RE: Notice of Data Event

Dear Sir or Madam:

We represent Loring, Wolcott & Coolidge ("LWC") and are writing to notify your Office of a compromise that affected the security of certain personal information relating to 303 Maine residents. LWC offers a wide range of fiduciary and investment management services. By providing this notice, LWC does not waive any rights or defenses, including but not limited to rights or defenses regarding the applicability of Maine law, the applicability of Maine data event notification statute, or personal jurisdiction.

Notice of Data Event

On May 12, 2024, LWC discovered suspicious activity within its environment (the "Incident"). LWC initiated its incident response protocols and promptly began an investigation with the assistance of third-party cybersecurity specialists, retained through outside counsel, to determine the nature and scope of the suspicious activity. Additionally, in conjunction with the forensic investigation, LWC also worked to contain and remediate the Incident, an effort which has since been completed. As part of its response to this Incident, LWC took steps to implement additional safeguards to further protect the security of its systems. Additionally, LWC notified and consulted with law enforcement throughout the course of the Incident.

The in-depth cyber forensic investigation determined that unauthorized activity occurred between April 26, 2024 and May 12, 2024, that LWC's systems were impacted by malware, and that a certain amount of data was subject to unauthorized access and in some cases acquisition. With the assistance of a third-party data analytics firm, also retained through outside counsel, LWC conducted a comprehensive and time-intensive review of the data at issue to determine the types of personal information at risk and identify to whom the personal information relates. In addition, LWC conducted a review of its internal files to further assess the impacted data. Following the review, LWC determined that personal information relating to Maine residents was subject to unauthorized access/acquisition.

The information impacted varies by individual but includes some or all of the following: name, address, Social Security number, driver's license number or state ID number, bank account number, username and password or email address and password, health/medical insurance policy number, Tax Identification Number (TIN), and IRS PIN.

Notice to Maine Residents

On October 17, 2024, LWC began providing written notice of the Incident to potentially impacted individuals, on a rolling basis, which includes Maine residents. Written notice is being provided in substantially the same form as the letter attached hereto as *Exhibit A*. Please also note that LWC is also providing substitute notice of the Incident.

Other Steps Taken and to be Taken

Upon discovery of the Incident, LWC moved quickly to investigate and respond to the Incident, assess the security of its systems, and notify potentially impacted individuals. LWC also reviewed its existing policies and procedures and implemented additional safeguards to further secure its systems and the information contained therein.

Although LWC is unaware of any instances since the Incident occurred in which the personal information has been fraudulently used, LWC is nevertheless offering potentially impacted individuals with access to complimentary credit monitoring for three (3) years and dedicated call center services as well as providing guidance on how to protect against identity theft and fraud, including advising individuals to report any suspected identity theft or fraud to their financial institutions. LWC is also providing individuals with information on how to place a fraud alert and security freeze on one's credit file, information on protecting against tax fraud, the contact details for the national credit reporting agencies, information on how to obtain a free credit report, a reminder to remain vigilant for fraud and identity theft by reviewing account statements and monitoring credit reports, and encouragement to contact the Federal Trade Commission, their Attorney General, and law enforcement to report attempted or actual identity theft and fraud.

Contact Information

Should you have any questions regarding this notification or other aspects of the Incident, please contact me at (212) 459 7400 or cyber@goodwinlaw.com

Respectfully submitted,

Monitor Your Accounts

We encourage you to remain vigilant against incidents of identity theft and fraud, to review your account statements, and to monitor your credit reports for suspicious activity. Under U.S., law you are entitled to one free credit report annually from each of the three major credit reporting bureaus. To order your free credit report, visit www.annualcreditreport.com or call, toll-free, 1-877-322-8228. You may also contact the three major credit bureaus directly to request a free copy of your credit report.

Place a Security Freeze

You have the right to place a "security freeze" on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit. Pursuant to federal law, you cannot be charged to place or lift a security freeze on your credit report. Should you wish to place a security freeze, please contact the major consumer reporting agencies listed below:

Experian **P.O. Box 9554** **Allen, TX 75013** **1-888-397-3742** **www.experian.com/freeze/center.html**	**TransUnion** **P.O. Box 160** **Woodlyn, PA 19094** **1-888-909-8872** **www.transunion.com/credit-freeze**	**Equifax** **P.O. Box 105788** **Atlanta, GA 30348-5788** **1-800-685-1111** **www.equifax.com/personal/credit-report-services**

To request a security freeze, you will need to provide the following information:

1. Your full name (including middle initial as well as Jr., Sr., II, III, etc.);
2. Social Security number;
3. Date of birth;
4. If you have moved in the past five (5) years, provide the addresses where you have lived over the prior five years;
5. Proof of current address, such as a current utility bill or telephone bill;
6. A legible photocopy of a government-issued identification card (state driver's license or ID card, military identification, etc.);
7. If you are a victim of identity theft, include a copy of either the police report, investigative report, or complaint to a law enforcement agency concerning identity theft.

Place a Fraud Alert

As an alternative to a security freeze, you have the right to place an initial or extended "fraud alert" on your file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer's credit file. Upon seeing a fraud alert display on a consumer's credit file, a business is required to take steps to verify the consumer's identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting seven years. Should you wish to place a fraud alert, please contact any one of the agencies listed below:
