Re: *Kominis et al. v. Starbucks Corporation*, No. 1:22-cv-06673(JPC) (GS) – Joint Status Report

Dear Judge Stein:

The undersigned counsel for Plaintiffs Joan Kominis and Jason McAllister (“Plaintiffs”) and Starbucks Corporation (“Starbucks”) (collectively the “Parties”), jointly present this status report per the Court’s request dated April 11, 2024 (ECF No. 45).

The parties have exchanged responses and objections to their respective requests for production of documents and interrogatories and Starbucks made a production of documents on May 17, 2024. The Parties will continue to meet and confer in connection with the same. At this time, the Parties do not anticipate any problems meeting the court’s October 1, 2024 fact discovery cut-off. The parties will update the Court regarding the status of settlement discussions at the conference.

Respectfully submitted,

SHEPPARD MULLIN RICHTER &
