Member and email notice to the Class member if an e-mail address was provided.

6. The Settlement Administrator shall provide status reports to Class Counsel, Subaru's Counsel and Denso's Counsel every six (6) months until the distribution of the last reimbursement check, including copies of all rejection notices. Any Class Member whose Claim is rejected in full shall not receive any payment for the Claim submitted and shall, in all other respects, be bound by the terms of the Settlement Agreement and by the Final Order and Judgment entered in the Action. Similarly, any Class Member whose Claim is approved in part and rejected in part shall not receive any payment for that portion of the Claim that is rejected and shall, in all other respects, be bound by the terms of the Settlement Agreement and by the Final Order and Judgment entered in the Action.

7. No person shall have any claim against Subaru, Denso, the Settlement Administrator, Class Representatives, the Class, Plaintiffs' Counsel, Class Counsel, Subaru's Counsel, or Denso's Counsel based on any eligibility determinations.

Disputes regarding the retention or dismissal of the Settlement Administrator shall be referred to the Court for resolution.

D. 1. The case name and number of the Action;
2. The objector's full name, current residential address, mailing address (if different), telephone number, and e-mail address;
3. An explanation of the basis upon which the objector claims to be a Class Member, including the make, model year, and VIN(s) of the Covered Vehicle(s), and whether the Covered Vehicle is currently owned or currently leased by the Class Member;
4. Whether the objection applies only to the objector, to a specific subset of the Class or to the entire Class, and all grounds for the objection, accompanied by any legal support for the objection, and any documents or other evidence the objector believes supports the objection;
5. The number of times the objector has objected to a class action settlement within the five years preceding the date that the objector files the objection to this Settlement, the caption and case number of each case in which the objector has made such objection and the caption and case number of any related appeal, and a copy of any orders related to or ruling upon the objector's prior such objections that were issued by the trial and appellate courts in each listed case;
6. The full name, telephone number, mailing address, and e-mail address of all counsel who represent the objector, including any former or current counsel who may be entitled to compensation for any reason related to the objection to the Settlement Agreement and/or the request for Attorneys' Fees, Costs and Expenses;

7. The identity of all counsel representing the objector who will appear at the Fairness Hearing;

10. A list of all persons who will be called to testify at the Fairness Hearing in support of the objection;

11. A statement confirming whether the objector intends to personally appear and/or testify at the Fairness Hearing; and

12. The objector's original signature and date of signature. Each objection must be personally signed by the objector (an electronic signature or attorney's signature is not sufficient).

B. Any Class Member who fails to comply with the provisions of Section VI.A, above, shall be deemed to have waived and forfeited any and all rights he or she may have to appear separately and object, whether by a subsequent objection, intervention, appeal, or any other process, and shall be bound by all the terms of this Settlement Agreement and by all proceedings, orders and judgments, including, but not limited to, the Release, the Final Order and Judgment in the Action. The exclusive means for any challenge to the Settlement Agreement shall be through the provisions of this Section VI.B. Without limiting the foregoing, any challenge to the Settlement

Agreement, Final Order and Judgment shall be pursuant to appeal under the Federal Rules of Appellate Procedure and not through collateral proceedings. Class Members may not both object and request exclusion (opt out).

C. Any Class Member who objects to the Settlement Agreement shall be entitled to all the benefits of the Settlement Agreement if the Settlement Agreement and the terms contained herein are approved, as long as the objecting Class Member complies with all requirements of this Settlement Agreement applicable to Class Members.

VII. RELEASE AND WAIVER

A. The Parties agree to the following release and waiver, which shall take effect upon entry of the Final Judgment and Final Order.

B. In consideration for the Settlement Agreement, Class Representatives, and each Class Member, on behalf of themselves and any other legal or natural persons who may claim by, through, or under them, agree to fully, finally, and forever release, relinquish, acquit, and discharge the Released Parties from any and all claims, demands, suits, petitions, liabilities, causes of action, rights, and damages of any kind and/or type regarding the subject matter of the Action, including, but not limited to, compensatory, exemplary, punitive, expert and/or attorneys' fees or by multipliers, whether past, present, or future, mature, or not yet mature, known or unknown, suspected or unsuspected, contingent or non-contingent, derivative or direct, asserted or unasserted, whether based on federal, state or local law, statute, ordinance, regulation, code, contract, common law, violations of any state's deceptive, unlawful, or unfair business or trade practices, false, misleading or fraudulent advertising, consumer fraud or consumer protection statutes, any breaches of express, implied or any other warranties, RICO, or the Magnuson-Moss Warranty Act, or any other source, or any claim of any kind arising from, related to, connected with, and/or in any way involving the Action, the Covered Vehicles 'Fuel Pumps, and/or associated parts that are,

or could have been, defined, alleged, or described in the Class Action Complaint, the Action, or any amendments of the Class Action Complaint (“Released Claims”); provided, however, that notwithstanding the foregoing, Class Representatives and the other Class Members are not releasing claims for personal injury, wrongful death or physical property damage (except to the Fuel Pump in the Covered Vehicle itself) from the Covered Vehicle.

C. Notwithstanding the foregoing, Class Representatives and/or the other Class Members shall hold Released Parties harmless for all Released Claims that may be asserted by another legal or natural person (including but not limited to legal guardians and estate administrators) who claim by, through, or under that Class Representative or Class Member.

D. The Final Order and Judgment will reflect the terms of this Release.

E. Class Representatives, on behalf of the other Class Members and through Class Counsel, expressly agree that this Release, the Final Order and Judgment is, will be, and may be raised as a complete defense to, and will preclude any action or proceeding encompassed by, this Release.

F. Class Representatives and Class Members shall not now or hereafter institute, maintain, prosecute, assert, and/or cooperate in the institution, commencement, filing, or prosecution of any suit, action, and/or proceeding, against the Released Parties, either directly or indirectly, on their own behalf, on behalf of a class or on behalf of any other person or entity with respect to the claims, causes of action and/or any other matters released through this settlement and the Settlement Agreement.

G. In connection with the Settlement Agreement, Class Representatives, on behalf of the other Class Members, acknowledge that they and other Class Members may hereafter discover claims presently unknown or unsuspected, or facts in addition to or different from those that they

now know or believe to be true concerning the subject matter of the Action and/or the Release herein. Nevertheless, it is the intention of Class Counsel and Class Representatives in executing this Settlement Agreement to fully, finally, and forever settle, release, discharge, and hold harmless all such matters, and all claims relating thereto which exist, hereafter may exist, or might have existed (whether or not previously or currently asserted in any action or proceeding) with respect to the Action, provided, however, that Class Representatives and the other Class Members are not releasing claims for personal injury, wrongful death or physical property damage (except to the Fuel Pump in the Covered Vehicle itself) from the Covered Vehicle.

H. Class Representatives expressly understand and acknowledge that they will be deemed by the Final Order and Judgment to acknowledge and waive Section 1542 of the Civil Code of the State of California, which provides that:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Class Representatives expressly waive and relinquish any and all rights and benefits that they may have under, or that may be conferred upon them by, the provisions of Section 1542 of the California Civil Code, or any other law of any state or territory that is similar, comparable or equivalent to Section 1542, to the fullest extent they may lawfully waive such rights.

I. Class Representatives represent and warrant that they are the sole and exclusive owners of all claims that they personally are releasing under this Settlement Agreement. Class Representatives further acknowledge that they have not assigned, pledged, or in any manner whatsoever sold, transferred, assigned, or encumbered any right, title, interest, or claim arising out of or in any way whatsoever pertaining to the Action, including, without limitation, any claim for

benefits, proceeds, or value under the Action, and that Class Representatives are not aware of anyone other than themselves claiming any interest, in whole or in part, in the claims that they are releasing under the Settlement Agreement or in any benefits, proceeds, or values in the claims that they are releasing under the Settlement Agreement.

J. Without in any way limiting its scope, and, except to the extent otherwise specified in the Agreement, this Release covers by example and without limitation, any and all claims for attorneys' fees, expert or consultant fees, interest, litigation expenses, or any other fees, costs, and/or disbursements incurred by Class Counsel, Plaintiffs' Counsel, Class Representatives, or other Class Members who claim to have assisted in conferring the benefits under this Settlement Agreement upon the Class.

K. In consideration for the Settlement Agreement, Subaru and Denso and their past or present officers, directors, employees, agents, attorneys, predecessors, successors, affiliates, subsidiaries, divisions, successors and assigns shall be deemed to have, and by operation of the Final Order and Judgment shall have, released Plaintiffs' Counsel, Class Counsel, and each Class Representative from any and all causes of action that were or could have been asserted pertaining solely to the conduct in filing and prosecuting the litigation or in settling the Action.

L. Class Representatives, Plaintiffs' Counsel, Class Counsel, and any other attorneys who receive attorneys' fees and costs from this Settlement Agreement acknowledge that they have conducted sufficient independent investigation and discovery to enter into this Settlement Agreement and, by executing this Settlement Agreement, state that they have not relied upon any statements or representations made by the Released Parties or any person or entity representing the Released Parties, other than as set forth in this Settlement Agreement.

M. The Parties specifically understand that there may be further pleadings, discovery requests and responses, testimony, or other matters or materials owed by the Parties pursuant to existing pleading requirements, discovery requests, or pretrial rules, procedures, or orders, and that, by entering into this Settlement Agreement, the Parties expressly waive any right to receive, hear, or inspect such pleadings, testimony, discovery, or other matters or materials.

N. Nothing in this Release shall preclude any action to enforce the terms of the Settlement Agreement, including participation in any of the processes detailed herein.

O. Class Representatives and Class Counsel hereby agree and acknowledge that the provisions of this Release together constitute an essential and material term of the Settlement Agreement and shall be included in any Final Order and Judgment entered by the Court.

VIII. ATTORNEYS' FEES, COSTS, AND EXPENSES AND CLASS REPRESENTATIVE SERVICE AWARDS

A. After the Parties reached agreement on the material terms of this Settlement, the Parties discussed the issue of reasonable attorneys' fees, litigation expenses and costs ("Fees and Expenses"), for which Class Counsel may apply to the Court and, subject to Court approval, would be paid separate from the Class relief. After two mediations and numerous telephone negotiations, the Parties agreed that Class Counsel may apply to the Court for Fees and Expenses in an amount up to, but not exceeding, the total combined sum of \$15,500,000.00 for all Class Counsel and all fees, costs and expenses collectively. Class Counsel shall not accept any amount of Fees and Expenses exceeding said total combined and collective sum.

B. The Parties further agree that Class Counsel may apply to the Court for a reasonable Service Award of up to, but not exceeding, Two Thousand Five Hundred Dollars (\$2,500) for each of the following 16 named Plaintiffs: Gilles Cohen, Benjamin Moore, Mary Lou Plante, Meredith Mein de Vera, Blaise Fontenot, Katherine Mutschler, Benjamin Christensen, Jennifer Lilley,

Chantel Nelson, Christine King, Paula Weeks, Martin Torresquintero, Cole Sweeton, John Micklo, Jaqueline Ferguson, and Troy Perry, and for a reasonable Service Award of up to, but not exceeding, Three Thousand Seven Hundred Fifty Dollars (\$3,750) for each of the following 11 named Plaintiffs: Muhammad Adnan, Dan Rosenthal, Alexandra Efantis, Steven Biondo, Jacqueline Brockman, Marty Brown, Kevin King, Christine Schultz, David Sroelov, Donny Woo, and Katherine Griffin, who are serving as Settlement Class Representatives, to be paid by SOA and DIAM as set forth below.² Defendants will not oppose Plaintiffs' request, made as part of the Fee and Expense Application, that Defendants pay these Service Award amounts for each of the aforesaid Plaintiff-Settlement Class Representatives.

C. Class Counsel Fees and Expenses and Settlement Class Representative Service Awards, to the extent consistent with this Agreement, shall be paid as directed by the Court by wire transfer to Seeger Weiss, LLP ("Class Counsel Designee") within thirty (30) days after the later of the Final Effective Date or the date of entry of the Court's Order awarding Class Counsel Fee and Expenses and service awards, including final termination or disposition of any appeals relating thereto. Said payment to Class Counsel Designee shall fully satisfy and discharge all obligations of Defendants and the Released Parties with respect to payment of the Class Counsel Fees and Expenses, any attorneys' fees in connection with the Action, and Settlement Class Representative service awards, and Class Counsel Designee shall thereafter have sole responsibility to distribute the appropriate portions of said payment to the other Class Counsel and the Settlement Class Representatives.

² The Parties agree that Plaintiffs will not seek to have Igor Kravchenko serve as a Settlement Class Representative, because Mr. Kravchenko has been unresponsive and uncooperative with his counsel (Dkt. No. 235), has failed to comply with the Court's Order to provide necessary discovery under penalty of dismissal of his claims (Dkt. No. 232), and, accordingly, there is a pending motion to dismiss his claims (Dkt. No. 236).

IX. PRELIMINARY APPROVAL ORDER, FINAL ORDER, FINAL JUDGMENT, AND RELATED ORDERS

A. The Parties shall seek from the Court a Preliminary Approval Order in a form substantially similar to Exhibit 3. The Preliminary Approval Order shall, among other things:

1. Certify a nationwide settlement-only Class, approve Class Representatives as Class Representatives, and appoint Class Counsel as counsel for the Class, pursuant to Fed. R. Civ. P. 23;

2. Preliminarily approve the Settlement Agreement;

3. Require the dissemination of the Notice and the taking of all necessary and appropriate steps to accomplish this task;

4. Determine that Class Notice and the Notice Program comply with all legal requirements, including, but not limited to, Fed. R. Civ. P. 23 and the Due Process Clause of the United States Constitution;

5. Schedule a date and time for a Fairness Hearing to determine whether the Settlement Agreement should be finally approved by the Court, and whether the to-be-requested Attorneys' Fees, Costs and Expenses and Class Representative service awards should be granted;

6. Require Class Members who wish to exclude themselves to submit an appropriate and timely written request for exclusion as directed in this Settlement Agreement and Long Form Notice and provide that a failure to do so shall bind those Class Members who remain in the Class;

7. Require Class Members who wish to object to this Settlement Agreement to submit an appropriate and timely written statement as directed in this Settlement Agreement and Long Form Notice;

8. Require attorneys representing Class Members objecting to the Settlement Agreement, at such Class Members' expense, to file a timely notice of appearance with the Court as directed in the Long Form Notice;

9. Issue a preliminary injunction and stay all other actions, pending final approval by the Court;

10. Issue a preliminary injunction enjoining potential Class Members, pending the Court's determination of whether the Settlement Agreement should be given final approval, from challenging in any action or proceeding any matter covered by this Settlement Agreement, except for proceedings in this Court to determine whether the Settlement Agreement will be given final approval;

11. Appoint the Settlement Administrator;

12. Authorize Subaru and/or Denso to take all necessary and appropriate steps to establish the means necessary to implement the Settlement Agreement; and

13. Issue other related orders to effectuate the preliminary approval of the Settlement Agreement.

B. After the Fairness Hearing, the Parties shall seek to obtain from the Court a Final Order and Judgment in the form substantially similar to Exhibit 8. The Final Order and Judgment shall, among other things:

1. Find that the Court has personal jurisdiction over all Class Members, that the Court has subject matter jurisdiction over the claims asserted in the Action, and that venue is proper;

2. Confirm the certification of the Class for settlement purposes only, pursuant to Fed. R. Civ. P. 23;

3. Finally approve the Settlement Agreement, pursuant to Fed. R. Civ. P. 23;
4. Find that the Class Notice complies with all laws, including, but not limited to, Fed. R. Civ. P. 23 and the Due Process Clause of the United States Constitution;
5. Dismiss the Action with prejudice and without costs (except as provided for herein as to costs);
6. Incorporate the Release set forth in the Agreement and make the Release effective as of the date of the Final Order and Judgment;
7. Issue a permanent injunction;
8. Authorize the Parties to implement the terms of the Settlement Agreement;
9. Retain jurisdiction relating to the administration, consummation, enforcement, and interpretation of the Settlement Agreement, the Final Order and Judgment, and for any other necessary purpose; and
10. Issue related Orders to effectuate the final approval of the Settlement Agreement and its implementation.

X. MODIFICATION OR TERMINATION OF THIS SETTLEMENT AGREEMENT

A. The terms and provisions of this Settlement Agreement may be amended, modified, or expanded by written agreement of the Parties and approval of the Court; provided, however, that after entry of the Final Order and Judgment, the Parties may by written agreement effect such amendments, modifications, or expansions of this Settlement Agreement and its implementing documents (including all exhibits hereto) without further notice to the Class or approval by the Court if such changes are consistent with the Court's Final Order and Judgment and do not limit the rights of Class Members under this Settlement Agreement.

B. This Settlement Agreement shall terminate at the discretion of either Subaru or Denso or Class Representatives, through Class Counsel, if: (1) the Court, or any appellate court(s),

rejects, modifies, or denies approval of any portion of the Settlement Agreement that the terminating party reasonably determine(s) is material, including, without limitation, the terms of relief, the findings, or conclusions of the Court, the provisions relating to notice, the definition of the Class, and/or the terms of the Release; or (2) the Court, or any appellate court(s), does not enter or completely affirm, or alters, narrows or expands, any portion of the Final Order and Judgment, or any of the Court's findings of fact or conclusions of law, that the terminating party reasonably determine(s) is material. The terminating party must exercise the option to withdraw from and terminate this Settlement Agreement, as provided in this Section X.B., by a signed writing served on the other Parties no later than 20 days after receiving notice of the event prompting the termination. The Parties will be returned to their positions status quo ante.

C. If an option to withdraw from and terminate this Settlement Agreement arises under Section X.B above, neither Subaru, Denso, nor Class Representatives, through Class Counsel, are required for any reason or under any circumstance to exercise that option and any exercise of that option shall be in good faith.

D. If, but only if, this Settlement Agreement is terminated pursuant to Section X.B, above, then:

1. This Settlement Agreement shall be null and void and shall have no force or effect, and no Party to this Settlement Agreement shall be bound by any of its terms, except for the terms of this Section X.D;

2. The Parties will petition the Court to have any stay orders entered pursuant to this Settlement Agreement lifted;

3. All of its provisions, and all negotiations, statements, and proceedings relating to it shall be without prejudice to the rights of Subaru, Denso, Class Representatives, or

any Class Member, all of whom shall be restored to their respective positions existing immediately before the execution of this Settlement Agreement, except that the Parties shall cooperate in requesting that the Court set a new scheduling order such that no Party's substantive or procedural rights are prejudiced by the settlement negotiations and proceedings;

4. Subaru, Denso, and the other Released Parties expressly and affirmatively reserve all defenses, arguments, and motions as to all claims that have been or might later be asserted in the Action, including, without limitation, the argument that the Action may not be litigated as a class action;

5. Class Representatives, on behalf of themselves and their heirs, assigns, executors, administrators, predecessors, and successors, and on behalf of the Class, expressly and affirmatively reserve and do not waive all motions as to, and arguments in support of, all claims, causes of action, or remedies that have been or might later be asserted in the Action including, without limitation, any argument concerning class certification, and treble or other damages;

6. Subaru, Denso, and the other Released Parties expressly and affirmatively reserve and do not waive all motions and positions as to, and arguments in support of, all defenses to the causes of action or remedies that have been sought or might be later asserted in the actions, including without limitation, any argument or position opposing class certification, liability, or damages;

7. Neither the fact of the Settlement Agreement having been made, the negotiations leading to it, nor any discovery or action taken by a Party or Class Member pursuant to this Settlement Agreement shall be admissible or entered into evidence for any purpose whatsoever, except to the extent the Settlement Agreement is filed with the Court, it can be referenced in the Action and any related appeal;

8. Any settlement-related order(s) or judgment(s) entered in this Action after the date of execution of this Settlement Agreement shall be deemed vacated and shall be without any force or effect;

9. All costs incurred in connection with the Settlement Agreement, including, but not limited to, notice, publication, claims administration and customer communications are the responsibility of Defendants and will be paid by Defendants. Neither Class Representatives nor Class Counsel shall be responsible for any of these costs or other settlement-related costs; and

10. Notwithstanding the terms of this paragraph, if the Settlement is not consummated, Class Counsel may include any time spent in settlement efforts as part of any fee petition filed at the conclusion of the case, and Subaru and Denso reserve the right to object to the reasonableness of such requested fees.

XI. GENERAL MATTERS AND RESERVATIONS

A. Subaru and Denso have denied and continue to deny each and all of the claims and contentions alleged in the Action, and have denied and continue to deny that they have committed any violation of law or engaged in any wrongful act that was alleged, or that could have been alleged, in the Action. Subaru and Denso believe that they have valid and complete defenses to the claims asserted against them in the Action and deny that they committed any violations of law, engaged in any unlawful act or conduct, or that there is any basis for liability for any of the claims that have been, are, or might have been alleged in the Action. Nonetheless, Subaru and Denso have concluded that it is desirable that the Action be fully and finally settled in the matter and upon the terms and conditions set forth in this Settlement Agreement.

B. The obligation of the Parties to conclude the Settlement Agreement is and shall be contingent upon each of the following:

1. Entry by the Court of the Final Order and Judgment approving the Settlement Agreement, from which the time to appeal has expired or which has remained unmodified after any appeal(s); and

2. Any other conditions stated in this Settlement Agreement.

C. The Parties and their counsel agree to keep the existence and contents of this Settlement Agreement confidential until the date on which the Motion for Preliminary Approval is filed; provided, however, that this Section shall not prevent Subaru or Denso from disclosing such necessary information from this Settlement Agreement, prior to the date on which the Motion for Preliminary Approval is filed, to state and federal agencies, independent accountants, actuaries, advisors, financial analysts, insurers, or attorneys. Nor shall it prevent the Parties and their counsel from disclosing such information to persons or entities (such as experts, courts, co-counsel, and/or administrators) to whom the Parties agree disclosure must be made to effectuate the terms and conditions of this Settlement Agreement.

D. Class Representatives and Class Counsel agree that the confidential information made available to them solely through the settlement process was made available, as agreed to, on the condition that neither Class Representatives nor their counsel may disclose it to third parties (other than experts or consultants retained by Class Representatives in connection with the Action); that it not be the subject of public comment; that it not be used by Class Representatives or Class Counsel in any way in this litigation or otherwise should the Settlement Agreement not be achieved, and that it is to be returned if a settlement is not concluded; provided, however, that nothing contained herein shall prohibit Class Representatives from seeking such information through formal discovery if not previously requested through formal discovery or from referring to the existence of such information in connection with the settlement of the Action.

E. Information provided by Subaru, Denso, Subaru's Counsel, and/or Denso's Counsel to Class Representatives, Class Counsel, Plaintiffs' Counsel, any individual Class Member, counsel for any individual Class Member, and/or administrators, pursuant to the negotiation and implementation of this Settlement Agreement, includes trade secrets and highly confidential and proprietary business information and shall be deemed "Highly Confidential" pursuant to the protective orders that have been or will be entered in the Action, and shall be subject to all of the provisions thereof. Any materials inadvertently produced shall, upon Subaru's or Denso's request, be promptly returned to Subaru's Counsel or Denso's Counsel, and there shall be no implied or express waiver of any privileges, rights, and defenses.

F. Within 90 days after the Final Effective Date (unless the time is extended by agreement of the Parties), Class Counsel, Plaintiffs' Counsel, and any expert or other consultant employed by them in such capacity or any other individual with access to documents provided by Subaru, Denso, Subaru's Counsel, and/or Denso's shall either: (i) return to Subaru's Counsel or Denso's Counsel, all such documents and materials (and all copies of such documents in whatever form made or maintained), physical evidence, and/or tangible items produced during the settlement process by Subaru and/or Subaru's Counsel or Denso and/or Denso's Counsel and any and all handwritten notes summarizing, describing or referring to such documents; or (ii) certify to Subaru's Counsel or Denso's Counsel that all such documents, physical evidence, tangible items, and/or materials (and all copies of such documents in whatever form made or maintained) produced by Subaru and/or Subaru's Counsel or Denso and/or Denso's Counsel and any and all handwritten notes summarizing, describing or referring to such documents have been destroyed, provided, however, that this Section XI.F shall not apply to any documents made part of the record in connection with a Claim for reimbursement as part of the Out-of-Pocket Claims Process, nor to

any documents made part of a Court filing, nor to Class Counsel's and Plaintiffs' Counsel's work-product. Nothing in this Settlement Agreement shall affect any confidentiality order or protective order in the Action.

G. Subaru's execution of this Settlement Agreement shall not be construed to release – and Subaru expressly does not intend to release – any claim Subaru may have or make against any insurer for any cost or expense incurred in connection with this Settlement Agreement, including, without limitation, for Attorneys' Fees, Costs, and Expenses.

H. Denso's execution of this Settlement Agreement shall not be construed to release – and Denso expressly does not intend to release – any claim Denso may have or make against any insurer for any cost or expense incurred in connection with this Settlement Agreement, including, without limitation, for Attorneys' Fees, Costs, and Expenses.

I. Class Counsel represent that: (1) they are authorized by Class Representatives to enter into this Settlement Agreement with respect to the claims in this Action; and (2) they are seeking to protect the interests of the Class.

J. Class Counsel further represent that Class Representatives: (1) have agreed to serve as representatives of the Class proposed to be certified herein; (2) are willing, able, and ready to perform all of the duties and obligations of representatives of the Class, including, but not limited to, being involved in discovery and fact-finding; (3) have read the pleadings in the Action or have had the contents of such pleadings described to them; (4) are familiar with the results of the fact-finding undertaken by Class Counsel; (5) have been kept apprised of settlement negotiations among the Parties, and have either read this Settlement Agreement, including the exhibits annexed hereto, or have received a detailed description of it from Class Counsel and/or Plaintiffs' Counsel and have agreed to its terms; (6) have consulted with Class Counsel about the Action and this

Settlement Agreement and the obligations imposed on representatives of the Class; (7) have authorized Class Counsel to execute this Settlement Agreement on their behalf; and (8) shall remain and serve as representatives of the Class until the terms of this Settlement Agreement are effectuated, this Settlement Agreement is terminated in accordance with its terms, or the Court at any time determines that said Class Representatives cannot represent the Class.

K. The Parties acknowledge and agree that no opinion concerning the tax consequences of the Settlement Agreement to Class Members is given or will be given by the Parties, nor are any representations or warranties in this regard made by virtue of this Settlement Agreement. Each Class Member's tax obligations, and the determination thereof, are the sole responsibility of the Class Member, and it is understood that the tax consequences may vary depending on the particular circumstances of each individual Class Member.

L. Subaru represents and warrants that the individual(s) executing this Settlement Agreement is authorized to enter into this Settlement Agreement on behalf of Subaru.

M. Denso represents and warrants that the individual(s) executing this Settlement Agreement is authorized to enter into this Settlement Agreement on behalf of Denso.

N. This Settlement Agreement, complete with its exhibits, sets forth the sole and entire agreement among the Parties with respect to its subject matter, and it may not be altered, amended, or modified except by written instrument executed by Class Counsel, Subaru's Counsel on behalf of Subaru, and Denso's Counsel on behalf of Denso. The Parties expressly acknowledge that no other agreements, arrangements, or understandings not expressed in this Settlement Agreement exist among or between them, and that in deciding to enter into this Settlement Agreement, they rely solely upon their judgment and knowledge. This Settlement Agreement supersedes any prior

agreements, understandings, or undertakings (written or oral) by and between the Parties regarding the subject matter of this Settlement Agreement.

O. This Settlement Agreement and any amendments thereto shall be governed by and interpreted according to the law of the State of New Jersey notwithstanding its conflict-of-laws provisions.

P. The Parties agree that the Court may retain continuing and exclusive jurisdiction over them, including all Settlement Class Members, for the purpose of the administration and enforcement of this Settlement Agreement. Any disagreement and/or action to enforce this Settlement Agreement shall be commenced and maintained only in the United States District Court for the District of New Jersey.

The last day of the period so computed shall be included, unless it is a Saturday, a Sunday or a Federal Holiday, or, when the act to be done is the filing of a paper in court, a day on which weather or other conditions have made the office of the clerk of the court inaccessible, in which event the period shall run until the end of the next day that is not one of the aforementioned days. As used in this Section “Federal Holiday” includes New Year’s Day, Birthday of Martin Luther King, Jr., Presidents ’Day,

Memorial Day, Juneteenth, Independence Day, Labor Day, Columbus Day, Veterans Day, Patriot's Day, Thanksgiving Day, Christmas Day, and any other day appointed as a holiday by the President, the Congress of the United States, or the Clerk of the United States District Court for the District of New Jersey.

T. The Class, Class Representatives, Class Counsel, Subaru, Subaru's Counsel, Denso, and/or Denso's Counsel shall not be deemed to be the drafter of this Settlement Agreement or of any particular provision, nor shall they argue that any particular provision should be construed against its drafter. All Parties agree that this Settlement Agreement was drafted by counsel for the Parties during extensive arm's length negotiations.

U. The Parties expressly acknowledge and agree that this Settlement Agreement and its exhibits, along with all related drafts, motions, pleadings, conversations, negotiations, and correspondence, constitute an offer of compromise and a compromise within the meaning of Federal Rule of Evidence 408 and any equivalent rule of evidence in any state. In no event shall this Settlement Agreement, any of its provisions, or any negotiations, statements, or court proceedings relating to its provisions in any way be construed as, offered as, received as, used as, or deemed to be evidence of any kind in the Action, any other action, or in any judicial, administrative, regulatory, or other proceeding, except in a proceeding to enforce this Settlement Agreement or the rights of the Parties or their counsel. Without limiting the foregoing, neither this Settlement Agreement nor any related negotiations, statements, or court proceedings shall be construed as, offered as, received as, used as, or deemed to be evidence or an admission or

concession of any liability or wrongdoing whatsoever on the part of any person or entity, including, but not limited to, the Released Parties, Class Representatives, or the Class or as a waiver by the Released Parties, Class Representatives, or the Class of any applicable privileges, claims, or defenses.

V. Class Representatives, through their counsel, expressly affirm that the allegations contained in the Class Action Complaint and all prior complaints filed in the Action were made in good faith, but consider it desirable for the Action to be settled and dismissed because of the substantial benefits that the Settlement Agreement will provide to Class Members.

W. The Parties, their successors and assigns, and their counsel undertake to implement the terms of this Settlement Agreement in good faith, and to act in good faith in resolving any disputes that may arise in the implementation of the terms of this Settlement Agreement.

X. The waiver by one Party of any breach of this Settlement Agreement by another Party shall not be deemed a waiver of any prior or subsequent breach of this Settlement Agreement.

Y. If one Party to this Settlement Agreement considers another Party to be in breach of its obligations under this Settlement Agreement, that Party must provide the breaching Party with written notice of the alleged breach and provide a reasonable opportunity to cure the breach before taking any action to enforce any rights under this Settlement Agreement.

Z. The Parties, their successors and assigns, and their counsel agree to publicly support this Settlement Agreement, to cooperate fully with one another in seeking Court approval of this Settlement Agreement and to use their best efforts to effect the prompt consummation of the Settlement Agreement.

AA. This Settlement Agreement may be signed with a facsimile signature and in counterparts, each of which shall constitute a duplicate original.

BB. In the event any one or more of the provisions contained in this Settlement Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision if Subaru's Counsel, on behalf of Subaru, Denso's Counsel, on behalf of Denso, and Class Counsel, on behalf of Class Representatives and Class Members, mutually agree in writing to proceed as if such invalid, illegal, or unenforceable provision had never been included in this Settlement Agreement. Any such agreement shall be reviewed and approved by the Court before it becomes effective.

CC. This Settlement Agreement shall be binding upon and inure to the benefit of, the successors and assigns of the Class and Defendants.

Civil Action No. 1:20-cv-08442-
JHR-AMD

**[PROPOSED] ORDER
GRANTING PRELIMINARY
APPROVAL OF CLASS
ACTION SETTLEMENT**

WHEREAS, pursuant to Fed. R. Civ. P. (“Rule”) 23(a), 23(b)(3), and 23(e), the parties seek entry of an order, *inter alia*, preliminarily approving the Class Settlement of this Action (“Settlement”) pursuant to the terms and provisions of the Settlement Agreement dated May 30, 2024, with attached exhibits (“Settlement Agreement”); preliminarily certifying the Settlement Class for settlement purposes only; directing Notice to the Settlement Class pursuant to the parties’ proposed

Notice Plan; preliminarily appointing the Settlement Class Representatives, Settlement Class Counsel and the Settlement Administrator; directing the timing and procedures for any objections to, and requests for exclusion from, the Settlement; setting forth other procedures, filings and deadlines; and scheduling the Final Fairness Hearing;

WHEREAS, the Settlement has been filed with the Court, and Plaintiffs have filed an Unopposed Motion for Preliminary Approval of Settlement, Certification of the Proposed Class for Settlement Purposes, Directing Notice to the Class, and Related Relief (the “Motion”); and

WHEREAS, the Court has read and considered the Motion, the Settlement Agreement and its exhibits, the record in these proceedings, the representations and recommendations of counsel, and the requirements of the law,

NOW, IT IS HEREBY ORDERED THAT:

1. This Order incorporates by reference the definitions in the Settlement Agreement, and all terms used in this Order shall have the same meanings as set forth in the Settlement Agreement.

2. The Court preliminarily approves the Settlement Agreement, and its Settlement terms, as fair, reasonable and adequate under Rule 23, subject to further consideration at the Final Fairness Hearing.

3. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, the Court preliminarily certifies, for settlement purposes only, the following Class:

All individuals or legal entities who, at any time as of the Initial Notice Date, own or owned, purchase(d) or lease(d) Covered Vehicles¹ in any of the fifty States, the District of Columbia, Puerto Rico, and all other United States territories and/or possessions. Excluded from the Settlement Class are: (a) Subaru, its officers, directors and employees;

¹ The Covered Vehicles are the Additional Vehicles and Recalled Vehicles, as identified in Exhibits 1 and 2 to the Settlement Agreement.

its affiliates and affiliates' officers, directors and employees; its distributors and distributors' officers, directors and employees; and Subaru Dealers and Subaru Dealers' officers and directors; (b) Denso, its officers, directors and employees; its affiliates and affiliates' officers, directors and employees; its distributors and distributors' officers, directors and employees; (c) Plaintiffs' Counsel; and (d) judicial officers and their immediate family members and associated court staff assigned to this case. In addition, persons or entities are not Class Members once they timely and properly exclude themselves from the Settlement Class, as provided in the Settlement Agreement and this Order, once the exclusion request is finally approved by the Court.

4. The Court appoints James E. Cecchi of Carella, Byrne, Cecchi, Olstein, Brody & Agnello, P.C., Christopher A. Seeger of Seeger Weiss LLP, and W. Daniel "Dee" Miles III of Beasley, Allen, Crow, Methvin, Portis & Miles, P.C. as Class Counsel for the Settlement Class.

5. The Court appoints Plaintiffs Gilles Cohen, Muhammad Adnan, Donny Woo, Benjamin Moore, Mary Lou Plante, Meredith Mein De Vera, Dan Rosenthal, John Micklo, Troy Perry, Jaqueline Ferguson, Katherine Griffin, Alexandra Efantis, Blaise Fontenot, Katherine Mutschler, Benjamin Christensen, Jennifer Lilley, Steven Biondo, Chantel Nelson, Jacqueline Brockman, Marty Brown, Christine King, Kevin King, Paula Weeks, Martin Torresquintero, Cole Sweeton, Christine Schultz, and David Sroelov as Settlement Class Representatives.

6. The Court appoints JND Legal Administration as the Settlement Administrator ("Settlement Administrator").

7. The Court preliminarily finds, solely for purposes of the Settlement, that the Rule 23 criteria for certification of the Settlement Class exists in that: (a) the Settlement Class is so numerous that joinder of all Settlement Class Members in the Action is impracticable; (b) there are questions of law and fact common to the Settlement Class that predominate over any individual questions; (c) the claims of the Settlement Class Representatives are typical of the claims of the Settlement

Class; (d) the Settlement Class Representatives and Class Counsel have and will continue to fairly and adequately represent and protect the interests of the Settlement Class; and (e) a class action is superior to all other available methods for the fair and efficient adjudication of the controversy.

8. In addition, the Court preliminarily finds that certification of the Settlement Class is appropriate when balanced against the risks and delays of further litigation. The proceedings that occurred before the Parties entered into the Settlement Agreement afforded counsel the opportunity to adequately assess the claims and defenses in the Action, the positions, strengths, weaknesses, risks and benefits to each Party, and as such, to negotiate a Settlement Agreement that is fair, reasonable and adequate and reflects those considerations.

9. The Court also preliminarily finds that the Settlement Agreement has been reached as a result of intensive, arm's-length negotiations of disputed claims, and that the proposed Settlement is not the result of any collusion.

10. The Court approves the form and content of the Direct Mail Notice (Exhibit 6 to the Settlement Agreement), the Long Form Notice (Exhibit 5 to the Settlement Agreement) and the Claim Form (Exhibit 7 to the Settlement Agreement). The Court further finds that the mailing of the Direct Mail Notice in the manner set forth in the Settlement Agreement, as well as the establishment of a settlement website and other forms of notice provided in the Notice Plan (Exhibit 4 to the Settlement Agreement), satisfy Rule 23, due process, and constitute the best notice practicable under the circumstances. The Notice Plan set forth in the Settlement Agreement is reasonably calculated to apprise the Settlement Class of the pendency of the Action, the certification of the Settlement Class for settlement purposes only, the terms of the Settlement, its benefits and the Release of Claims, the Settlement Class Members' rights including the right to, and the deadlines and procedures for, requesting exclusion from the Settlement or objecting to the

Settlement, Class Counsel's application for Fees and Expenses and/or the application for Settlement Class Representative Service Awards, the deadline, procedures and requirements for submitting a Claim for Reimbursement pursuant to the Settlement terms, the time, place, and right to appear at the Final Fairness hearing, and other pertinent information about the Settlement and the Settlement Class Members' rights. The Court authorizes the Parties to make non-material modifications to the Direct Mail Notice prior to mailing, and to the Long Form Notice and Claim Form, if they jointly agree that any such changes are appropriate.

11. The notices and Notice Program constitute sufficient notice to all persons and entities entitled to notice. The notices and Notice Program satisfy all applicable requirements of law, including, but not limited to, Rule 23 and the constitutional requirement of due process. The Court finds that the forms of notice are written in simple terminology, are readily understandable by Class Members and comply with the Federal Judicial Center's illustrative class action notices. The Court orders that the notices be disseminated to the Class as per the Notice Program. Accordingly, the Court approves, and directs the implementation of, the Notice Plan pursuant to the terms of the Settlement Agreement.

12. The Settlement Administrator is directed to perform all settlement administration duties set forth in, and pursuant to the terms and time periods of, the Settlement Agreement, including mailing of the CAFA Notice, implementing and maintaining the Settlement website, disseminating the Class Notice to the Settlement Class, the processing, review and determination of timely submitted and proper Claims for Reimbursement under the Settlement terms, and the submission of any declarations and other materials to counsel and the Court, as well as any other duties required under the Settlement Agreement.

13. The Departments of Motor Vehicles within the United States, the District of Columbia, Puerto Rico, Guam, and all other United States territories

and/or possessions are ordered to provide approval to the Settlement Administrator, through data aggregators such as Experian, IHS Automotive, Driven by Polk, or otherwise, to obtain and utilize vehicle registration information for the purpose of identifying the names and contact information of purchasers and lessees of Settlement Class Vehicles for the purposes of disseminating the Settlement Class Notice to the Settlement Class Members. Vehicle registration information includes, but is not limited to, owner/lessee name and address information, registration date, year, make, and model of the vehicle. Experian, or any other data aggregator company so retained by the Settlement Administrator or the Parties, is ordered to license the Settlement Class Members' contact information to the Settlement Administrator and/or Defendants solely for the use of providing Settlement Class Notice in the Action and for no other purpose.

14. Any Settlement Class Member who wishes to be excluded from the Settlement Class must mail, by first-class mail, postmarked on or before the date ordered by the Court below, a written request for exclusion ("Request for Exclusion") to the Settlement Administrator at the address specified in the Class Notice. To be effective, the Request for Exclusion must include:

- a. The case name and number of the Action;
- b. The excluding class member's full name, current residential address, mailing address (if different), telephone number, and e-mail address;
- c. An explanation of the basis upon which the excluding Class Member claims to be a Class Member, including the make, model year, and VIN(s) of the Subject Vehicle(s);
- d. A request that the Class Member wants to be excluded from the Class; and
- e. The excluding Class Member's dated, handwritten signature (an electronic signature or attorney's signature is not sufficient).

15. The Settlement Administrator shall forward copies of any written requests for exclusion to Class Counsel, Denso's Counsel, and Subaru's Counsel. A list reflecting all timely requests for exclusion shall be filed with the Court by the Settlement Administrator no later than forty-two (42) days before the Fairness Hearing.

16. Any Settlement Class Member who fails to submit a timely and complete Request for Exclusion sent to the proper addresses shall remain in the Settlement Class and shall be subject to and bound by all determinations, orders and judgments in the Action concerning the Settlement, including but not limited to the Released Claims set forth in the Settlement Agreement, Final Order and Judgment in the Action, even if he, she, they, or it has litigation pending or subsequently initiates litigation against Subaru and/or Denso relating to the claims and transactions released in the Action. Subaru's Counsel shall provide to the Settlement Administrator, within twenty (20) business days of the entry of the Preliminary Approval Order, a list of all counsel for anyone who has then-pending litigation against Subaru relating to claims involving the Covered Vehicles. Denso's Counsel shall provide to the Settlement Administrator, within twenty (20) business days of the entry of the Preliminary Approval Order, a list of all counsel for anyone who has then-pending litigation against Denso relating to claims involving Denso low-pressure fuel pumps in the Covered Vehicles.

17. Any Settlement Class Member who has not submitted a Request for Exclusion may object to the fairness of the Settlement Agreement and/or the requested amount of Class Counsel Fees and Expenses and/or Settlement Class Representative service awards.

- a. To object, a Settlement Class Member must either, on or before the date ordered by the Court below: (1) file their objection electronically with the Court, or (2) mail their objection to (a) the Clerk of the Court,

Mitchell H. Cohen Building & U.S. Courthouse, 4th & Cooper Streets, Camden, NJ 08101; (b) James E. Cecchi, Esq., Carella, Byrne, Cecchi, Olstein, Brody & Agnello, P.C., 5 Becker Farm Rd, Roseland, NJ 07068, on behalf of Class Counsel; (c) Homer B. Ramsey, Esq., Shook, Hardy & Bacon L.L.P., 1 Rockefeller Plaza, Suite 2801, New York, NY 10020 on behalf of Defendant Subaru's counsel; and (d) Daniel Rustmann, Esq., Butzel Long, P.C., 150 West Jefferson, Suite 100, Detroit, MI 48226 on behalf of Defendant Denso's counsel, postmarked on or before the date ordered by the Court below.

- b. Any objecting Settlement Class Member must include the following with their objection: (i) The case name and number of the Action; (ii) The objector's full name, current residential address, mailing address (if different), telephone number, and e-mail address; (iii) An explanation of the basis upon which the objector claims to be a Class Member, including the make, model year, and VIN(s) of the Covered Vehicle(s), and whether the Covered Vehicle is currently owned or currently leased by the Class Member; (iv) whether the objection applies only to the objector, to a specific subset of the Class, or to the entire Class, and all grounds for the objection, accompanied by any legal support for the objection, and any documents or other evidence the objector believes supports the objection; (v) the number of times the objector has objected to a class action settlement within the five years preceding the date that the objector files the objection to this Settlement, the caption and case number of each case in which the objector has made such objection and the caption and case number of any related appeal, and a copy of any orders related to or ruling upon the objector's prior such objections that were issued by the trial and

appellate courts in each listed case; (vi) the full name, telephone number, mailing address, and e-mail address of all counsel who represent the objector, including any former or current counsel who may be entitled to compensation for any reason related to the objection to the Settlement Agreement and/or the request for Attorneys' Fees, Costs and Expenses; (vii) the identity of all counsel representing the objector who will appear at the Fairness Hearing; (viii) the number of times the objector's counsel has objected to a class action settlement within the five years preceding the date that they have filed the objection, and the caption and case number of each case in which objector's counsel has made such objection and the caption and case number of any related appeal; (ix) if the Class Member or his or her counsel have not made any such prior objection, the Class Member shall affirmatively so state in the written materials provided with the objection; (x) a list of all persons who will be called to testify at the Fairness Hearing in support of the objection; (xi) a statement confirming whether the objector intends to personally appear and/or testify at the Fairness Hearing, and; (xii) the objector's original signature and date of signature. Each objection must be personally signed by the objector (an electronic signature or attorney's signature is not sufficient). Any objection that fails to satisfy these requirements shall not be considered by the Court.

- c. Subject to the approval of the Court, any Settlement Class Member who has properly filed a timely objection may appear, in person or by counsel, at the Final Fairness Hearing to explain why the proposed Settlement should not be approved as fair, reasonable and adequate, or to object to any motion for Class Counsel Fees and Expenses or

Settlement Class Representative service awards. In order to appear, any Settlement Class Member must, no later than the objection deadline, file with the Clerk of the Court and serve upon all counsel designated in the Class Notice, a Notice of Intention to Appear at the Final Fairness Hearing. The Notice of Intention to Appear must include copies of any papers, exhibits or other evidence and the identity of all witnesses that the objecting Settlement Class Member (or the objecting Settlement Class Member's counsel) intends to present to the Court in connection with the Final Fairness Hearing. Any Settlement Class Member who does not provide a Notice of Intention to Appear in accordance with the deadline and other requirements set forth in this Order and the Class Notice shall be deemed to have waived any right to appear, in person or by counsel, at the Final Fairness Hearing.

- d. Any Settlement Class Member who has not properly filed a timely objection in accordance with the deadline and requirements set forth in this Order and the Class Notice shall be deemed to have waived any objections to the Settlement and any adjudication or review of the Settlement Agreement by appeal or otherwise.

18. In the event the Settlement is not granted final approval by the Court, or for any reason the parties fail to obtain a Final Order and Final Judgment as contemplated in the Settlement Agreement, or the Settlement is terminated pursuant to its terms for any reason, then the following shall apply:

- a. All orders and findings entered in connection with the Settlement shall become null and void and have no further force and effect, shall not be used or referred to for any purposes whatsoever, and shall not be admissible or discoverable in this or any other proceeding, judicial or otherwise;

- b. All of the Parties' respective pre-Settlement claims, defenses and procedural rights will be preserved, and the parties will be restored to their positions *status quo ante*;
- c. Nothing contained in this Order is, or may be construed as, any admission or concession by or against Defendants, Released Parties or Plaintiffs on any allegation, claim, defense, or point of fact or law in connection with this Action;
- d. Neither the Settlement terms nor any publicly disseminated information regarding the Settlement, including, without limitation, the Class Notice, court filings, orders and public statements, may be used as evidence in this or any other proceeding, judicial or otherwise; and
- e. The preliminary certification of the Settlement Class pursuant to this Order shall be vacated automatically, and the Action shall proceed as though the Settlement Class had never been preliminarily certified.

19. Pending the Final Fairness Hearing and the Court's decision whether to grant final approval of the Settlement, no Settlement Class Member, either directly, representatively, or in any other capacity (including those Settlement Class Members who filed Requests for Exclusion from the Settlement which have not yet been reviewed and approved by the Court at the Final Fairness Hearing), shall commence, prosecute, continue to prosecute, or participate in, against any of the Released Parties, any action or proceeding in any court or tribunal (judicial, administrative or otherwise) asserting any of the matters, claims or causes of action that are to be released in the Settlement Agreement. Pursuant to 28 U.S.C. § 1651(a) and 2283, the Court finds that issuance of this preliminary injunction is necessary and appropriate in aid of the Court's continuing jurisdiction and authority over the Action.

20. Pending the Final Fairness Hearing and any further determination thereof, this Court shall maintain continuing jurisdiction over these Settlement proceedings.

21. The terms and provisions of the Settlement Agreement may be amended, modified, or expanded by written agreement of the Parties and approval of the Court; provided, however, that after entry of the Final Order and Final Judgment, the Parties may by written agreement effect such amendments, modifications, or expansions of this Settlement Agreement and its implementing documents (including all exhibits) without further notice to the Class or approval by the Court if such changes are consistent with the Court’s Final Order and Final Judgment and do not limit the rights of Class Members under the Settlement Agreement.

22. Based on the foregoing, the Court sets the following Settlement deadlines. If any deadline set forth in this Order falls on a weekend or federal holiday, then such deadline shall extend to the next business day. These deadlines may be extended by order of the Court, for good cause shown, without further notice to the Class. Settlement Class Members must check the Settlement website regularly for updates and further details regarding this Settlement:

Cohen v. Subaru

SETTLEMENT NOTICE PLAN

NOTICE PLAN OBJECTIVE

The objective of the proposed Notice Plan is to provide the best notice practicable, consistent with the methods and tools employed in other court-approved notice programs. The Federal Judicial Center's (FJC) *Judges' Class Action Notice and Claims Process Checklist and Plain Language Guide* considers a Notice Plan with a high reach (above 70%) effective.¹

CLASS DEFINITION

The Class or Class Members consist of all individuals or legal entities who, at any time as of the entry of the Initial Notice Date, own or owned, purchase(d) or lease(d) Covered Vehicles in any of the fifty States, the District of Columbia, Puerto Rico, and all other United States territories and/or possessions.

CASE INFORMATION

JND's proposed Notice Plan was designed based on the following case information:

1. The case alleges defective fuel delivery system which causes the car to stall or lose power while in motion.
2. An estimated 1,388,532 vehicles or VINs are affected.
3. The Class is estimated to include 2.3 million Class Members.
4. Direct notice will be mailed to all Class Member postal addresses located via VINs.
5. The direct notice effort will reach the vast majority of Class Members.
6. A supplemental media campaign will be used to further extend the reach of notice.

¹ Reach is the percentage of a specific population group exposed to a media vehicle or a combination of media vehicles containing a notice at least once over the course of a campaign. Reach factors out duplication, representing total different/net persons.

NOTICE PLAN STRATEGIES

Direct notice will be mailed to all Class Members located through VIN searches. To supplement the direct notice effort, JND proposes a 4-week digital campaign that will specifically target Class Members using: (1) a custom audience list match of Class Member data via Google Display Network (“GDN”), Facebook, and Instagram; and (2) VIN targeting through iHeart Automotive Connection (“IAC”). JND will also establish and maintain an informational case website, toll-free number, post office box, and email address for this matter.

NOTICE PLAN DETAILS

Direct Notice

For purposes of identifying Class Members, JND will obtain from Polk/IHS Markit or Experian the names and current or last known addresses of both current and former Class Vehicle owners and lessees that can reasonably be obtained, based upon the VINs of Class Vehicles to be provided by Subaru.

Prior to mailing the Class Notice, JND will conduct an address search through the U.S. Postal Service’s National Change of Address database to update the address information for Class Vehicle owners and lessees. For any individual Class Notice that is returned as undeliverable, JND will re-mail the Class Notice where a forwarding address has been provided. For any remaining undeliverable notice packets where no forwarding address is provided, JND will perform an advanced address search (e.g., a skip trace) and re-mail any undeliverable to the extent any new and current addresses are located.

The Class Notice will contain all required information as well as a sentence in Spanish directing Class Members to the case website for a copy of the Long Form Notice translated to Spanish.

Supplemental Digital Campaign

To supplement the direct notice effort, JND proposes serving approximately **20 million digital impressions**² based on the targeting strategies outlined below.

- **Custom Audience Targeting:** The process begins with JND providing the platforms with Class Member data containing first/last names and phone number and/or postal addresses. GDN will then match the provided Class data with their own first-party data which they collect through Gmail, YouTube, Chrome registrations, etc. Likewise, Facebook/Instagram will match the provided data with their account user data. All matches will be added to a “Custom Audience” list. Ads will then be served to the Custom Audience while they are active on GDN, Facebook, and Instagram over the course of campaign. The matched Class Member must be active on GDN, Facebook, or Instagram during the campaign period in order to be served an ad. The Class Member data will not be used for any purpose other than for the customer match campaign.
- **iHeart Automotive Connection (IAC) Targeting:** IAC is typically used by dealers to reach out to current owners regarding maintenance/service or encourage them to buy a new car. IAC is able to serve email notice, which will include a sentence in Spanish

² Impressions or Exposures are the total number of opportunities to be exposed to a media vehicle or combination of media vehicles containing a notice. Impressions are a gross or cumulative number that may include the same person more than once. As a result, impressions can and often do exceed the population size.

directing recipients to the case website for a copy of the Long Form Notice translated to Spanish, to all affected VINs. IAC will then serve ads via GDN to those Class Members who open the email that was sent. Spanish banner ads will be served to those email recipients identified as Spanish speakers.

The digital activity will be served across all devices (desktop, laptop, tablet and mobile), with an emphasis on mobile devices. The digital ads will directly link to the case website, where Class Members may access more information about the settlement, as well as file an electronic claim.

Case Website, Toll-Free Line, Email Address and Post Office Box

JND will establish and maintain an informational case-specific **website**, which will have an easy-to-navigate design and will be formatted to emphasize important information and deadlines. The website will include a page with answers to frequently asked questions, contact information, key dates, and links to important case documents, including the Long Form Notice (in English and Spanish) and the Settlement Agreement. The website will also include information on how potential Class Members can opt-out or object to the Settlement if they choose. The case website will feature an online claim form and a VIN Look-up tool. JND will work with the parties to design the online claims submission process to be streamlined and efficient for Class Members. Additionally, a claim form will be posted on the settlement website for download for Class Members who prefer to submit a claim form by mail.

The case website will be ADA-compliant and optimized for mobile visitors so that information loads quickly on mobile devices and will also be designed to maximize search engine optimization through Google and other search engines. Keywords and natural language search terms will be included in the site's metadata to maximize search engine rankings. The website address will be prominently displayed in all printed notice documents, and directly accessible through the digital notices.

JND will also establish and maintain a 24-hour, **toll-free telephone line** that Class Members can call to obtain information about the settlement; a dedicated **email address** to receive and respond to Class Member inquiries; and a **post office box** to receive Class Member correspondence, paper claims, objections, and exclusion requests.

PLAN IMPLEMENTATION

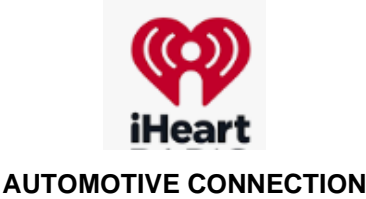

JND will place a **Google Analytics** (GA4) pixel across all case landing pages to monitor and track website traffic. Through the use of Google Analytics and custom UTM codes, our digital experts will be able to monitor the number of website visits, average time spent per visit, and the number of pages visited per session. Data will be broken down by source, or referring website, in order to make optimizations based on media placements that are driving the longest time on site and the largest number of claim form submissions. Demographic data such as age and gender, will be reviewed and optimized towards those groups who prove to be the most responsive and interactive with the case website.

PLAN DELIVERY

The direct notice alone will effectively reach Class Members. The customized digital campaign will extend reach and notice exposure further. The estimated reach is similar to that of other court approved programs and meets the standard set forth by the FJC.

- A proposed settlement has been preliminarily approved by the Court in a class action lawsuit against Subaru of America, Inc. (“Subaru”) and Denso International America, Inc. (“Denso”) (collectively, “Defendants”) concerning certain Subaru vehicles equipped with Denso low-pressure fuel pumps. If you are included in the Settlement, then you have legal rights and options, and there are deadlines by which you must exercise them.
- You are included in the Settlement if you own(ed) or lease(d) certain Subaru vehicles (“Covered Vehicles”) equipped with low-pressure fuel pumps supplied by Denso and its affiliates (the “Fuel Pumps”). The Covered Vehicles include certain 2018-2020 Subaru Impreza, Outback, Legacy, Forester, Ascent, BRZ, and WRX vehicles (called “Recalled Vehicles”), and certain 2017-2020 Subaru Impreza, Outback, Legacy, Forester, Ascent, Crosstrek, BRZ, and WRX vehicles (called “Additional Vehicles”). **The settlement website contains a VIN lookup tool to determine if your vehicle is part of the Class.**
- The Settlement offers several benefits, depending on the vehicle, including (1) an Extended Replacement Parts Limited Warranty for Recalled Vehicles of 15 years, measured from the date of replacement, or 150,000 miles, whichever comes first, for replacement fuel pump assemblies pursuant to certain recalls issued by Subaru, and (2) a Customer Support Program for Additional Vehicles in the form of an Extended New Vehicle Limited Warranty providing prospective coverage of 15 years, measured from the date of original sale or lease, for any repairs to correct defects in original equipment Fuel Pumps. The Settlement also offers a complimentary Loaner/Towing Program for vehicles undergoing Fuel Pump repairs, reimbursement of certain out of pocket expenses, a reconsideration procedure for denied repair requests under the Customer Support Program and Extended Replacement Parts Limited Warranty. The terms are described in more detail below, in the Settlement Agreement, and on the settlement website, www.SubaruFuelPumpsSettlement.com.

Please read this Notice carefully. Your legal rights are affected, whether you act or do not act. You are encouraged to periodically check the website, www.██████████.com, because it will be updated with additional information from time to time.

A. BASIC INFORMATION

1. What is this Notice about?

A Court authorized this Notice because you have a right to know about a proposed settlement of a class action lawsuit and about all of your options before the Court decides whether to give final approval to the settlement. The name of the lawsuit is *Cohen, et al., v. Subaru of America, Inc., et al.*, Case No. 1:20-cv-08442-JHR-AMD (D.N.J.) (the “Action”). The defendants are Subaru of America, Inc. and Denso International America, Inc. This Notice explains the lawsuit, the settlement, and your legal rights. You are NOT being sued. The Court still has to decide whether to finally approve the Settlement. Please be patient and check the website identified in this Notice regularly. Please do not contact the Court. All questions should be directed to the Settlement Administrator, identified below.

2. What is the lawsuit about?

The class action lawsuit claims that certain Subaru vehicles are equipped with Denso-manufactured low-pressure fuel pumps that may contain a defect. The lawsuit asserts that such defects may potentially cause those fuel pumps to malfunction or become inoperative and pursues claims for violations of various state consumer protection statutes, among other claims. You can read the class action complaint by visiting www.██████████.com. Subaru and Denso deny the claims and any right to relief, deny that they have violated any law, and deny that they engaged in any wrongdoing. The parties agreed to resolve these matters before these issues were decided by the Court.

This settlement does not involve claims of personal injury, wrongful death, or actual physical property damage arising from the Covered Vehicles.

3. What vehicles are included in the settlement?

Certain 2018-2020 Subaru Impreza, Outback, Legacy, Forester, Ascent, BRZ, and WRX vehicles (“Recalled Vehicles”), and certain 2017-2020 Subaru Impreza, Outback, Legacy, Forester, Ascent, Crosstrek, BRZ, and WRX vehicles (“Additional Vehicles”), equipped with certain Denso fuel pumps (together called the “Covered Vehicles”) which were owned or leased in the United States, the District of Columbia, Puerto Rico and all other United States territories and/or possessions, are included in the settlement.

4. Why is this a class action?

In a class action, people called “Class Representative(s)” sue on behalf of other people who have similar claims. All of these people together are the “Class” or “Class Members” if the Court approves this procedure. Once approved, the Court resolves the issues for all Class Members, except for those who exclude themselves from the Class.

5. Why is there a settlement?

The Court has not decided in favor of the Plaintiffs or Defendants. Instead, both sides agreed to a Settlement with no decision or admission of who is right or wrong. That way, all parties avoid the risks and cost of a trial, and the people affected (the Class Members) will receive benefits quickly. This settlement has been preliminarily approved by the Court, which authorized the issuance of this Notice. The Class Representatives and the attorneys believe that the settlement is in the best interests of all Class Members.

The essential terms of the settlement are summarized in this Notice. The Settlement Agreement along with all exhibits and addenda sets forth in greater detail the rights and obligations of the parties. If there is any conflict between this Notice and the Settlement Agreement, the Settlement Agreement governs. The Settlement Agreement will be available on the Settlement Website, www.SubaruFuelPumpsSettlement.com.

B. WHO IS IN THE SETTLEMENT?

To see if you are affected or if you can get benefits, you first have to determine whether you are a Class Member.

6. How do I know if I am part of the settlement?

The Court has conditionally approved the following definition of “Class” or “Class Member” for purposes of the Settlement: All individuals or legal entities who, as of the Initial Notice Date, own or owned, purchase(d) or lease(d) Covered Vehicles in any of the fifty States, the District of Columbia, Puerto Rico, and all other United States territories and/or possessions.

Excluded from the Class are: (a) Subaru, its officers, directors and employees; its affiliates and affiliates’ officers, directors and employees; its distributors and distributors’ officers, directors and employees; and Subaru Dealers and Subaru Dealers’ officers and directors; (b) Denso, its officers, directors and employees; its affiliates and affiliates’ officers, directors and employees; its distributors and distributors’ officers, directors and employees; (c) Plaintiffs’ Counsel; and (d) judicial officers and their immediate family members and associated court staff assigned to this case.

In order to determine if you are a part of the Settlement, you can look up your vehicle’s VIN on the Settlement Website, [www. \[REDACTED\].com](http://www. [REDACTED].com). You can also contact the Settlement Administrator or Class Counsel to determine whether your vehicle is eligible for the Extended Replacement Parts Limited Warranty or the Customer Support Program. You can also contact the Settlement Administrator to determine whether your vehicle is eligible for the Out-of-Pocket Claims Process. The contact information for the Settlement Administrator and Class Counsel is provided below and at [www. \[REDACTED\].com](http://www. [REDACTED].com).

7. I’m still not sure if I’m included in the settlement.

If you are still not sure whether you are included in the Class, you can get more information by calling the Settlement Administrator at [1- [REDACTED] - [REDACTED]] or visiting [www. \[REDACTED\].com](http://www. [REDACTED].com), which contains a

If you believe that you are a Class Member, but you did not previously receive a Direct Mail Notice, you may contact the Settlement Administrator or Class Counsel. You will need to provide necessary documentation for the Settlement Administrator to confirm that you are a Class Member eligible for the relief provided in the Settlement Agreement.

Please do not contact the Court. All questions should be directed to the Settlement Administrator at the number above.

C. THE SETTLEMENT BENEFITS—WHAT YOU GET AND HOW TO GET IT

8. What does the settlement provide?

If you are a Class Member, what you are eligible to receive depends on several factors. The Settlement benefits are outlined generally below, and more information can be found on the Settlement Website. The Court still must decide whether to finally approve the Settlement. No benefits will be provided until and unless the Court finally approves the Settlement and, even then, only after any appeal period expires or any appeals are resolved in favor of the Settlement. After the issuance of the Preliminary Approval Order signed by the Court, Defendants, at their sole discretion, may, after consultation with Class Counsel, implement the Customer Support Program in advance of the occurrence of the Final Effective Date. We do not know when or if the Court will finally approve the Settlement or whether there will be any appeals that would have to be resolved in favor of the Settlement before certain benefits would be provided, so we do not know precisely when any benefits may be available. Please check www.██████████.com regularly for updates regarding the Settlement.

Please note that you may have to take action within certain deadlines to receive certain benefits, such as completing and submitting a claim form with supporting documentation and declaration(s) for reimbursement of eligible out-of-pocket expenses. If you do nothing, you may not receive certain benefits from the Settlement. Please check www.██████████.com regularly for updates regarding the Settlement and deadlines.

To determine whether your vehicle is a Recalled Vehicle or an Additional Vehicle, please utilize the VIN lookup tool at www.██████████.com.

a. Recalled Vehicles: Extended Replacement Parts Limited Warranty

If the Settlement is finally approved, including resolving any appeals in favor of upholding the Settlement, the Extended Replacement Parts Limited Warranty will be implemented for Class Members who still own or lease their Recalled Vehicles.

Subaru shall extend the Replacement Parts Limited Warranty coverage for the fuel pump replaced (“replacement fuel pump assembly”) on the Recalled Vehicles pursuant to Recalls 20V-218 and 21V-587. The extended warranty will last for 15 years, measured from the date of replacement of the fuel pump, and up to 150,000 miles, whichever comes first. A Class Member’s rights under the Extended Replacement Parts Limited Warranty are transferred with the Recalled Vehicle.

Without cost to and upon request from Class Members who own or lease Recalled Vehicles whose fuel pumps are being replaced pursuant to the Extended Replacement Parts Limited Warranty, Class Members shall be provided with a loaner or rental vehicle by Subaru Dealers upon reasonable notice. Class Members may keep the Loaner Vehicle for up to 24 hours after dropping off the Recalled Vehicle for repair, or 24 hours after being informed by a Subaru Dealer that the Recalled Vehicle is repaired, whichever is later. In appropriate circumstances, where the Class Member has a demonstrated need for a Loaner Vehicle similar to the Recalled Vehicle, Subaru Dealers will use good faith efforts to satisfy the request. If the Recalled Vehicle is inoperable or is exhibiting a dangerous condition, Class Members are entitled to a complimentary tow to the nearest Subaru Dealer upon reasonable notice. All other terms and exclusions of the New Vehicle Limited Warranty shall continue to apply unless expressly altered by this settlement.

b. Additional Vehicles: Customer Support Program

If the Settlement is finally approved, including resolving any appeals in favor of upholding the Settlement, the Customer Support Program in the form of an Extended New Vehicle Limited Warranty will be implemented for Class Members who still own or lease their Additional Vehicles.

Subaru will offer the Customer Support Program (“CSP”) to all Class Members who, as of the Final Effective Date of the Settlement, own or lease Additional Vehicles. A Class Member’s rights under the CSP are transferred with the Additional Vehicle. Salvaged Vehicles, inoperable vehicles, and vehicles with titles marked flood-damaged are not eligible for this benefit. The CSP will provide prospective coverage for repairs (including parts and labor) needed to correct defects, if any, in materials or workmanship in the Fuel Pumps for the Additional Vehicles. The implementation of the CSP will begin no later than 30 days after the Final Effective Date of the Settlement. Coverage under the CSP for the original parts will continue for 15 years, measured from the vehicle’s In-Service Date, which is the date the Additional Vehicle was first delivered to either the original purchaser or the original lessee, or first placed in service as a “demonstrator” or “company” car. After the issuance of the Preliminary Approval Order signed by the Court, Defendants, at their sole discretion, may, after consultation with Class Counsel, implement the Customer Support Program prior to the Final Effective Date.

All other terms and exclusions of the New Vehicle Limited Warranty shall continue to apply unless expressly altered by this settlement. In the event that any of the Additional Vehicles becomes the subject of a future or expanded recall for the same or similar impeller issues, those Additional Vehicles will then be entitled and only be entitled to the same relief provided to Recalled Vehicles, as discussed above and specified in the Settlement Agreement.

c. Out-of-Pocket Claims Process

If the Settlement is finally approved, including resolving any appeals in favor of upholding the Settlement, Class Members can submit a claim within the Claim Submission Period, to be reimbursed for previously paid out-of-pocket expenses incurred to repair or replace a Fuel Pump of Covered Vehicles, including related rental vehicles or towing as specified in the Settlement Agreement, that were not otherwise reimbursed and that were incurred before the expiration of the time to appeal from the Final Judgment approving the Settlement. For out-of-pocket expenses that were incurred after the Initial Notice Date, the Class Member must also provide proof that they were denied coverage by a Subaru Dealer prior to incurring the expense. The Claim Submission Period will run from Initial Notice Date until 90 days after the Court issues the Final Order and Judgment.

In order to submit a claim, Class Members must: (a) complete and timely submit a Claim Form, with the required Supporting Documentation, to the Settlement Administrator within the Claim Submission Period; (b) have Claims that are eligible for reimbursement; and (c) not opt out of the Settlement. The Claim Form is available at www.SubaruFuelPumpsSettlement.com and can be submitted in either paper form by mail, or online. Class Members can submit only one Claim Form per Covered Vehicle.

Claims must be submitted with all of the following Supporting Documentation: (1) a repair invoice or record for out-of-pocket expenses incurred to repair or replace a Fuel Pump of a Covered Vehicle, and/or associated towing or rental car expense, which identifies the name of the Class Member, the Covered Vehicle, the Subaru Dealer or other facility that performed the qualifying repair and/or associated towing or rental car expense, and the date of and amount charged for the qualifying repair and/or associated towing or rental car expense; and (2) to the extent not included in the record in subsection (1) above, record(s), receipt(s) and/or invoice(s) demonstrating that the Class Member paid for the qualifying repair and/or associated towing or rental car expense.

Fuel Pump on a Covered Vehicle may be reimbursed for: (i) rental vehicles; (ii) towing; and (iii) any unreimbursed repairs or part replacements. Out-of-pocket expenses that are the result of damage, collision, and/or misuse/abuse will not be eligible for reimbursement. Vehicles where the title, prior to the date of the qualifying Fuel Pump repair, was transferred to a salvage yard, junkyard, wreckage facility, or similar entity, inoperable vehicles, and vehicles with titles marked flood-damaged are not eligible for this benefit.

To be eligible for reimbursement, you must submit a timely Claim Form with Supporting Documentation and declaration(s), and the expenses must have been incurred prior to [date]. The deadline to submit Claim Forms with Supporting Documentation and declaration(s) is ninety (90) days after the Court issues the Final Order and Final Judgment, which will occur, if approved, after the Fairness Hearing.

The Settlement Administrator will determine whether Claims are complete and timely. If your Claim is deficient, the Settlement Administrator will mail you a letter requesting that you complete and/or correct the deficiencies and resubmit the Claim within sixty (60) days. If you fail to provide the requested documentation or information, your Claim will be denied.

The Settlement Administrator will review your Claim and other Claims that are submitted and determine if reimbursement is owed. Review of Claims should be completed within sixty (60) days of receipt, but this review period is not required to begin any earlier than sixty (60) days after the Final Effective Date.

If the Claim is rejected for payment, in whole or in part, the Settlement Administrator shall notify Class Counsel, Subaru's Counsel, and Denso's Counsel of said rejection of Class Member's Claim and the reason(s) why within sixty (60) days of the rejection. The decision of the Settlement Administrator shall be final; provided, however, that Class Counsel, Subaru's Counsel, and Denso's Counsel may meet and confer to resolve any denied Claims. If Class Counsel, Subaru's Counsel, and Denso's Counsel jointly recommend payment of the rejected Claims or payment of a reduced claim amount, then Subaru's Counsel and/or Denso's Counsel shall inform the Settlement Administrator, who shall then pay said Claims. If Class Counsel, Subaru's Counsel, and Denso's Counsel disagree with the Settlement Administrator's initial determination, they shall so notify the Settlement Administrator, with explanation, and the Settlement Administrator shall make a final determination as to whether the Claim shall be paid. If a Claim is rejected in full or in part, the Settlement Administrator shall mail a notice of rejection letter to the Class Member and email notice to the Class member if an e-mail address was provided.

d. Reconsideration Procedure for Denial of Coverage

If a Class Member and/or subsequent purchaser/lessee of a Covered Vehicle is denied coverage for repairs (including parts and labor), if any, in materials or workmanship in the Fuel Pumps under the Customer Support Program, or for a repair and/or replacement fuel pump assembly under the Extended Replacement Parts Limited Warranty, the Class Member and/or subsequent purchaser/lessee may take the Covered Vehicle to a second Subaru Dealer for an independent determination. If the second Subaru Dealer determines that the Covered Vehicle qualifies for repair under the Customer Support Program or the Extended Replacement Parts Limited Warranty, the Class Member shall be provided those benefits as provided in the Settlement Agreement.

e. Technical Training

Subaru will make Technical Training videos available to Subaru Dealers, to be required to be viewed by technicians before they conduct repairs of the Fuel Pumps pursuant to the Customer Support Program or the Extended Replacement Parts Limited Warranty.

9. How do I dispute the refusal of a benefit under the Settlement Agreement?

In the event there remains a dispute by an individual or entity relating to entitlement to any benefit under the Out-of-Pocket Claims Process that is not resolved after exhausting all other means of resolution available under the Settlement, the Settlement Administrator shall provide a written notice of same, together with all necessary documentation, to Class Counsel, Subaru's Counsel and Denso's Counsel within thirty (30) days of the final act constituting the denial of the benefit. Class Counsel, Subaru's Counsel, and Denso's Counsel shall confer and either make a joint recommendation to the Settlement Administrator or separately relay their positions concerning the dispute to the Settlement Administrator within thirty (30) days. The Settlement Administrator shall make a final determination concerning the dispute and provide written notice of same, with directions for implementation, to the Parties within thirty (30) days; provided, however, that if the determination was to allow, in full or in part, a previously denied Claim, the Settlement Administrator shall make reasonable efforts to pay the Claim in the next distribution of checks for allowed Claims.

10. What am I giving up in exchange for the settlement benefits?

Unless you exclude yourself by taking the steps described in Section D below, you will remain in the Class, and that means that you will be bound by the release of claims and cannot sue, continue to sue, or be part of any other lawsuit about the same matters, claims, and legal issues that were or could have been asserted in this case and the Released Claims set forth in the Settlement Agreement; provided, however, the Settlement will not be releasing any claims for personal injury, wrongful death or physical property damage (except to the Fuel Pump in the Covered Vehicle itself) from the Covered Vehicle. It also means that all of the Court's orders and judgments will apply to you and legally bind

you. The specific claims and parties you will be releasing are set forth in Section VII of the Settlement Agreement, a copy of which is available for review at www.██████████.com.

You can talk to one of the lawyers listed in Question 14 below for free or you can, of course, talk to your own lawyer at your own expense if you have questions about the released claims or what they mean.

D. EXCLUDING YOURSELF FROM THE SETTLEMENT

If you want to keep the right to sue or continue to sue Defendants over the legal issues in the lawsuit, then you must take steps to exclude yourself from this Settlement. This is also known as “opting out” of the Class.

11. If I exclude myself, can I get anything from this settlement?

No, if you exclude yourself, you do not get settlement benefits and you will not be bound by anything that happens in this lawsuit. If you ask to be excluded, you cannot object to the settlement and you should not submit a Claim Form.

12. If I do not exclude myself, can I sue later?

No, not for the same matters and legal claims that were or could have been asserted in the Action or Released Claims, unless your claim is for personal injury, wrongful death or property damage (other than damage to the Fuel Pump in the Covered Vehicle itself).

13. How do I get out of the settlement?

To exclude yourself from the Settlement, you must submit a written request saying that you want to be excluded from the Settlement. **In your letter, you must include: (a) the case name and number of the Action, *Cohen, et al., v. Subaru of America, Inc. et al.*, Case No. 1:20-cv-08442-JHR-AMD (D.N.J.); (b) the excluding Class Member’s full name, current residential address, mailing address (if different), telephone number, and email address; (c) an explanation of the basis upon which the excluding Class Member claims to be a Class Member, including the make, model year, and VIN(s) of the Covered Vehicle(s); (d) a request that the Class Member wants to be excluded from the Class; and (e) the excluding Class Member’s dated, handwritten signature (an electronic signature or attorney’s signature is not sufficient).** You can’t ask to be excluded over the phone or at the Settlement Website. You **must** mail your letter with your exclusion request postmarked no later than **[date]** to:

[Settlement Administrator contact and address]

To be considered by the Court, your letter with your exclusion request must be postmarked no later than **[date]**. The deadlines found in this Notice may be changed by the Court. Please check www.██████████.com regularly for updates regarding the Settlement.

15. How will the lawyers be paid?

The law firms that worked on this Action will file an application with the Court requesting an award of reasonable Attorneys’ fees, costs, and expenses (“Fees and Expenses”), separate and apart from any relief provided to the Class, in the collective combined total sum of \$15,500,000. Class Counsel have agreed not to accept any Fees and Expenses in excess of that combined total sum. Plaintiffs’ request for Fees and Expenses will be subject to the Court’s approval at the Final Approval Hearing, where any Class Member who submits a proper objection will have an opportunity to comment on the propriety of these requests. .

Class Counsel will also ask the Court for service awards to each of the Class Representatives, in the amount of either \$2,500 or \$3,750 each.

The Court must approve the request for Attorneys’ Fees, Costs, and Expenses and the request for Class Representative service awards. Class Counsel will file the motion for Attorneys’ Fees, Costs, and Expenses and the request for Class Representative service awards with the Court, which will then be posted on the Settlement Website. **Any award for Attorneys’ Fees, Costs and Expenses, and any service awards to Class Representatives, will be paid separately by Defendants and will not reduce any benefits available to Class Members under the Settlement. You won’t have to pay these Fees and Expenses.**

F. OBJECTING TO THE SETTLEMENT

16. How do I tell the Court if I do not like the settlement?

If you are a member of the Class and do not request to be excluded, you can tell the Court you like the Settlement and it should be approved, or you can ask the Court to deny approval by filing a written objection. You can object to the Settlement and/or to Class Counsel's requests for Fees and Expenses and Class Representative service awards. You cannot ask the Court to order a different settlement; the Court can only approve or reject the proposed Settlement. If the Court denies approval of the Settlement, no expense reimbursement payments will be made, no extended warranty or other relief will be provided, and the Action will continue. If that is what you want to happen, you must object on a timely basis. You are not required to submit anything to the Court unless you are objecting or wish to be excluded from the Settlement.

To object, you must either file electronically with the Court, or mail to the Clerk of the Court and to the attorneys identified below, a written objection **signed by you** saying that you object to the Settlement in *Cohen, et al., v. Subaru of America, Inc., et al.*, Case No. 1:20-cv-08442-JHR-AMD (D.N.J.). Your objection must be either filed electronically with the Court by **[date in PA order]**, or mailed to the Clerk of the Court and to the attorneys identified below with a postmark dated no later than **[date in PA order]**.

In your objection, you, as the objector, must include: (a) the case name and number of the Action; (b) the objector's full name, current residential address, mailing address (if different), telephone number, and email address; (c) an explanation of the basis upon which the objector claims to be a Class Member, including the make, model year, and VIN(s) of the Covered Vehicle(s), and whether the Covered Vehicle is currently owned or currently leased by the Class Member; (d) whether the objection applies only to the objector, to a specific subset of the Class or to the entire Class and all grounds for the objection, accompanied by any legal support for the objection, and any documents or other evidence the objector believes supports the objection; (e) the number of times the objector has objected to a class action settlement within the five years preceding the date that the objector files the objection to this Settlement, the caption and case number of each case in which the objector has made such objection and the caption and case number of any related appeal, and a copy of any orders related to or ruling upon the objector's prior such objections that were issued by the trial and appellate courts in each listed case; (f) the full name, telephone number, mailing address, and e-mail address of all counsel who represent the objector, including any former or current counsel who may be entitled to compensation for any reason related to the objection to the Settlement Agreement and/or the request for Attorneys' Fees, Costs and Expenses; (g) the identity of all counsel representing the objector who will appear at the Fairness Hearing; (h) the number of times the objector's counsel has objected to a class action settlement within the five years preceding the date that they have filed the objection, and the caption and case number of each case in which objector's counsel has made such objection and the caption and case number of any related appeal; (i) if the Class Member or his or her counsel have not made any such prior objection, the Class Member shall affirmatively so state in the written materials provided with the objection; (j) a list of all persons who will be called to testify at the Fairness Hearing in support of the objection; (k) a statement confirming whether the objector intends to personally appear and/or testify at the Fairness Hearing; and (l) the objector's original signature

17. What is the difference between objecting and excluding?

Objecting is telling the Court that you do not like something about the Settlement, the requested fees, costs and expenses, and/or Class Representative service awards. You can object only if you stay in the Class. Excluding yourself is telling the Court that you do not want to be part of the Class. If you exclude yourself, you have no basis to object because the Settlement no longer affects you.

G. THE COURT'S FAIRNESS HEARING

The Court will hold a hearing to decide whether to grant final approval to the Settlement. If you have filed an objection on time and attend the hearing, you may ask to speak (provided you have previously filed a timely notice of intention to appear), but you do not have to attend or speak.

18. When and where will the Court decide whether to grant final approval of the settlement?

The Court will hold a Fairness Hearing at **[time] a/p.m. Eastern time on [date]**, at the United States District Courthouse, District of New Jersey, Mitchell H. Cohen Building & U.S. Courthouse, 4th & Cooper Streets, Courtroom 5D, Camden, NJ 08101. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate, and whether to approve the request for attorneys' fees, costs and expenses, and the request for Class Representative service awards. If there are objections, the Court will consider them. The Court will only listen to people who have met the requirement to speak at the hearing (*see* Question 20 below). After the hearing, the Court will decide whether to grant final approval of the Settlement, and, if so, how much to pay the lawyers representing Class Members and the Class Representatives. We do not know how long these decisions will take. The Court may reschedule the Fairness Hearing, so check the Settlement Website periodically for further updates.

19. Do I have to come to the hearing?

No. Class Counsel will answer any questions the Court may have. But you may come at your own expense. If you send an objection, you do not have to come to Court to talk about it. You may also pay your own lawyer to attend. Your objection will be considered by the Court whether you or your lawyer attend or not.

20. May I speak at the hearing?

You or your attorney may ask the Court for permission to speak at the Fairness Hearing. To do so, you must send a letter saying that it is your "Notice of Intent to Appear in *Cohen, et al., v. Subaru of America, Inc., et al.*," to the Clerk of Court so that it is received and filed no later than **[DATE IN PA ORDER]**. You must include your name, address, telephone number, the year, make and model and VIN number of your vehicle, the identity of all counsel representing the objector, if any, who will appear at the Fairness Hearing, and your signature. Anyone who has requested permission to speak must be present at the start of the Fairness hearing at **[time] a.m./p.m. Eastern time on [date]**. You cannot speak at the hearing if you excluded yourself from the Class.

Appendix B – Section VII from the Settlement Agreement – Release and Waiver

A. The Parties agree to the following release and waiver, which shall take effect upon entry of the Final Judgment and Final Order.

B. In consideration for the Settlement Agreement, Class Representatives, and each Class Member, on behalf of themselves and any other legal or natural persons who may claim by, through, or under them, agree to fully, finally, and forever release, relinquish, acquit, and discharge the Released Parties from any and all claims, demands, suits, petitions, liabilities, causes of action, rights, and damages of any kind and/or type regarding the subject matter of the Action, including, but not limited to, compensatory, exemplary, punitive, expert and/or attorneys’ fees or by multipliers, whether past, present, or future, mature, or not yet mature, known or unknown, suspected or unsuspected, contingent or non-contingent, derivative or direct, asserted or un-asserted, whether based on federal, state or local law, statute, ordinance, regulation, code, contract, common law, violations of any state’s deceptive, unlawful, or unfair business or trade practices, false, misleading or fraudulent advertising, consumer fraud or consumer protection statutes, any breaches of express, implied or any other warranties, RICO, or the Magnuson-Moss Warranty Act, or any other source, or any claim of any kind arising from, related to, connected with, and/or in any way involving the Action, the Covered Vehicles’ Fuel Pumps, and/or associated parts that are, or could have been, defined, alleged, or described in the Class Action Complaint, the Action, or any amendments of the Class Action Complaint (“Released Claims”); provided, however, that notwithstanding the foregoing, Class Representatives and the other Class Members are not releasing claims for personal injury, wrongful death or physical property damage (except to the Fuel Pump in the Covered Vehicle itself) from the Covered Vehicle.

C. Notwithstanding the foregoing, Class Representatives and/or the other Class Members shall hold Released Parties harmless for all Released Claims that may be asserted by another legal or natural person (including but not limited to legal guardians and estate administrators) who claim by, through, or under that Class Representative or Class Member.

D. The Final Order and Judgment will reflect the terms of this Release.

E. Class Representatives, on behalf of the other Class Members and through Class Counsel, expressly agree that this Release, the Final Order and Judgment is, will be, and may be raised as a complete defense to, and will preclude any action or proceeding encompassed by, this Release.

F. Class Representatives and Class Members shall not now or hereafter institute, maintain, prosecute, assert, and/or cooperate in the institution, commencement, filing, or prosecution of any suit, action, and/or proceeding, against the Released Parties, either directly or indirectly, on their own behalf, on behalf of a class or on behalf of any other person or entity with respect to the claims, causes of action and/or any other matters released through this settlement and the Settlement Agreement.

G. In connection with the Settlement Agreement, Class Representatives, on behalf of the other Class Members, acknowledge that they and other Class Members may hereafter discover claims presently unknown or unsuspected, or facts in addition to or different from those that they now know or believe to be true concerning the subject matter of the Action and/or the Release herein. Nevertheless, it is the intention of Class Counsel and Class Representatives in executing this Settlement Agreement to fully, finally, and forever settle, release, discharge, and hold harmless all such matters, and all claims relating thereto which exist, hereafter may exist, or might have existed (whether or not previously or currently asserted in any action or proceeding) with respect to the Action, provided, however, that Class Representatives and the other Class Members are not releasing claims

for personal injury, wrongful death or physical property damage (except to the Fuel Pump in the Covered Vehicle itself) from the Covered Vehicle.

H. Class Representatives expressly understand and acknowledge that they will be deemed by the Final Order and Judgment to acknowledge and waive Section 1542 of the Civil Code of the State of California, which provides that:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Civil Action No. 1:20-cv-08442-JHR-AMD

**DECLARATION OF
GINA INTREPIDO-BOWDEN
RE: SETTLEMENT NOTICE PLAN**

I, GINA INTREPIDO-BOWDEN, declare and state as follows:

1. I am a Vice President at JND Legal Administration LLC (“JND”). I am a nationally recognized legal notice expert with more than 20 years of experience designing and implementing class action legal notice programs. I have been involved in many of the largest and most complex class action notice programs, including all aspects of notice dissemination. A comprehensive description of my experience is attached as **Exhibit A**.

2. This Declaration is based on my personal knowledge, as well as upon information provided to me by experienced JND employees and the Parties, and, if called upon to do so, I could and would testify competently thereto.

3. I submit this Declaration at the request of the Parties in the above-referenced action to describe the proposed program for providing notice to Class Members (the “Notice Plan”) and address why it is consistent with other best practicable court-approved notice programs and the requirements of Rule 23 of the Federal Rules of Civil Procedure (“Rule 23”), the Due Process Clause of the United States Constitution, and the Federal Judicial Center (“FJC”) guidelines for best practicable due process notice.

EXPERIENCE

4. JND is a leading legal administration services provider with offices throughout the United States and its headquarters in Seattle, Washington. JND’s class action division provides all services necessary for the effective implementation of class actions including: (1) all facets of legal notice, such as outbound mailing, email notification, and the design and implementation of media programs; (2) website design and deployment, including online claim filing capabilities; (3) call center and other contact support; (4) secure class member data management; (5) paper and

electronic claims processing; (6) calculation design and programming; (7) payment disbursements through check, wire, PayPal, merchandise credits, and other means; (8) qualified settlement fund tax reporting; (9) banking services and reporting; and (10) all other functions related to the secure and accurate administration of class actions.

We also have Master Services Agreements with various corporations and banks, which were only awarded after JND underwent rigorous reviews of our systems, privacy policies, and procedures. JND has been certified as SOC 2 Type 2 compliant by noted accounting firm Moss Adams.¹

6. JND has been recognized by various publications, including the *National Law Journal*, the *Legal Times*, and the *New York Law Journal*, for excellence in class action administration. JND was named the #1 Class Action Claims Administrator in the U.S. by the national legal community for multiple consecutive years, and was inducted into the *National Law Journal* Hall of Fame for the past three years for having held this title. JND was also recognized last year as the Most Trusted Class Action Administration Specialists in the Americas by *New World Report* (formerly *U.S. Business News*) in the publication's 2022 Legal Elite Awards program.

¹ As a SOC 2 Compliant organization, JND has passed an audit under AICPA criteria for providing data security.

7. The principals of JND collectively have over 80 years of experience in class action legal and administrative fields. JND has overseen claims processes for some of the largest legal claims administration matters in the country's history, and regularly prepares and implements court approved notice and administration campaigns throughout the United States.

8. Large JND matters include the landmark \$2.67 billion Blue Cross Blue Shield antitrust settlement, where we received and processed more than eight million claims; the \$1.3 billion Equifax Data Breach Settlement, where we received more than 18 million claims; a voluntary remediation program in Canada on behalf of over 30 million people; the \$1.5 billion Mercedes-Benz Emissions Settlements; the \$120 million GM Ignition Switch Settlement, where we sent notice to nearly 30 million class members and processed over 1.5 million claims; and the \$215 million USC Student Health Center Settlement on behalf of women who were sexually abused by a doctor at USC, as well as hundreds of other matters. Our notice campaigns are regularly approved by courts throughout the United States.

9. In addition to the above, JND also handled notice and claims administration tasks for the following motor vehicle cases: *Aberin v. Am. Honda Motor Co., Inc.*, No. 16-cv-04384-JST (N.D. Cal.); *Amin v. Mercedes-Benz USA, LLC*, No. 17-cv-01701-AT (N.D. Ga.); *Express Freight Int'l v. Hino Motors, Ltd.*, No. 22-cv-22483 (S.D. Fla.); *Gjonbalaj v. Volkswagen Grp. of Am., Inc.*, No. 19-cv-07165-BMC (E.D.N.Y.); *Gomez v. Mycles Cycles, Inc.*, No. 37-2015-00043311-CU-BT-CTL (Cal. Super. Mercedes-Benz USA, LLC and Daimler AG*, No. 18-cv-3984 (N.D. Ga.); *Udeen v. Subaru of America, Inc.*, No. 18-cv-17334-RBK-JS (D.N.J.); as well as others.

10. As a member of JND's Legal Notice Team, I research, design, develop, and implement a wide array of legal notice programs to meet the requirements of Rule 23 and relevant state court rules. In addition to providing notice directly to potential class members through direct mail and email, our media campaigns, which are regularly approved by courts throughout the United States, have used the internet and social media to reach class members. During my career, I have submitted declarations to courts throughout the country attesting to the creation and launch of various notice programs.

CASE BACKGROUND

11. The objective of the proposed Notice Plan is to provide the best notice practicable, consistent with the methods and tools employed in other court-approved notice programs and to allow Class Members the opportunity to review a plain language notice with the ability to easily take the next step and learn more about the Settlement. The FJC's *Judges' Class Action Notice and Claims Process Checklist and Plain Language Guide* consider a Notice Plan with a high reach (above 70%) to be effective.²

12. The Class or Class Members consist of all individuals or legal entities who, at any time as of the Initial Notice Date, own or owned, purchase(d) or lease(d) Covered Vehicles in any

² Reach is the percentage of a specific population group exposed to a media vehicle or a combination of media vehicles containing a notice at least once over the course of a campaign. Reach factors out duplication, representing total different/net persons.

of the fifty States, the District of Columbia, Puerto Rico, and all other United States territories and/or possessions.

NOTICE PLAN OVERVIEW

13. The proposed Notice Plan includes the following components, as further described in the sections below:

- a. CAFA Notice to appropriate state and federal officials;
- b. Direct mail notice to all Class Members for whom a valid postal address is obtained;
- c. Supplemental digital notice targeted specifically to Class Members using (1) a custom audience list of Class Member data via the Google Display Network (“GDN”), Facebook, and Instagram; and (2) Vehicle Identification Number (“VIN”) targeting through iHeart Automotive Connection (“IAC”);
- d. Settlement website that will provide detailed information about the Settlement and important case documents, including the Settlement Agreement and the Long Form Notice in both English and Spanish, a list of important deadlines, a VIN lookup tool to check vehicle eligibility, and a Claim Form that may be submitted electronically or printed and mailed; and
- e. Settlement toll-free number, post office box, and email address through which Class Members may obtain more information about the Settlement and request that the Long Form Notice and/or Claim Form be sent to them.

14. The direct notice effort alone is expected to reach the vast majority of Class Members. Based on my experience in developing and implementing class notice programs, I believe the proposed Notice Plan will provide the best notice practicable under the circumstance.

15. Each component of the proposed Notice Plan is described in more detail in the sections below.

CAFA NOTICE

16. JND will work with Counsel for Defendants to provide notice of the proposed Settlement under the Class Action Fairness Act (CAFA), 28 U.S.C. §1715(b), no later than 10 days after the proposed Settlement is filed with the Court. CAFA Notice will be mailed to the appropriate state and federal government officials.

DIRECT NOTICE EFFORT

17. An adequate notice program needs to satisfy “due process” when reaching a class. The United States Supreme Court, in *Eisen v. Carlisle & Jacquelin*, 417 U.S. 156 (1974), stated that direct notice (when possible) is the preferred method for reaching a class. In addition, Rule 23(c)(2) of the Federal Rules of Civil Procedure provides that “the court must direct to class members the best notice that is practicable under the circumstances, including individual notice to all members who can be identified through reasonable effort. The notice may be by one or more of the following: United States mail, electronic means, or other appropriate means.”

18. As a result, JND will send the Class Notice to all Class Members for whom a valid postal address is obtained. The Class Notice will contain all required information as well as a sentence in Spanish directing Class Members to the Settlement Website for a copy of the Long Form Notice translated to Spanish.

19. Defendant Subaru of America, Inc. will provide a list of eligible VINs to JND. JND will use the VINs to work with third-party data aggregation services to acquire potential Class Members’ contact information from the Departments of Motor Vehicles (“DMVs”) for all current and previous owners and lessees of the Covered Vehicles. The contact information gained using

this process is considered particularly reliable because owners and lessees must maintain accurate and up-to-date contact information in order to pay vehicle registration fees and keep driver licenses and voter registrations current. JND will also receive Covered Vehicle registration information, including, but not limited to, registration date, year, make, and model of the vehicle through the DMV data. The registration information will identify whether the individual purchased the vehicle new or used and whether the individual currently owns the vehicle.

20. After receiving the contact and VIN information, JND will promptly load the information into a case-specific database for the Settlement. JND employs appropriate administrative, technical and physical controls designed to ensure the confidentiality and protection of Class Member data, as well as to reduce the risk of loss, misuse, or unauthorized access, disclosure, or modification of the data.

21. Once the data is loaded, JND will identify any undeliverable addresses or duplicate records from the data and assign a unique identification number (“Unique ID”) to each Class Member to identify them throughout the administration process.

22. Prior to mailing notice, JND will conduct an address search through the U.S. Postal Service’s (“USPS”) National Change of Address (“NCOA”) database to update the address information for Class Vehicle owners and lessees.³ For any individual Class Notice that is returned as undeliverable, JND will re-mail the Class Notice where a forwarding address has been provided. For any remaining undeliverable Class Notice where no forwarding address is provided, JND will perform an advanced address search (e.g., a skip trace) and re-mail to the extent any new and current addresses are located.

³ The NCOA database is the official USPS technology product which makes changes of address information available to mailers to help reduce undeliverable mail pieces before mail enters the mail stream.

23. We estimate that the direct notice effort alone will reach the vast majority of the Class.

SUPPLEMENTAL DIGITAL NOTICE

24. JND will supplement the direct notice effort with a targeted digital effort to extend reach further. Prior to implementation, the digital ads will be translated to Spanish so that they may be served to those identified as Spanish speakers.

25. JND will serve approximately 20 million digital impressions over four weeks via GDN, Facebook, Instagram, and IAC based on the targeting strategies outlined below.⁴

a. ***Custom Audience Targeting:*** The process begins with JND providing the platforms with Class Member data containing phone numbers, postal addresses, and/or VINs. GDN will match the provided Class data with their own first-party data which they collect through Gmail, YouTube, Chrome registrations, etc. Likewise, Facebook/Instagram will match the provided data with their account user data. All matches will be added to a “Custom Audience” list. Ads will then be served to the Custom Audience while they are active on GDN, Facebook, and Instagram over the course of the campaign. Accounts identified as Spanish language accounts, will receive a notice in Spanish. The matched Class Member must be active on GDN, Facebook, or Instagram during the campaign period in order to be served an ad. The Class Member data will not be used for any purpose other than the customer match campaign.

b. ***iHeart Automotive Connection (IAC) Targeting:*** IAC is typically used by dealers to reach current owners regarding maintenance/service or to encourage them to buy

⁴ Impressions or Exposures are the total number of opportunities to be exposed to a media vehicle or combination of media vehicles containing a notice. Impressions are a gross or cumulative number that may include the same person more than once. As a result, impressions can and often do exceed the population size.

a new car. IAC will send an Email Notice to a matched list of the potential Class Members associated with the Class Member VINs. Digital banners will then be served via GDN to those Class Members who open the Email Notice. Digital ads will be served in Spanish to Class Members identified as Spanish speakers.

26. The digital activity will be served across all devices (desktop, laptop, tablet and mobile), with a heavy emphasis on mobile devices. The digital ads will include an embedded link to the Settlement Website, where Class Members may access more information about the Settlement, including the Long Form Notice, as well as file a claim electronically.

SETTLEMENT WEBSITE

27. JND will establish and maintain the informational case-specific Settlement Website that will have an easy-to-navigate design and will be formatted to emphasize important information and deadlines. The Settlement Website will include a page with answers to frequently asked questions, contact information, key dates, and links to important case documents, including the Long Form Notice in both English and Spanish, and the Settlement Agreement. The Settlement Website will also include information on how potential Class Members can opt-out of or object to the Settlement if they choose. The Settlement Website will feature a VIN lookup tool and an online Claim Form (“OCF”) with document upload capabilities for the submission of claims. If a user logs in to the OCF with their Unique ID, JND will prepopulate the OCF with the Class Members’ name and VIN. JND will work with the parties to design the online claim submission process to be streamlined and efficient for Class Members. JND will work with the parties to design the online claims submission process to be streamlined and efficient for Class Members. Additionally, a Claim Form will be posted at the Settlement Website for download for Class Members who prefer to submit a claim form by mail.

28. The Settlement Website will be ADA-compliant and optimized for mobile visitors so that information loads quickly on mobile devices. It will be designed to maximize search engine optimization through Google and other search engines.

29. The Settlement Website address will be prominently displayed in all printed notice documents and will be accessible through the digital notices.

TOLL-FREE NUMBER, P.O. BOX, AND EMAIL ADDRESS

30. JND will establish and maintain a 24-hour, toll-free telephone line that Class Members can call to obtain information about the Settlement. Live operators will be available during business hours to answer Class Members' questions and assist with claim filing.

31. JND will also establish and maintain an email address and post office box to receive and respond to Class Member correspondence.

NOTICE DESIGN AND CONTENT

32. The proposed notice documents are designed to comply with Rule 23's guidelines for class action notices and the FJC's Judges' Class Action Notice and Claims Process Checklist and Plain Language Guide. The notices contain easy-to-read summaries of the instructions on how to obtain more information about the case and direct potential Class Members to the settlement website, where the Long Form Notice and other case documents will be posted. Courts routinely approve notices that have been written and designed in a similar manner.

REACH

33. Based on JND's experience with automotive settlements, we expect the direct notice effort alone to reach virtually all Class Members. The customized supplemental digital

effort will further enhance that reach. The estimated reach is similar to that of other court approved programs and meets the standard set forth by the FJC.⁵

CONCLUSION

34. In my opinion, the proposed Notice Plan provides the best notice practicable under the circumstances, is consistent with the requirements of Rule 23, and is consistent with many other court-approved notice programs. Poertner v. Gillette Co., (August 21, 2014)

No. 12-CV-00803 (M.D. Fla.):

See *Phillips Petroleum Co. v. Shutts*, 472 U.S. 797, 810 (1985). This Court further finds that Class Members were given a reasonable opportunity to opt out of the Action and that

they were adequately represented by Plaintiff Joshua D. Poertner. See *Id.* The Court thus reaffirms its findings that the Notice given to the Class satisfies the requirements of due process and holds that it has personal jurisdiction over all Class Members.

In re Uponor, Inc., F1807 Plumbing Fittings Prod. Liab. Litig., (June 29, 2012)

No. 11-MD-2247 (D. Minn.):

After the preliminary approval of the Settlement, the parties carried out the notice program, hiring an experienced consulting firm to design and implement the plan. The plan consisted of direct mail notices to known owners and warranty claimants of the RTI F1807 system, direct mail notices to potential holders of subrogation

interests through insurance company mailings, notice publications in leading consumer magazines which target home and property owners, and earned media efforts through national press releases and the Settlement website. The plan was intended to, and did in fact, reach a minimum of 70% of potential class members, on average more than two notices each...The California Objectors also take umbrage with the notice provided the class. Specifically, they argue that the class notice fails to advise class members of the true nature of the aforementioned release. This argument does not float, given that the release is clearly set forth in the Settlement and the published notices satisfy the requirements of Rule 23(c)(2)(B) by providing information regarding: (1) the nature of the action class membership; (2) class claims, issues, and defenses; (3) the ability to enter an appearance through an attorney; (4) the procedure and ability to opt-out or object; (5) the process and instructions to make a claim; (6) the binding effect of the class judgment; and (7) the specifics of the final fairness hearing.

In re Uponor, Inc., F1807 Plumbing Fittings Prod. Liab. Litig., (January 18, 2012)

No. 11-MD-2247 (D. Minn.):

The Notice Plan detailed in the Affidavit of Gina M. Intrepido-Bowden provides the best notice practicable under the circumstances and constitutes due and sufficient notice of the Settlement Agreement and the Final Fairness Hearing to the Classes

and all persons entitled to receive such notice as potential members of the Class... The Notice Plan's multi-faceted approach to providing notice to Class Members whose identity is not known to the Settling Parties constitutes 'the best notice that is practicable under the circumstances' consistent with Rule 23(c)(2)(B)...Notice to Class members must clearly and concisely state the nature of the lawsuit and its claims and defenses, the Class certified, the Class member's right to appear through an attorney or opt out of the Class, the time and manner for opting out, and the binding effect of a class judgment on members of the Class. Fed. R. Civ. P. 23(c)(2)(B). Compliance with Rule 23's notice requirements also complies with Due Process requirements. 'The combination of reasonable notice, the opportunity to be heard, and the opportunity to withdraw from the class satisfy due process requirements of the Fifth Amendment.' *Prudential*, 148 F.3d at 306. The proposed notices in the present case meet those requirements.
