**RECITALS**

A. On August 26, 2022, this putative class action was filed in the Circuit Court of Cook County, Illinois. The material allegations of the Complaint were that Defendants collected, stored and used – without first providing notice, obtaining informed written consent or publishing data retention policies – the fingerprints of its workers who were required to “clock in” with their fingerprints, in violation of the Illinois Biometric Privacy Act (“BIPA”), 740 ILCS 14/1 *et seq.*

B. From the outset of the case, the Parties engaged in settlement discussions, including informally exchanging relevant information surrounding the alleged claims.

C. On January 29, 2024, the Parties agreed on all material terms of a class action settlement and executed a term sheet (“Class Action Settlement Term Sheet”).

D. At all times, Defendants have denied and continue to deny any wrongdoing whatsoever, deny that they committed, or threatened or attempted to commit, any wrongful act or violation of law or duty alleged in the Action, and deny that certification of a class is necessary or proper. Accordingly, any references to the alleged business practices of Defendants in this Agreement, any settlement document, or the related Court hearings and processes will raise no inference with respect to the propriety of those business practices or any other business practices of Defendants. Nonetheless, taking into account the uncertainty and risks inherent in any litigation and the desire to avoid the expenditure of further legal fees and costs, Defendants have concluded it is desirable and beneficial that the Action be fully and finally settled and terminated in the manner and upon the terms and conditions set forth in this Agreement to avoid further expense, inconvenience, and burden. This Agreement is a compromise, and this Agreement, any related documents, and any negotiations resulting in it shall not be construed as or deemed to be evidence

of or an admission or concession of liability or wrongdoing on the part of Defendants, or any of the Released Parties (defined below), with respect to any claim of any fault or liability or wrongdoing or damage whatsoever or with respect to the certifiability of a class.

E. Plaintiff believes that the claims asserted in the Action against Defendants have merit and would have prevailed at summary judgment and/or trial. Nonetheless, Plaintiff and Class Counsel recognizes that Defendants have raised factual and legal defenses that present a risk that Plaintiff may not prevail. Plaintiff and Class Counsel also recognize the expense and delay associated with continued prosecution of the Action against Defendants through class certification, summary judgment, trial, and any subsequent appeals. Plaintiff and Class Counsel also have taken into account the uncertain outcome and risks of litigation, especially in complex class actions, as well as the difficulties inherent in such litigation. Therefore, Plaintiff believes it is desirable that the Released Claims, as further defined herein, be fully and finally compromised, settled, and resolved with prejudice. Based on its evaluation, Class Counsel has concluded that the terms and conditions of this Agreement are fair, reasonable, and adequate to the Settlement Class, and that it is in the best interests of the Settlement Class to settle the claims raised in the Action pursuant to the terms and provisions of this Agreement.

F. Defendants maintain that they have a number of meritorious defenses to the claims asserted in this Action, and that Defendants would prevail in this matter on summary judgment or at trial. Defendants deny any wrongdoing and any liability to Plaintiff and the Settlement Class whatsoever. Defendants also deny that class certification is warranted or appropriate. Nevertheless, Defendants recognize the risks and uncertainties inherent in litigation, the significant expense associated with defending class actions, the costs of any appeals, and the disruption to business operations arising out of class action litigation. Defendants also recognize the risks that a trial on

class-wide claims might present. Accordingly, Defendants believe that the Settlement set forth in the Agreement is likewise in the best interests of all parties involved.

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED by and among Plaintiff, the Settlement Class, and Defendants, by and through their undersigned counsel that, subject to final approval of the Court after a hearing or hearings as provided for in this Settlement Agreement, in consideration of the benefits flowing to the Parties from the Agreement set forth herein, that the Action and the Released Claims shall be finally and fully compromised, settled, and released, and the Action shall be dismissed with prejudice, upon and subject to the terms and conditions of this Agreement.

providing his/her name and address, a signature, the name and number of the case, and a statement that he or she wishes to be excluded from the Settlement Class for purposes of this Settlement. A request to be excluded that does not include all of this information, does not clearly state an intention to be excluded, or that is sent to an address other than that designated in the Notice, or that is not postmarked within the time specified, shall be invalid, and the Person(s) serving such a request shall be a member(s) of the Settlement Class and shall be bound as a Settlement Class Member by this Agreement, if approved. Any member of the Settlement Class who validly elects to be excluded from this Agreement shall not: (i) be bound by any orders or the Final Judgment; (ii) be entitled to relief under this Settlement Agreement; (iii) gain any rights by virtue of this Agreement; or (iv) be entitled to object to any aspect of this Agreement. To be valid, a request for exclusion must be postmarked or received by the date specified in the Notice.

The Released Parties shall have no responsibility or liability for the acts or omissions of the Settlement Administrator or its agents with respect to the reporting or payment of taxes or tax expenses.

**5.5** If this Settlement Agreement is not finally approved or is terminated, or the proposed Settlement fails to become final and effective for any reason, including without limitation if the Final Judgment is reversed, vacated, or modified following any appeal taken therefrom, the

Settlement Administrator shall return the Settlement Fund to Defendants, less any Settlement Administration Expenses actually incurred to date. Plaintiff shall have no financial responsibility for any Settlement Administration Expenses paid out of the Settlement Fund in the event that this Settlement Agreement is not finally approved.

**6. TERMINATION OF SETTLEMENT.**

**6.1** Subject to Section 9 below, in the event that the Court makes any material modification to the terms of the Settlement, including, but not limited to any modification which operates to change the scope of the Settlement Class or to require Defendants to pay any amounts in excess of the Settlement Fund (and with the exception of any modification to the terms, timing or proposed amount of any Fee Award or Incentive Award), at the sole discretion of the adversely affected party, the terms contained in this Agreement and the Class Action Settlement Term Sheet, and any other settlement documents may be terminated. The Party or Parties with the right to terminate this Agreement may do so by providing written notice of the election to do so (“Termination Notice”) to all other Parties hereto within ten (10) days of any event triggering the right to terminate (as described above), including: (i) the Court’s refusal to grant Preliminary Approval of this Agreement in any material respect; (ii) the Court’s refusal to grant final approval of this Agreement in any material respect; (iii) the Court’s refusal to enter the Final Judgment in this Action in any material respect; (iv) the date upon which the Final Judgment is vacated, modified or reversed in any material respect by the Court, the Illinois Appellate Court, the Illinois Supreme Court, or the Supreme Court of the United States; or (v) the date upon which an Alternate Judgment is vacated, modified or reversed in any material respect by the Court, the Illinois Appellate Court, the Illinois Supreme Court, or the Supreme Court of the United States.

**6.3** If, prior to the Final Approval Hearing, the class size increases by more than five percent of the individuals represented on the Settlement Class List, any party may terminate this Settlement by giving notice as set forth in paragraph 6.1.

**7. PRELIMINARY APPROVAL ORDER AND FINAL APPROVAL ORDER.**

**7.1** Within 30 days after the execution of this Settlement Agreement, provided Defendants have received substantial cooperation from the staffing agencies employing the Settlement Class Members in providing the Settlement Class Members' last known mailing and email addresses, if known, Class Counsel shall submit this Agreement together with its exhibits to the Court and shall move the Court for Preliminary Approval of the settlement set forth in this Agreement; conditional certification of the Settlement Class for settlement purposes only; appointment of Class Counsel and the Class Representative; and entry of a Preliminary Approval Order, which order shall set a Final Approval Hearing date and approve the notice for dissemination substantially in the form of Exhibits B & C hereto. The Preliminary Approval Order shall also authorize the Parties, without further approval from the Court, to agree to and adopt such amendments, modifications and expansions of the Settlement Agreement and its implementing documents (including all exhibits) so long as they are consistent in all material respects with the terms of the Settlement Agreement and do not limit or impair the rights of the Settlement Class or materially expand the obligations of Defendants.

**7.2** At the time of the submission of this Agreement to the Court as described above, Class Counsel shall request that, after Notice is given, the Court hold a Final Approval Hearing and approve the Settlement of the Action as set forth herein.

**7.3** After Notice is given, the Parties shall request and seek to obtain from the Court a Final Judgment, which will (among other things):

(a) find that the Court has personal jurisdiction over all Settlement Class Members and that the Court has subject matter jurisdiction to approve this Agreement, including all exhibits hereto;

(b) approve this Settlement Agreement as fair, reasonable, and adequate as to, and in the best interests of, the Settlement Class Members; direct the Parties and their counsel to implement and consummate this Agreement according to its terms and provisions; and declare this Agreement to be binding on, and have *res judicata* and preclusive effect in all pending and future lawsuits or other proceedings maintained by or on behalf of Plaintiff and Releasing Parties;

(c) find that the Notice implemented pursuant to this Agreement (1) constitutes the best practicable notice under the circumstances; (2) constitutes notice that is reasonably calculated, under the circumstances, to apprise the Settlement Class of the pendency of the Action, their right to object to or exclude themselves from the proposed Settlement, and to appear at the Final Approval Hearing; (3) is reasonable and constitutes due, adequate, and sufficient notice to all Persons entitled to receive Notice; and (4) meets all applicable requirements of the Illinois Code of Civil Procedure, the Due Process Clause of the United States and Illinois Constitutions, and the rules of the Court;

(d) find that the prerequisites for a class action under ILCS 735 5/2-801 have been satisfied for settlement purposes for the Settlement Class in that: (1) the number of Settlement Class Members is so numerous that joinder of all members thereof is impracticable; (2) there are

questions of law and fact common to the Settlement Class Members; (3) the claims of the Class Representative are typical of the claims of the Settlement Class; (4) the Class Representative has and will continue to fairly and adequately represent the interests of the Settlement Class for purposes of entering into this Settlement Agreement; (5) the questions of law and fact common to Settlement Class Members predominate over any questions affecting any individual Settlement Class Member; (6) the Settlement Class is ascertainable; and (7) a class action is superior to the other available methods for the fair and efficient adjudication of the controversy.

(e) dismiss the Action (including all individual claims and Settlement Class Claims presented thereby) on the merits and with prejudice, without fees or costs to any party except as provided in this Settlement Agreement;

(f) incorporate the Release set forth above, make the Release effective as of the Effective Date, and forever discharge the Released Parties as set forth herein;

(g) permanently bar and enjoin all Settlement Class Members from filing, commencing, prosecuting, intervening in, or participating (as class members or otherwise) in any lawsuit or other action in any jurisdiction based on the Released Claims;

(h) without affecting the finality of the Final Judgment for purposes of appeal, retain jurisdiction as to all matters relating to administration, consummation, enforcement, and interpretation of this Settlement Agreement and the Final Judgment, and for any other necessary purpose;

(i) close the Action; and

(j) incorporate any other provisions as the Court deems necessary and just, provided that such other provisions do not materially abridge, enlarge or modify any rights or responsibilities of the Released Parties or Settlement Class Members under this Agreement.

**7.4** The Parties agree to stay all proceedings in the Action, other than those proceedings necessary to carry out or enforce the terms and conditions of the Settlement, until the Effective Date of the Settlement has occurred. The Parties also agree to use their best efforts to seek the stay and dismissal of, and to oppose entry of any interim or final relief in favor of any Settlement Class Member in any other proceedings against any of the Released Parties which challenge the Settlement or otherwise assert or involve, directly or indirectly, a Released Claim.

**8. CLASS COUNSEL’S ATTORNEYS’ FEES AND REIMBURSEMENT OF EXPENSES; INCENTIVE AWARD.**

**8.1** Defendants agree that Class Counsel may apply for and receive from the Settlement Fund, subject to Court approval, attorneys’ fees and reimbursement of reasonable costs and expenses not to exceed 40% of the Settlement Fund (\$680,000). Any fees or costs below this amount that are not awarded are to be added to the Net Settlement Fund. Class Counsel will petition the Court for an award of such attorneys’ fees, costs, and expenses, and Defendants agree to not object to or otherwise challenge, directly or indirectly, Class Counsel’s petition for attorneys’ fees, costs, and expenses. Class Counsel, in turn, agrees to seek no more than this amount from the Court in attorneys’ fees and reasonable costs and expenses. Payment of the Fee Award shall be made from the Settlement Fund.

**8.2** Payment of the Fee Award shall be made from the Settlement Fund by wire transfer pursuant to instructions provided by Class Counsel. The Settlement Administrator shall wire the funds within 14 days of the Effective Date as provided for in paragraph 2.1(e).

**8.3** Notwithstanding any contrary provision of this Agreement, the Court’s consideration of any Fee Award is to be conducted separately from the Court’s consideration of the fairness, reasonableness, and adequacy of this Settlement Agreement, and any Fee Award made by the Court with respect to Class Counsel’s attorneys’ fees or expenses, or any proceedings

incident thereto, including any appeal thereof, shall not operate to terminate or cancel this Agreement or be deemed material thereto.

**8.4** Defendants agree not to object to or otherwise challenge, directly or indirectly, Class Counsel's application for the Incentive Award to the Class Representative in the amount of up to Five Thousand Dollars (\$5,000.00). Class Counsel, in turn, agrees to seek no more than this amount from the Court as the Incentive Award to the Class Representative. Such Incentive Award shall be paid pursuant to the terms herein. Any modification to the terms or timing or reduction of the proposed Incentive Award amount shall in no way impact the validity of the settlement of this Action.

**9. CONDITIONS OF SETTLEMENT, EFFECT OF DISAPPROVAL, CANCELLATION OR TERMINATION.**

**9.1** If this Agreement is not approved by the Court, or the settlement set forth in this Agreement is terminated or fails to become effective in accordance with its terms, then this Settlement Agreement shall be canceled and terminated subject to Paragraph 6.1 unless Class Counsel and Defendants' Counsel mutually agree in writing to proceed with this Agreement. If any Party is in material breach of the terms hereof, any other Party, provided that it is in substantial compliance with the terms of this Agreement, may terminate this Agreement on notice to all of the settling parties. Notwithstanding anything herein, the Parties agree that the Court's failure to approve, in whole or in part, the Fee Award and/or expenses and/or the Incentive Award set forth in Section 8 above shall not be grounds for termination.

**9.2** If this Agreement is terminated or fails to become effective, the Parties shall be restored to their respective positions in the Action as of the moment just prior to the signing of this Agreement and the Class Action Settlement Term Sheet entered into between Defendants and the Class Representative shall be cancelled, null, and void. In such event, any Final Judgment or other order entered by the Court in accordance with the terms of this Agreement shall be treated as

vacated, *nunc pro tunc*, and the Parties shall be returned to the *status quo ante* with respect to the Action as if this Agreement and the Class Action Settlement Term Sheet had never been entered into.

## **10. MISCELLANEOUS PROVISIONS.**

**10.1** The Parties (a) acknowledge that it is their intent to consummate this Settlement Agreement; and (b) agree, subject to their fiduciary and other legal obligations, to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Agreement, to exercise their reasonable best efforts to accomplish the foregoing terms and conditions of this Agreement, to secure final approval, and to defend the Final Judgment through any and all appeals. Class Counsel and Defendants' Counsel agree to cooperate with one another in seeking Court approval of this Settlement Agreement, entry of the Preliminary Approval Order, and the Final Judgment, and promptly to agree upon and execute all such other documentation as may be reasonably required to obtain final approval of this Agreement.

**10.2** The Parties intend this Settlement Agreement to be a final and complete resolution of all disputes between them with respect to the Released Claims by the Releasing Parties against each or any of the Released Parties. Accordingly, the Parties agree not to assert in any forum that the Action was brought by Plaintiff or defended by Defendants, or each or any of them, in bad faith or without a reasonable basis.

**10.3** The Parties have relied upon the advice and representation of counsel, selected by them, concerning their respective legal liability for the claims hereby released. The Parties have read and understand fully this Agreement and have been fully advised as to the legal effect hereof by counsel of their own selection and intend to be legally bound by the same.

**10.4** Whether or not the Effective Date occurs or this Settlement Agreement is terminated, neither this Agreement, the Class Action Settlement Term Sheet, or any other

settlement document, nor the settlement contained herein or any term, provision or definition therein, nor any act or communication performed or document executed in the course of negotiating, implementing or seeking approval pursuant to or in furtherance of this Agreement or the settlement:

(a) is, may be deemed, or shall be used, offered or received in any civil, criminal or administrative proceeding in any court, administrative agency, arbitral proceeding or other tribunal against the Released Parties, or each or any of them, as an admission, concession or evidence of, the validity of any Released Claims, the truth of any fact alleged by the Plaintiff, the deficiency of any defense that has been or could have been asserted in the Action, the violation of any law or statute, the definition or scope of any term or provision, the reasonableness of the settlement amount or the Fee Award, or of any alleged wrongdoing, liability, negligence, or fault of the Released Parties, or any of them. Defendants, while continuing to deny all allegations of wrongdoing and disclaiming all liability with respect to all claims, consider it desirable to resolve the action on the terms stated herein to avoid further expense, inconvenience, and burden, and therefore has determined that this settlement is in Defendants' best interests. Neither Plaintiff nor Class Counsel will make any press release or similar public statement concerning this Agreement or the settlement contained herein;

(b) is, may be deemed, or shall be used, offered or received against any Released Party, as an admission, concession or evidence of any fault, misrepresentation or omission with respect to any statement or written document approved or made by the Released Parties, or any of them;

(c) is, may be deemed, or shall be used, offered or received against the Released Parties, or each or any of them, as an admission or concession with respect to any liability, negligence, fault or wrongdoing or statutory meaning as against any Released Parties, or

supporting the certification of a class, in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. However, this Agreement, and any acts performed and/or documents executed in furtherance of or pursuant to this Agreement may be used in any proceedings as may be necessary to effectuate the provisions of this Agreement. Further, if this Settlement Agreement is approved by the Court, any Party or any of the Released Parties may file this Agreement and/or the Final Judgment in any action that may be brought against such Party or Parties in order to support a defense or counterclaim based on principles of *res judicata*, collateral estoppel, release, good-faith settlement, judgment bar or reduction, or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim;

(d) is, may be deemed, or shall be construed against Plaintiff, the Settlement Class, the Releasing Parties, or each or any of them, or against the Released Parties, or each or any of them, as an admission or concession that the consideration to be given hereunder represents an amount equal to, less than or greater than that amount that could have or would have been recovered after trial; and

(e) is, may be deemed, or shall be construed as or received in evidence as an admission or concession against Plaintiff, the Settlement Class, the Releasing Parties, or each and any of them, or against the Released Parties, or each or any of them, that any of Plaintiff's or the Settlement Class's claims are with or without merit or that damages recoverable in the Action would have exceeded or would have been less than any particular amount.

**10.5** The Parties acknowledge that (a) any certification of the Settlement Class as set forth in this Agreement, including certification of the Settlement Class for settlement purposes in the context of Preliminary Approval, shall not be deemed a concession that certification of a class is appropriate, or that the Settlement Class definition would be appropriate for a class, nor would Defendants be precluded from challenging class certification in further proceedings in the Action

or in any other action if this Settlement Agreement is not finalized or finally approved; (b) if this Settlement Agreement is not finally approved by the Court for any reason whatsoever, then any certification of the Settlement Class will be void, the Parties and the Action shall be restored to the *status quo ante*, and no doctrine of waiver, estoppel or preclusion will be asserted in any litigated certification proceedings in the Action or in any other action; and (c) no agreements made by or entered into by Defendants in connection with the Settlement may be used by Plaintiff, any Person in the Settlement Class, or any other person to establish any of the elements of class certification in any litigated certification proceedings, whether in this Action or any other judicial proceeding.

**10.6** No Person or entity shall have any claim against the Class Representative, Class Counsel, the Settlement Administrator or any other agent designated by Class Counsel, or the Released Parties and/or their counsel, arising from distributions made substantially in accordance with this Agreement. The Parties and their respective counsel, and all other Released Parties shall have no liability whatsoever for the investment or distribution of the Settlement Fund or the determination, administration, calculation, or payment of any claim or nonperformance of the Settlement Administrator, the payment or withholding of taxes (including interest and penalties) owed by the Settlement Fund, or any losses incurred in connection therewith.

**10.7** The Plaintiff, Settlement Class Members, and Class Counsel receiving funds pursuant to this Agreement shall be solely responsible for filing all information and other tax returns necessary or making any tax payments related to funds received pursuant to this Settlement Agreement. The Released Parties provide no legal advice and make no representations to the Plaintiff, Settlement Class Members, or Class Counsel regarding the legal or tax consequences of this Agreement, including any benefit or monies paid and received. The Plaintiff, Settlement Class Members, and Class Counsel shall be solely responsible for any tax or legal consequences for any benefit or award paid and/or received pursuant to this Agreement.

**10.8** All proceedings with respect to the administration, processing and determination of Claims and the determination of all controversies relating thereto, including disputed questions of law and fact with respect to the validity of Claims, shall be subject to the jurisdiction of the Court.

**10.9** The headings used herein are used for the purpose of convenience only and are not meant to have legal effect.

**10.10** The waiver by one Party of any breach of this Agreement by any other Party shall not be deemed as a waiver of any other prior or subsequent breaches of this Agreement.

**10.11** All of the exhibits to this Agreement are material and integral parts thereof and are fully incorporated herein by this reference.

**10.12** This Agreement and its exhibits, set forth the entire agreement and understanding of the Parties with respect to the matters set forth herein, and supersede all prior negotiations, agreements, arrangements and undertakings with respect to the matters set forth herein. No representations, warranties, or inducements have been made to any Party concerning this Settlement Agreement or its exhibits other than the representations, warranties and covenants contained and memorialized in such documents. This Agreement may be amended or modified only by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest.

**10.13** Except as otherwise provided herein, each Party shall bear its own costs.

**10.14** Plaintiff represents and warrants that he has not assigned any claim or right or interest therein as against the Released Parties to any other Person or Party and that they are fully entitled to release the same.

**10.15** Each counsel or other Person executing this Settlement Agreement, any of its exhibits, or any related settlement documents on behalf of any Party hereto, hereby warrants and

represents that such Person has the full authority to do so and has the authority to take appropriate action required or permitted to be taken pursuant to the Agreement to effectuate its terms.

**10.16** This Agreement may be executed in one or more counterparts. Signature by digital means, facsimile, or in PDF format will constitute sufficient execution of this Agreement. All executed counterparts and each of them shall be deemed to be one and the same instrument. A complete set of original executed counterparts shall be filed with the Court if the Court so requests.

**10.17** This Settlement Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the Parties hereto and the Released Parties.

**10.18** The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of this Agreement, and all Parties hereto submit to the jurisdiction of the Court for purposes of implementing and enforcing the settlement embodied in this Agreement.

**10.19** If any date or deadline in this Settlement Agreement falls on a Saturday, Sunday, or federal holiday, the next business day following the date or deadline shall be the operative date.

**10.20** This Settlement Agreement shall be governed by and construed in accordance with the substantive laws of the State of Illinois without giving effect to its conflicts-of-law provisions.

**10.21** This Agreement is deemed to have been prepared by counsel for all Parties, as a result of arm's-length negotiations among the Parties. Because all Parties have contributed substantially and materially to the preparation of this Agreement, it shall not be construed more strictly against one Party than another.

### *A court authorized this notice. This is not a solicitation from a lawyer.*

This Notice contains information about a proposed class action settlement with R.R. Donnelley & Sons Company and Precision Dialogue Direct, Inc. ("Defendants"). Your rights may be affected whether you act or don't act. This Notice is being sent to inform you that a settlement has been reached in the lawsuit *Javier Trejo v. R.R. Donnelley & Sons Company and Precision Dialogue Direct, Inc.*, 2022 CH 08472, which is pending in the Circuit Court of Cook County, Illinois. This class settlement has been preliminarily approved. The Settlement Class is defined as: All individuals who worked at one of Defendant R.R. Donnelley & Sons Company's locations in the State of Illinois, including, but not limited to, Precision Dialogue Direct, Inc., and who registered for or used a fingertip-scan timekeeping system in connection with their work for Defendants from August 26, 2017 through January 29, 2024. Excluded from the Settlement Class are (1) any Judge or Magistrate presiding over this Action and members of their families; (2) Persons who properly execute and file a timely request for exclusion from the Settlement Class; (3) those whose claims were released in *Patricia Farias v. R.R. Donnelley & Sons Company*, Case No. 20 CV 07468 (N.D. Ill.); and (4) those who signed a general release of claims relating to the closure of the Precision Dialogue Direct, Inc. facility. Defendants deny the claims in the lawsuit and contend that they did not do anything wrong and deny that class certification is warranted or appropriate. The Court did not resolve the claims and defenses raised in this action. Nor has the Court determined that Defendants did anything wrong or that this matter should be certified as a class action except if the Settlement is fully approved by the Court. The parties have agreed to settle the dispute to avoid the cost and risk of a trial.

**Why am I receiving this Notice?** You have received this notice because records show you worked for one of the Defendants during the time period covered by the lawsuit, August 26, 2017 through January 29, 2024, and used a fingertip-scan timeclock. If you did, you are a member of the Settlement Class Member and you are entitled to receive Settlement benefits if you submit a valid Claim Form to the Settlement Administrator before the deadline and if the Court grants final approval of the Settlement. You also have other options as described in this notice.

**What Can I Get?** If approved by the Court, a Settlement Fund in the total amount of \$1,700,000 will be established to pay all claims to the Settlement Class. Every person who submits a valid Claim Form will be entitled to approximately **\$430.00** per class member after the deduction of attorneys' fees, costs, and Plaintiff's incentive award.

**How Do I Get a Payment?** You must submit the Claim Form attached to this Notice, postmarked **no later than [claims deadline]**. **You do not need to go to Court to receive a payment.**

**What are My Other Options?** You may exclude yourself from the Settlement Class by sending a letter to the Settlement Administrator postmarked no later than **[objection/exclusion deadline]**. You may also object to the Settlement. To object, your written objection must be filed and served no later than **[objection/exclusion deadline]**. Specific instructions about how to object to, or exclude yourself from, the Settlement are available at **[www.RRDbipasettlement.com]**. If you do nothing, and the Court approves the Settlement, even if you do not file a claim, you will be considered a member of the Settlement Class and you will be bound by all of the Court's orders and judgments, and your Released Claims against the Released Parties (as described in the Settlement Agreement) will be released.

**Who Represents Me?** The Court has appointed Beaumont Costales, LLC as Class Counsel to represent the Settlement Class. You will not be charged for these lawyers. If you want to be represented by your own lawyer in this case, you may hire one at your own expense.

**When Will the Court Consider the Proposed Settlement?** The Court will hold the Final Approval Hearing at **\_\_\_\_\_ .m. on [date]** at the Cook County Courthouse, 50 W. Washington, Chicago, Illinois 60602 via Zoom. At that hearing, the Court will: hear any objections concerning the fairness of the Settlement; determine the fairness of the Settlement; decide whether to approve Class Counsel's request for attorneys' fees and costs; and decide whether to award the Class Representative up to \$5,000.00 for his services in helping to bring and settle this case. Class Counsel will seek no more than 40% of the Settlement Fund in attorneys' fees and reimbursement of reasonable costs and expenses, but the Court may award less than this amount.

**How Do I Get More Information?** This is only a summary. For more information, including the full Notice, Claim Form and Settlement Agreement, go to **www.RRDbipasettlement.com**, contact the Settlement Administrator at **1-800-368-3333** or write to: RRD/PDD BIPA

Settlement Administrator, [address]. *Please do not contact or telephone the Court, Defendants, or Defendants' attorneys to inquire about the Settlement or the claims process.*

If you file an objection and wish it to be considered, <b><u>you must also appear</u></b> at the Final Approval Hearing, in-person or through counsel, to show cause of why the proposed Settlement should not be approved as fair, reasonable, and adequate.
<b>DO NOTHING</b>	You will be included in the Settlement Class, but receive no benefits. You will be bound by the Court's judgment of dismissal, and release claims against Defendants and Released Parties relating to the claims in this case.

The Court in charge of this action has preliminarily approved the Settlement as fair, reasonable, and adequate, and must decide whether to give final approval to the Settlement. The relief provided to Settlement Class Members will be provided only if the Court gives final approval to the Settlement and, if there are any appeals, after the appeals are resolved in favor of the Settlement. *Please be patient.*

## BASIC INFORMATION

### 1. Why was this Notice issued?

You received postcard notice of this Settlement because records show that, between August 26, 2017 through January 29, 2024, you worked for one of the Defendants and used a fingertip-scan timeclock. If you did, you are a member of the Settlement Class and you are entitled to receive Settlement benefits if you submit an Approved Claim to the Settlement Administrator before the deadline and if the Court grants final approval of the Settlement. You also have other options as described in this notice.

A Court authorized this notice because you have a right to know about a proposed Settlement of this class action lawsuit and about all of your options, before the Court decides whether to give final approval to the Settlement.

### 2. What is a class action?

In a class action, one or more people called class representatives (in this case, Javier Trejo) sue on behalf of a group or a "class" of people who have similar claims. In a class action, one court resolves the issues for all class members, except for those who exclude themselves from the Class. The parties have agreed and the Court has preliminarily decided that this lawsuit can proceed as a class action for settlement purposes only.

### 3. What is this lawsuit about?

The lawsuit alleges that the Illinois Biometric Information Privacy Act ("BIPA"), 740 ILCS 14/1, *et seq.*, prohibits private companies from capturing, obtaining, and/or disclosing biometric identifiers and/or biometric information, alleged to include finger scans, of an individual without first providing such individual with certain written disclosures and obtaining written consent. This lawsuit alleges that Defendants violated the BIPA as described above.

Defendants deny the claims in the lawsuit and contend that they did not do anything wrong and deny that class certification is warranted or appropriate. The Court did not resolve the claims and defenses raised in this action. Nor has the Court determined that Defendants did anything wrong or that this matter should be certified as a class action, except for settlement purposes only and only if the Settlement is fully approved by the Court. Rather, the Parties have, without admitting liability, agreed to settle the lawsuit to avoid the uncertainties and expenses associated with ongoing litigation.

#### **4. Why is there a Settlement?**

To resolve this matter without the expense, delay, and uncertainties of continued litigation, the Parties have reached a Settlement, which resolves all claims against Defendants. The Court has not decided whether the Plaintiff or Defendants should win this case. Instead, both sides agreed to a Settlement. The Settlement is not an admission of wrongdoing by Defendants and does not imply that there has been, or would be, any finding that Defendants violated the law.

**The issuance of this Notice is not an expression of the Court's opinion on the merit or the lack of merit of the Representative Plaintiff's claims or the defenses in the lawsuit. Both parties recognize that to resolve the issues raised in the lawsuit would be time-consuming, uncertain, and expensive.**

The Court has already preliminarily approved the Settlement. Nevertheless, because the settlement of a class action determines the rights of all members of the class, the Court overseeing this lawsuit must give final approval to the Settlement before it can be effective. The Court has conditionally certified the Settlement Class for settlement purposes only, so that members of the Settlement Class can be given this notice and the opportunity submit a Claim Form, object, or to exclude themselves from the Settlement Class. If the Court does not grant final approval of the Settlement, or if it is terminated by the Parties, the Settlement will be void, and the lawsuit will proceed as if there had been no settlement and no certification of the Settlement Class.

#### **WHO'S INCLUDED IN THE SETTLEMENT?**

#### **5. How do I know if I am in the Settlement Class?**

The following **Settlement Class** has been conditionally certified by the Court for settlement purposes only:

All individuals who worked at one of Defendant R.R. Donnelley & Sons Company's locations in the State of Illinois, including, but not limited to, Precision Dialogue Direct, Inc., and who registered for or used a fingertip-scan timekeeping system in connection with their work for Defendants from August 26, 2017 through January 29, 2024.

You will be considered a member of the Settlement Class unless you timely file a valid Opt-Out. **To receive any compensation, you must submit a valid Claim Form.**

## THE SETTLEMENT BENEFITS

### 6. What does the Settlement provide?

Defendants have agreed to create a total Settlement Fund of \$1,700,000. If the Settlement is approved, each Settlement Class Member who submits an Approved Claim will be entitled to a cash payment from the Settlement Fund as more fully described in the Settlement Agreement. For those Settlement Class Members entitled to a cash payment, the exact amount of such payment is unknown at this time and may vary depending on several factors, including the costs of the other expenses to be paid from the Settlement Fund.

The Settlement Administrator will calculate the final amount that is due to each eligible Settlement Class Member and shall pay settlement distributions directly to each eligible Class Member who timely returns a completed valid Claim Form and who does not actively remove himself or herself from the Class and who otherwise qualifies for a payment of approximately \$430.00 per class member after the deduction of attorneys' fees, costs, and Plaintiff's incentive award.

A copy of the Settlement Agreement can be found at the following:  
[[www.RRDbipasettlement.com](http://www.RRDbipasettlement.com)]

### 7. How can I get a payment from the Settlement?

If you are a member of the Settlement Class, you must submit a timely and properly completed Claim Form postmarked **no later than [claims deadline]** to receive a Settlement Payment. If you are a member of the Settlement Class, you should have received a Claim Form in the mail as a postcard. If you did not receive a Claim Form in the mail and you believe you are a member of the Settlement Class, you can request a paper copy of the Claim Form to be sent to you, call toll free, 1-800-000-0000.

### 8. When will I get my payment?

The Final Approval Hearing is scheduled for [Final Approval Hearing Date]. The Parties cannot predict exactly when (or whether) the Court will give final approval to the Settlement, so please be patient. However, if the Court finally approves the Settlement, you will be paid, if eligible, within 14 calendar days after the Effective Date of the Settlement. If there is an appeal of the Settlement, payment may be delayed. Updated information about the case can be obtained through Class Counsel at the telephone number or email address provided below.

All checks will expire and become void 90 days after they are issued.

## REMAINING IN THE SETTLEMENT

### 9. What am I giving up if I stay in the Class?

If the Court approves the proposed Settlement and the Settlement becomes final, the Court will enter a judgment that will dismiss the Action with prejudice on the merits as to all members of the Settlement Class who do not exclude themselves by timely submitting a valid Opt-Out. This means that members of the Settlement Class who do not exclude themselves will be barred from bringing their own lawsuits for recovery against Defendants and Released Parties based on, related to the Released Claims. Giving up your legal claims is called a release. The precise terms of the release are in the Settlement Agreement, which is available on the website identified above. Unless you formally exclude yourself from this Settlement, you will release your claims. If you have any questions, you can talk for free to the attorneys identified below who have been appointed by the Court to represent the Settlement Class, or you are welcome to talk to any other lawyer of your choosing at your own expense.

The Settlement Agreement describes the released claims with specific descriptions, so read it carefully.

#### **10. What happens if I do nothing at all?**

If you are a member of the Settlement Class and do nothing, you will be included in the Settlement Class, but receive no benefits. You will be bound by the Court's judgment of dismissal, and release claims against Defendants and Released Parties relating to the claims in this case.

### **THE LAWYERS REPRESENTING YOU**

#### **11. Do I have a lawyer in the case?**

The Court has appointed Beaumont Costales, LLC to be the attorneys representing the Settlement Class. They are called "Class Counsel." They believe, after conducting an extensive investigation, that the Settlement Agreement is fair, reasonable, and in the best interests of the Settlement Class. You will not be charged for these lawyers. If you want to be represented by your own lawyer in this case, you may hire one at your own expense.

#### **12. How will the lawyers be paid?**

Any Class Counsel attorneys' fees and costs awarded by the Court will be paid out of the Settlement Fund in an amount to be determined by the Court. The fee petition will seek no more than 40% of the Settlement Fund, though the Court may award less than this amount. Under the Settlement Agreement, any amount awarded to Class Counsel will be paid out of the Settlement Fund.

Subject to approval by the Court, the Class Representative will seek to be paid up to \$5,000.00 from the Settlement Fund.

### **EXCLUDING YOURSELF FROM THE SETTLEMENT**

#### **13. How do I exclude myself from of the Settlement?**

If you do not want to be legally bound by the Settlement, you must exclude yourself by mailing your written request for exclusion to the Settlement Administrator, Simpluris, at the address listed below, postmarked on or before the deadline. Your written request for exclusion must be signed and identify the name of the case and case number, *Trejo v. R.R. Donnelley & Sons Company and Precision Dialogue Direct, Inc.*, Case No. 2022 CH 08472, include your full name, current address, telephone number, and a statement that you wish to be excluded from the Settlement. If you exclude yourself, you will not receive any benefits from this Settlement, but you will not release any claims you may have against Defendants.

You must mail or deliver your exclusion request postmarked no later than **[objection/exclusion deadline]** to:

**RRD/PDD BIPA Settlement**  
0000 Street  
City, ST 00000

**14. If I don't exclude myself, can I sue Defendants for the same thing later?**

No. Unless you exclude yourself, you give up any right to sue Defendants and the Released Parties for the Released Claims.

**15. If I exclude myself, can I get anything from this Settlement?**

No. If you exclude yourself, you will not any benefits from the Settlement.

**OBJECTING TO THE SETTLEMENT**

**16. How do I object to the Settlement?**

If you are a Settlement Class Member and do not exclude yourself from the Settlement Class, you can object to the Settlement. If you wish to object to the Settlement, you must file your objection in writing with the Clerk of the Court of the Circuit Court of Cook County, Illinois, 50 W. Washington, Chicago, Illinois 60602. Any objection to the proposed Settlement must include: (i) the Settlement Class Member's full name, address, and current telephone number; (ii) the case name and number of the state court action; (iii) the date range during which the Settlement Class Member was employed by Defendants; (iv) information or documents sufficient to allow the Parties to confirm that the objector is a Settlement Class Member; (v) all grounds for the objection, with specific factual and legal support for the stated objection, including any supporting materials; (vi) if applicable, the identification of any other objections the Settlement Class Member has filed, or has had filed on their behalf, in any other class action cases in the last four years; (viii) a list of all exhibits and witnesses the objector may introduce into evidence or call to testify at the Final Approval Hearing; and (ix) the objector's signature. If you hire an attorney in connection with making an objection, that attorney must also file with the Court a notice of appearance by the objection deadline of **[objection deadline]**. If you do hire your own attorney, you will be solely responsible for payment of any fees and expenses the attorney incurs on your behalf. If you exclude yourself from the Settlement, you cannot file an objection.

Settlement Class Members who do not timely make their objections in this manner will be deemed to have waived all objections and shall not be heard or have the right to appeal approval of the Settlement.

You must also mail or deliver a copy of your objection to Class Counsel and Defendants' Counsel listed below postmarked no later than **[objection deadline]**.

<b>Court</b>	<b>Class Counsel</b>	<b>Defendants' Counsel</b>
Circuit Court of Cook County 50 W. Washington, Chicago, Illinois 60602	Roberto Costales Beaumont Costales LLC 107 W. Van Buren Suite 209 Chicago, Illinois 60605	Orly Henry Littler Mendelson, P.C. 321 N Clark St, Suite 1100 Chicago, Illinois 60654

Any Settlement Class Member objector who has filed and served a timely written objection in accordance with this Section must also appear at the Final Approval Hearing either in person or through counsel hired by the objector. No objector may appear at the Final Approval Hearing unless he/she/they has filed a timely objection that complies with the procedures provided in this Section.

### **THE COURT'S FINAL APPROVAL HEARING**

#### **18. When and where will the Court decide whether to approve the Settlement?**

The Court has already granted preliminary approval of the Settlement. The Court will hold the Final Approval Hearing at **TIME** on **DATE** at the Cook County Courthouse, 50 W. Washington, Chicago, Illinois 60602. The purpose of the hearing will be for the Court to determine whether to approve the Settlement as fair, reasonable, adequate, and in the best interests of the Class; to consider the Class Counsel's request for attorneys' fees and expenses; and to consider the request for an Incentive Award to the Class Representative. At that hearing, the Court will be available to hear any timely filed objections and arguments concerning the fairness of the Settlement.

You are **not** obligated to attend this hearing unless you object to the Settlement. Class Counsel will answer questions the Court may have. But you are welcome to come at your own expense.

The hearing may be postponed to a different date or time without notice.

If the Court does not approve the Settlement, if it approves the Settlement and the approval is reversed on appeal, or if the Settlement does not become final for some other reason, you will not be paid at this time and Settlement Class Members will receive no benefits from the Settlement. Plaintiff, Defendants, and all of the Settlement Class Members will be in the same position as they were prior to the execution of the Settlement, and the Settlement will have no legal effect, no class will be certified, and the Plaintiff and Defendants will continue to litigate the lawsuit. There can be

no assurance that if the Settlement is not approved, the Settlement Class will recover more than is provided in the Settlement, or indeed, anything at all.
