**IAS/TRIAL PART 28
INDEX NO. 605719/2024**

Motion Seq. No. 001

DECISION & ORDER

By Decision and Order dated September 6, 2024, the undersigned set this matter down for a mandatory conference which took place on September 13, 2024. At that time, the Court made inquiries regarding the specifics as to the members of the Class, payment distributions, and attorney's fees. Movant's counsel represented to this Court that class members would receive the same amount per claim regardless of a legal fee application which will be held after final approval.

Based on the submissions by the Plaintiffs, the Court grants preliminary approval of the Settlement reached between the parties as set forth in their Settlement Agreement. The Court provisionally certifies the requested Class under Article 9 of the CPLR for settlement purposes only. The Court appoints Yitzchak Kopel, Esq. of Bursor & Fisher P.A. as Class Counsel. The Court appoints Kroll Settlement Administration, LLC as the Settlement Claims Administrator. The Court approves the proposed Class Notice and Claim Form which shall be distributed to the proposed Settlement Class member. The parties shall adhere to the Class Action Settlement Procedure as outlined in Paragraph III of Mr. Kopel's Affirmation (*See*, Notice of Motion). The application for approval of Attorney fees will be held after final approval. The motion for final approval will be heard on **January 22, 2025 at 9:30am**, Part 28, Supreme Court, Nassau County.
