PING WANG, EMILY LEHNES, EMILY RAMOS, JENNIFER KILKUS, and JOHN DOE, individually and on behalf of all others similarly situated,

Plaintiffs,

v.

THE CORPORATION OF MERCER UNIVERSITY,

Defendant.

Civil Action No.:
5:23-cv-00193-TES

SETTLEMENT AGREEMENT AND RELEASE

This Settlement Agreement and Release (“Settlement Agreement”) is made and entered into by and among the following Settling Parties (defined below), by and through the parties’ counsel of record: (i) Defendant The Corporation of Mercer University (“Mercer”); and (ii) Plaintiffs Ping Wang, Emily Lehnnes, Emily Ramo, Jennifer Kilkus, and John Doe, both individually and on behalf of the Class (collectively, “Plaintiffs” or “Representative Plaintiffs”), in the case of *Wang et al. v. The Corporation of Mercer University*, 5:23-cv-00193-TES (M.D. Ga.). Mercer and Plaintiffs are each referred to as a “Party” and are collectively referred to herein as the “Parties” or the “Settling Parties.” The Settlement Agreement (defined below) is subject to Court approval and is intended by the Settling Parties to fully, finally, and forever resolve, discharge, and settle the Released Claims (defined below), upon and subject to the terms and conditions thereof.

I. THE LITIGATION

This litigation arises out of a data security incident affecting certain Mercer computer systems between February 12 and 24, 2023 (the “Data Incident”). Specifically, an unauthorized actor accessed certain files store on Mercer’s computer system, and some of these files may have included personally identifiable information of Mercer’s employees and students, including their names in combination with their Social Security numbers and/or driver’s license numbers.

On May 31, 2023, Plaintiffs began filing separate class action lawsuits against Mercer based on the Data Incident. On October 3, 2023, Plaintiffs filed a consolidated putative class action complaint against Mercer in the United Stated District Court for the Middle District of Georgia (the “Consolidated Complaint”), asserting claims of negligence, unjust enrichment, breach of implied contract, violations of the Georgia Security Breach Notification Act, O.C.G.A. § 10-1-912 *et seq.*, and Deceptive Trade Practices Act, O.C.G.A. § 10-1-370 *et seq.*, and declaratory judgment (the “Litigation”).

On November 2, 2023, Mercer filed a motion to dismiss the Consolidated Complaint pursuant to Federal Rule of Civil Procedure 12(b)(6). The Parties completed briefing the motion to dismiss on December 27, 2023, wherein Plaintiffs conceded that their statutory claim under the Georgia Security Breach Notification Act should be dismissed. While the motion to dismiss was pending with the Court, the Parties agreed to participate in mediation. Mercer also responded to Plaintiffs’ requests for documents and information pursuant to Federal Rule of Evidence 408 to facilitate mediation.

On May 20, 2024, the Parties participated in a full-day mediation before JAMS mediator Bruce A. Friedman. The Parties were unable to come to a settlement agreement. Following the mediation, the Parties continued arms-length negotiations with the assistance of Mr. Friedman.

On June 6, 2024, Mr. Friedman presented a mediator's proposal, which the Parties considered and subsequently accepted, the salient terms of which were memorialized in a term sheet signed by the Parties' counsel on July 31, 2024. The full terms of the Parties' agreement are set forth in this Settlement Agreement and attached exhibits.

The Parties have agreed to settle the Litigation on the terms and conditions set forth herein in recognition that the outcome of the Litigation is uncertain that achieving a final result through litigation would require substantial risk, uncertainty, discovery, time, and expense for both of the Parties.

II. THE CLAIMS OF REPRESENTATIVE PLAINTIFFS AND BENEFITS OF SETTLEMENT

Plaintiffs believe the claims asserted in the Litigation, as set forth in the Consolidated Complaint, have merit. Plaintiffs and Class Counsel (defined below) recognize and acknowledge, however, the expense and length of continued proceedings necessary to prosecute the Litigation against Mercer through continued motion practice, trial, and potential appeals. They have also considered the uncertain outcome and risk of further litigation, as well as the difficulties and delays inherent in such litigation, especially in complex class actions. Class Counsel are highly experienced in class action litigation and very knowledgeable regarding the relevant claims, remedies, and defenses at issue generally in such litigation and in this Litigation. They have determined that the settlement set forth in this Settlement Agreement is fair, reasonable, and adequate, and in the best interests of the Settlement Class.

III. DENIAL OF WRONGDOING AND LIABILITY

Mercer denies each and all of the claims and contentions alleged against it in the Litigation. Mercer denies all charges of wrongdoing or liability as alleged, or which could be alleged, in the Litigation. Nonetheless, Mercer has concluded that further litigation would be protracted and

expensive, and that it is desirable that the Litigation be fully and finally settled in the manner and upon the terms and conditions set forth in this Settlement Agreement. Mercer has considered the uncertainty and risks inherent in any litigation. Mercer has, therefore, determined that it is desirable and beneficial that the Litigation be settled in the manner and upon the terms and conditions set forth in this Settlement Agreement.

IV. SETTLEMENT TERMS & DEFINITIONS

NOW, THEREFORE, IT IS HEREBY STIPULATED AND AGREED, by and among Plaintiffs, individually and on behalf of the Settlement Class, Class Counsel, and Mercer that, subject to the approval of the Court, the Litigation, and the Released Claims shall be finally and fully compromised, settled, and released, and the Litigation shall be dismissed with prejudice as to the Settling Parties and the Settlement Class, except those members of the Settlement Class who timely opt-out of the Settlement, upon and subject to the terms and conditions of this Settlement Agreement, as follows:

With respect to any and all Released Claims, the Settling Parties stipulate and agree that upon the Effective Date, Plaintiffs intend to and expressly shall have waived the provisions, rights, and benefits conferred by California Civil Code § 1542, (or any similar comparable, or equivalent provision of any federal, state or foreign law, or principle of common law which is similar, comparable, or equivalent to California Civil Code §1542), which provides:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

Plaintiffs may hereafter discover facts in addition to, or different from, those that they, and any of them, now know or believe to be true with respect to the subject matter of the Released Claims, but Plaintiffs expressly shall have, upon the Effective Date, fully, finally and forever settled and released any and all Released Claims. The Settling Parties acknowledge that the foregoing waiver is a material element of the Settlement Agreement of which this release is a part.

1.33 “Valid Claims” means Claims in an amount approved by the Settlement Administrator or found to be valid through the claims processing and/or Dispute Resolution process.

2. Settlement Structure

2.1 Settlement Benefits: Settlement Class Members shall have the opportunity to submit a Claim for Settlement Benefits on or before the Claims Deadline. The benefits available to Settlement Class Members, as described below, shall include: (1) reimbursement for “Ordinary”

Out-of-Pocket Losses and Attested Time; (2) reimbursement for “Extraordinary” Out-of-Pocket Losses; and (3) Credit Monitoring Services.

2.1.1 “Ordinary” Out-of-Pocket Losses and Attested Time: All Settlement Class Members may submit a claim for Ordinary Out-of-Pocket Losses and Attested Time up to \$450 per individual.

- i. “Ordinary Out-of-Pocket Losses” are unreimbursed costs or expenditures incurred by a Settlement Class Member in responding to notice of the Data Incident that are fairly traceable to the Data Incident. Ordinary Out-of-Pocket Losses may include, without limitation, the following: (1) costs incurred on or after May 24, 2023 associated with accessing or freezing/unfreezing credit reports with any credit reporting agency; (2) other miscellaneous expenses incurred related to any Ordinary Out-of-Pocket Loss such as notary, fax, postage, copying, mileage, and long-distance telephone charges; and (3) credit monitoring or other mitigative costs that were incurred on or after May 24, 2023 through the date of the Class member’s claim submission.
- ii. Settlement Class Members who elect to submit a claim for reimbursement of Ordinary Out-of-Pocket Losses must provide to the Settlement Administrator the information required to evaluate the claim, including: (1) the Settlement Class Member’s name and current address; (2) documentation supporting their claim; and (3) a brief description of the documentation describing the nature of the loss, if the nature of the loss is not apparent from the documentation alone. Documentation supporting Ordinary Out-of-Pocket Losses can include receipts or other documentation not “self-prepared” by the Settlement Class Member that documents the costs incurred.
- iii. Settlement Class Members may also submit a claim for up to 5 hours of time spent remedying issues related to the Data Incident at \$20 per hour by providing an attestation and a written (narrative) description of (1) the actions taken in response to the Data Incident, and (2) the time associated with those actions (“Attested Time”).

2.1.2 “Extraordinary” Out-of-Pocket Losses: In addition to submitting a claim for Ordinary Out-of-Pocket Losses, Settlement Class Members may submit a claim for Extraordinary Out-of-Pocket Losses up to \$5,500 per individual.

- i. “Extraordinary Out-of-Pocket Losses” are unreimbursed monetary losses incurred by a Settlement Class Member that are more likely than not directly arising from identity theft or other fraud perpetrated against the Settlement Class Member as a result of the Data Incident. Extraordinary Out-of-Pocket Losses may include, without limitation, the unreimbursed costs, expenses, losses or charges incurred a result of identity theft or identity fraud, falsified tax returns, or other possible misuse of Settlement Class Member’s personal information.
- ii. Settlement Class Members who elect to submit a claim for reimbursement of Extraordinary Out-of-Pocket Losses must provide to the Settlement Administrator the information required to evaluate the claim, including: (1) the Settlement Class Member’s name and current address; (2) an attestation and documentation supporting their claim; and (3) a brief description of the documentation describing the nature of the loss, if the nature of the loss is not apparent from the documentation alone. Documentation supporting Extraordinary Out-of-Pocket Losses can include receipts or other documentation not “self-prepared” by the Settlement Class Member that documents the costs incurred.

2.1.3 Credit Monitoring Services. Settlement Class Members can elect to enroll in two (2) years of three-bureau credit monitoring services under the Settlement that will include a minimum of the following features: (1) dark web scanning with immediate user notification if potentially unauthorized use of a Class member’s personal information is detected; (2) identity theft insurance; (3) real-time credit monitoring with Equifax, Experian, or TransUnion; and (4) access to fraud resolution agents as described above (“Credit Monitoring Services”). Credit Monitoring Services are available to all Class members regardless of whether they submit a claim for Ordinary or Extraordinary Out-of-Pocket Losses and Attested Time under the settlement. Class Members who request Credit Monitoring Services must submit a claim to receive such services.

2.1.4 Business Practice Commitments. Mercer has implemented and will maintain certain reasonable data security-related measures as has been identified. Costs associated with these business practice commitments are paid by Mercer separate and apart from other

Settlement Benefits. The costs of the changes made by Defendant are approximately \$800,000. Mercer will continue to invest and maintain reasonable data security-related measures for the next two years.

2.2 Notice Deadline: Settlement Class Member seeking Settlement Benefits under ¶ 2.1 must complete and submit a Claim Form to the Settlement Administrator, postmarked or submitted online on or before the 90th day after the Notice Date. The Short Form Notice and Long Form Notice to the Settlement Class will specify this deadline and other relevant dates described herein. The Claim Form must be verified by the Settlement Class Member with a statement that his or her claim is true and correct, to the best of his or her knowledge and belief and is made under penalty of perjury. Notarization shall not be required.

2.3 Dispute Resolution:

2.3.1 The Settlement Administrator in its sole discretion to be reasonably exercised, will determine whether: (1) the Claimant is a Settlement Class Member; (2) the Claimant has provided all information needed to complete the Claim Form, including any documentation that may be necessary to reasonably support the Ordinary and Extraordinary Out-of-Pocket Losses described above; and (3) the information submitted could lead a reasonable person to conclude that more likely than not the Claimant has suffered the claimed losses as a result of the Data Incident. The Settlement Administrator is authorized to contact any Settlement Class Member to seek clarification regarding a submitted claim prior to making a determination as to its validity. Ordinary and Extraordinary Out-of-Pocket Losses are not eligible for reimbursement to the extent a Settlement Class Member has already been reimbursed for the same

expense by any other source, including any compensation provided in connection with the credit monitoring product previously offered by Mercer.

2.3.2 To the extent the Settlement Administrator determines a Claim for Settlement Benefits is deficient in whole or in part, within a reasonable time of making such a determination, but no later than 10 days after the Claims Deadline, the Settlement Administrator is authorized to contact the Settlement Class Member via telephone or e-mail in an attempt to informally resolve the deficiency prior to sending a formal deficiency notice. If the deficiency is not resolved in this manner, the Settlement Administrator shall formally notify the Settlement Class Member of the deficiencies and give the Settlement Class Member 21 days to cure the deficiencies. Such notifications shall be sent via e-mail, unless the Claimant did not provide an e-mail address, in which case such notifications shall be sent via U.S. mail.

2.3.3 If the Settlement Class Member attempts to cure the deficiencies but, at the sole discretion and authority of the Settlement Administrator, fails to do so, the Settlement Administrator shall notify the Settlement Class Member of that determination within 10 days of the determination that the deficiencies have not been cured. The Settlement Administrator may consult with counsel for both Parties prior to making such determinations. The notice shall inform the Settlement Class Member of his or her right to dispute in writing the deficiency determination and of his or her right to request an appeal of this determination within 30 days of the deficiency determination.

2.3.4 If a Settlement Class Member disputes in writing a determination and requests an appeal, the Settlement Administrator shall provide Class Counsel and Defense Counsel a copy of the Settlement Class Member's dispute and his or her Claim Form along with all documentation or other information submitted by the Settlement Class Member. Class Counsel

and Defense Counsel shall confer regarding the claim submission, and their agreement on approval or denial of the Settlement Class Member's claim, in whole or in part, will be final.

2.4 Notice and Settlement Administration Expenses. All Notice and Settlement Administration Costs, including, without limitation, the fees and expenses of the Settlement Administrator, shall be paid, or cause to be paid, by Mercer directly to the Settlement Administrator.

2.5 Medicare/Medicaid Reporting: To enable reporting to the Centers for Medicare & Medicaid Services, any Settlement Class Member that is a Medicare beneficiary who sought services from a health care professional for emotional distress arising out of the Data Incident and may receive payment of over \$750 under this Settlement will be required to provide additional information, including their full name, gender, date of birth, and Social Security Number (last five digits at a minimum) or full Medicare Beneficiary Number to be eligible for payment.

3. Opt-Out Procedures

3.1 Each Settlement Class Member wishing to opt-out of the Settlement Class shall individually sign and timely submit written notice of such intent to the designated Post Office box established by the Settlement Administrator. The written notice must clearly manifest the Settlement Class Member's intent to opt-out of the Settlement Class. To be effective, written notice must be postmarked no later than 60 days after the Notice Date.

3.2 All Persons who submit valid and timely notices of their intent to opt-out of the Settlement Class, as set forth in ¶ 3.1 above, referred to herein as "Opt-Outs," shall not receive any benefits of and/or be bound by the terms of this Settlement Agreement. All Persons falling within the definition of the Settlement Class who do not opt-out of the Settlement Class in the manner set forth in ¶ 3.1 above shall be bound by the terms of this Settlement Agreement and Judgment entered thereon.

3.3 In the event that within 14 days after the Opt-Out Date as approved by the Court, there have been more than 200 timely and valid Opt-Outs submitted, Mercer shall have the right, by notifying Settlement Class Counsel and the Court in writing, to void this Settlement Agreement. If Mercer voids the Settlement Agreement pursuant to this paragraph, Mercer shall be obligated to pay all settlement expenses already incurred to date, excluding any attorneys' fees, costs, expenses of Class Counsel, and/or service awards.

4. Objection Procedures

4.1 Each Settlement Class Member desiring to object to the Settlement Agreement shall submit a timely written notice of his or her objection by the Objection Date. Such notice shall state: (i) the objector's full name and address; (ii) the case name and docket number: *Wang et al. v. The Corporation of Mercer University*, 5:23-cv-00193-TES (M.D. Ga.); (iii) a written statement of all grounds for the objection, including whether the objection applies only to the objector, to a subset of the Settlement Class, or to the entire Settlement Class, accompanied by any legal support for the objection the objector believes applicable; (iv) the identity of any and all counsel representing the objector in connection with the objection; (v) a statement whether the objector and/or his or her counsel will appear at the Final Fairness Hearing; and (vi) the objector's signature or the signature of the objector's duly authorized attorney or other duly authorized representative (if any) representing him or her in connection with the objection. To be timely, written notice of an objection in the appropriate form must be mailed, with a postmark date no later than 60 days from the Notice Date to Class Counsel and Defense Counsel (addresses below). The objector or his or her counsel may also file their Objection with the Court through the Court's ECF system, with service on Class Counsel and Defense Counsel, to be made through the ECF system. For all objections mailed to Class Counsel and Defense Counsel, Class Counsel will file them with the Court as an exhibit to Plaintiffs' motion for final approval.

4.2 Any Settlement Class Member who fails to comply with the requirements for objecting in ¶ 4.1 shall waive and forfeit any and all rights he or she may have to appear separately and/or to object to the Settlement Agreement, and shall be bound by all the terms of the Settlement Agreement and by all proceedings, orders and judgments in the Litigation. The exclusive means for any challenge to the Settlement Agreement shall be through the provisions of ¶ 4.1. Without limiting the foregoing, any challenge to the Settlement Agreement, the final order approving this Settlement Agreement, or the Judgment to be entered upon final approval shall be pursuant to appeal under the Federal Rules of Appellate Procedure and not through a collateral attack.

5. Settlement Class Certification

5.1 The Settling Parties agree, for purposes of this Settlement only, to the certification of the Settlement Class. If the settlement set forth in this Settlement Agreement is not approved by the Court, or if the Settlement Agreement is terminated or cancelled pursuant to the terms of this Settlement Agreement, this Settlement Agreement, and the certification of the Settlement Class provided for herein, will be vacated and the Litigation shall proceed as though the Settlement Class had never been certified, without prejudice to any Person's or Settling Party's position on the issue of class certification or any other issue.

5.2 The Settling Parties' agreement to the certification of the Settlement Class is without prejudice to any position asserted by the Settling Parties in any other proceeding, case or action, as to which all of their rights are specifically preserved.

6. Releases

6.1 Upon the Effective Date, each Settlement Class Member, including Plaintiffs, shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged all Released Claims. Further, upon the Effective Date, and to the fullest extent permitted by law, each Settlement Class Member, including Plaintiffs, shall, either directly, indirectly, representatively, as a member of or on behalf of the general public or in any capacity, be permanently barred and enjoined from commencing, prosecuting, or participating in any recovery in any action in this or any other forum (other than participation in the settlement as provided herein) in which any of the Released Claims is asserted.

6.2 Upon the Effective Date, Mercer shall be deemed to have, and by operation of the Judgment shall have, fully, finally, and forever released, relinquished, and discharged, Representative Plaintiffs, each and all of the Settlement Class Members, Class Counsel, of all claims, including Unknown Claims, based upon or arising out of the institution, prosecution, assertion, settlement, or resolution of the Litigation, except for enforcement of the Settlement Agreement. Any other claims or defenses Mercer may have against such Persons including, without limitation, any claims based upon or arising out of any contractual, employment, or other business relationship with such Persons that are not based upon or do not arise out of the institution, prosecution, assertion, settlement, or resolution of the Litigation are specifically preserved and shall not be affected by the preceding sentence.

6.3 Notwithstanding any term herein, neither Mercer nor its Released Parties shall have or shall be deemed to have released, relinquished or discharged any claim or defense against any

Person other than Representative Plaintiffs, each and all of the Settlement Class Members, and Class Counsel.

7. Plaintiffs' Counsel's Attorneys' Fees, Costs, and Expenses

7.1 The Settling Parties did not discuss the payment of attorneys' fees, costs, and/or expenses, as provided for in ¶¶ 7.2, until after the substantive terms of the settlement had been agreed upon. Mercer and Class Counsel have agreed to the following:

7.2 Plaintiffs will move the Court for an order awarding reasonable attorneys' fees, expenses, and service awards up to a total of \$300,000. Mercer does not oppose Plaintiffs' request for reasonable attorneys' fees and litigation expenses up to a total of \$300,000. Mercer takes no position on Plaintiffs' request for, and right to seek, service fees, so long as any award of service fees is to be paid out of any award of up to \$300,000 for Plaintiffs' reasonable attorneys' fees and litigation expenses.

7.3 Within 30 days of the Effective Date, Mercer shall pay or cause to be paid the Court-approved amount of attorneys' fees, litigation expenses, and service awards to the Settlement Administrator.

7.4 The Settlement Administrator will handle distribution to Class Counsel and shall pay any Court awarded attorneys' fees, costs, and expenses to the IOLTA account maintained by Federman & Sherwood.

8. Preliminary Approval Order and Publishing of Notice of Final Fairness Hearing

8.1 Contemporaneously with Plaintiffs' Motion for Preliminary Approval, but in no event later than 45 days after the date this Agreement is signed, Class Counsel and Defense Counsel shall jointly submit this Settlement Agreement to the Court, and Class Counsel will file a motion for preliminary approval of the settlement with the Court requesting entry of a Preliminary

Approval Order in the form substantially similar to Exhibit D in both terms and cost, requesting, *inter alia*:

- a) certification of the Settlement Class for settlement purposes only pursuant to ¶ 5.1;
- b) preliminary approval of the Settlement Agreement as set forth herein;
- c) appointment of Class Counsel as Settlement Class Counsel;
- d) appointment of Plaintiffs as Class Representatives;
- e) approval of the Short Form Notices to be mailed to Settlement Class Members in a form substantially similar to the one attached as Exhibit C to this Settlement Agreement;
- f) approval of the Long Form Notice to be posted on the Settlement Website in a form substantially similar to the one attached as Exhibit B to this Settlement Agreement, which, together with the Short Form Notices, shall include a fair summary of the Parties' respective litigation positions, statements that the settlement and Notice are legitimate and that the Settlement Class Members are entitled to benefits under the settlement, the general terms of the settlement set forth in the Settlement Agreement, instructions for how to object to or opt-out of the settlement, instructions for the process and instructions for making claims to the extent contemplated herein, and the date, time and place of the Final Fairness Hearing;

Immaterial revisions to these documents may also be made prior to dissemination of Notice.

9. Settlement Administration and Class Notice

9.1 Notice shall be provided to Settlement Class Members by the Settlement Administrator as follows:

- a. *Class Member Information*: No later than 10 days after entry of the Preliminary Approval Order, Mercer shall provide the Settlement Administrator with the name and last known physical address of each Settlement Class Member (collectively, “Class Member Information”) that Mercer possesses.
- b. *Notice Payment*: No later than 30 days after entry of the Preliminary Approval Order, Mercer shall pay or cause to be paid to the Settlement Administrator the funds necessary to pay for the printing costs and costs of mailing Notice. The Settlement Administrator must submit an invoice to Mercer within 5 days after the Preliminary Approval Order to recover reasonable costs associated with printing and mailing Notice and provide Mercer with ACH/wire instructions for payment. Mercer shall direct payment of the amount invoiced to the Settlement Administrator. The timing set forth in this provision is contingent upon the receipt of a W-9 from the Settlement Administrator within 5 Days of the date that the Preliminary Approval Order is issued. If Mercer does not receive this

information by 5 Days after the date that the Preliminary Approval Order is issued, the payments specified by this paragraph shall be made within 30 days after Mercer receives this information.

- c. The Class Member Information and its contents shall be used by the Settlement Administrator solely for the purpose of performing its obligations pursuant to this Agreement and shall not be used for any other purpose at any time. Except to administer the settlement as provided in this Settlement Agreement or provide all data and information in its possession to the Settling Parties upon request, the Settlement Administrator shall not reproduce, copy, store, or distribute in any form, electronic or otherwise, the Class Member Information.
- d. *Settlement Website*: Prior to the dissemination of the Notice, the Settlement Administrator shall establish the Settlement Website that will inform Settlement Class Members of the terms of this Settlement Agreement, their rights, dates and deadlines and related information (“Settlement Website”). The Settlement Website shall include, in .pdf format and available for download, the following: (i) the Short Form Notice; (ii) the Long Form Notice; (iii) the Claim Form; (iv) the Preliminary Approval Order; (v) this Settlement Agreement; and (vi) any other materials agreed upon by the Parties and/or required by the Court. The Settlement Website shall provide Settlement Class Members with the ability to complete and submit the Claim Form electronically.

- e. *Short Form Notices*: Within 30 days after the entry of the Preliminary Approval Order (“Notice Date”), and subject to the requirements of this Settlement Agreement and the Preliminary Approval Order, the Settlement Administrator will provide Notice to the Settlement Class via mail to the postal address in Mercer’s possession. Before any mailing under this paragraph occurs, the Settlement Administrator shall run the postal addresses of Settlement Class Members through the United States Postal Service (“USPS”) National Change of Address database to update any change of address on file with the USPS.
- f. In the event that a Short Form Notice is returned to the Settlement Administrator by the USPS because the address of the recipient is no longer valid, and the envelope contains a forwarding address, the Settlement Administrator shall re-send the Short Form Notice to the forwarding address within a reasonable period of time after receiving the returned Short Form Notice.
- g. In the event that subsequent to the first mailing of a Short Form Notice, and at least 14 days prior to the Opt-Out Date and Objection Date, a Short Form Notice is returned to the Settlement Administrator by the USPS because the address of the recipient is no longer valid, i.e., the envelope is marked “Return to Sender” and does not contain a new forwarding address, the Settlement Administrator shall perform a standard skip trace, in the manner that the Settlement Administrator customarily performs skip traces, in an effort to attempt to ascertain the current address of the particular Settlement

Class Member in question and, if such an address is ascertained, the Settlement Administrator will re-send the Short Form Notice within seven days of receiving such information. This shall be the final requirement for mailing;

- h. Publishing, on or before the Notice Date, the Claim Forms, Long Form Notice and this Settlement Agreement on the Settlement Website, as specified in the Preliminary Approval Order, and maintaining and updating the website throughout the claim period;
- i. A toll-free help line with an IVR system and a live call-back option shall be made available to provide Settlement Class Members with additional information about the settlement. The Settlement Administrator also will provide copies of the Long Form Notice and paper Claim Form, as well as this Settlement Agreement, upon request; and
- j. Contemporaneously with seeking Final Approval of the Settlement, Class Counsel and Mercer shall cause to be filed with the Court an appropriate affidavit or declaration with respect to complying with these provisions regarding notice.

9.2 The Settlement Administrator shall administer and calculate the claims submitted by Settlement Class Members under ¶ 2.1. The Settlement Administrator shall provide Class Counsel and Defense Counsel reports as to both claims and distribution and Class Counsel and Defense Counsel have the right to review and obtain supporting documentation and challenge such reports if they believe them to be inaccurate or inadequate. The Settlement Administrator's determination of whether a Settlement Claim is a Valid Claim shall be binding, subject to the

Dispute Resolution process set forth in ¶ 2.3. All claims agreed to be paid in full by Mercer shall be deemed valid. The Settlement Administrator must submit an invoice to Mercer for payment of all Valid Claims within 5 days of the Effective Date or as soon as all Claim deficiencies are resolved via the Dispute Resolution process set forth in ¶ 2.3.

9.3 Payment of Valid Claims, whether via mailed check or electronic distribution, shall be made within 35 days of the Effective Date or after all Claim deficiencies are resolved via the Dispute Resolution process set forth in ¶ 2.3, whichever is the later.

9.4 Payment of the remaining Notice and Settlement Administration Costs shall be made within 35 days of the Effective Date. The Settlement Administrator must submit an invoice to Mercer for payment of all remaining Notice and Settlement Administration Costs within 5 days of the Effective Date or as soon as all Claim deficiencies are resolved via the Dispute Resolution process set forth in ¶ 2.3.

9.5 All Settlement Class Members who fail to timely submit a claim for any benefits hereunder within the time frames set forth herein, or such other period as may be ordered by the Court, or otherwise allowed, shall be forever barred from receiving any payments or benefits pursuant to the settlement set forth herein, but will in all other respects be subject to, and bound by, the provisions of the Settlement Agreement, the releases contained herein and the Judgment.

9.6 No Person shall have any claim against the Settlement Administrator, Mercer, Class Counsel, Plaintiffs, and/or Defense Counsel based on distributions of benefits to Settlement Class Members.

9.7 The Parties and their respective counsel have made no representation or warranty with respect to the tax treatment by any Class Representative or any Settlement Class Member of any payment or transfer made pursuant to this Agreement. Each Class Representative and

Settlement Class Member shall be solely responsible for the federal, state, and local tax consequences to him, her, or it of the receipt of funds pursuant to this Agreement.

10. Conditions of Settlement, Effect of Disapproval, Cancellation, or Termination

10.1 The Effective Date of the settlement shall be conditioned on the occurrence of all of the following events:

- a. the Court has entered the Preliminary Approval Order and Publishing of Notice of a Final Fairness Hearing, as required by ¶ 8.1;
- b. Mercer has not exercised its option to terminate the Settlement Agreement pursuant to ¶ 3.3;
- c. the Court has entered the Judgment granting final approval to the settlement as set forth herein; and
- d. the Judgment has become Final, as defined in ¶ 1.11.

10.2 If all conditions specified in ¶ 10.1 hereof are not satisfied, the Settlement Agreement shall be canceled and terminated subject to ¶ 10.4 unless Class Counsel and Defense Counsel mutually agree in writing to proceed with the Settlement Agreement.

10.3 Within seven days after the Opt-Out Date, the Settlement Administrator shall furnish to Class Counsel and to Defense Counsel a complete list of all timely and valid requests for exclusion (the “Opt-Out List”).

10.4 In the event that the Settlement Agreement or the releases set forth in ¶¶ 6.1, 6.2, and 6.3 above are not approved by the Court or the settlement set forth in the Settlement Agreement is terminated in accordance with its terms, (i) the Settling Parties shall be restored to their respective positions in the Litigation and shall jointly request that all scheduled litigation deadlines be reasonably extended by the Court so as to avoid prejudice to any Settling Party or Settling Party’s counsel, and (b) the terms and provisions of the Settlement Agreement shall have no further

force and effect with respect to the Settling Parties and shall not be used in the Litigation or in any other proceeding for any purpose, and any judgment or order entered by the Court in accordance with the terms of the Settlement Agreement shall be treated as vacated, *nunc pro tunc*. Notwithstanding any statement in this Settlement Agreement to the contrary, no order of the Court or modification or reversal on appeal of any order reducing the amount of attorneys' fees, costs, expenses, and/or service awards shall constitute grounds for cancellation or termination of the Settlement Agreement. Further, notwithstanding any statement in this Settlement Agreement to the contrary, Mercer shall be obligated to pay amounts already billed or incurred for costs of notice to the Settlement Class above and shall not, at any time, seek recovery of same from any other party to the Litigation or from counsel to any other party to the Litigation.

11. Miscellaneous Provisions

11.1 The Settling Parties (i) acknowledge that it is their intent to consummate this Agreement; and (ii) agree to cooperate to the extent reasonably necessary to effectuate and implement all terms and conditions of this Settlement Agreement, and to exercise their best efforts to accomplish the terms and conditions of this Settlement Agreement.

11.2 The Settling Parties intend this settlement to be a final and complete resolution of all disputes between them with respect to the Litigation. The settlement compromises claims that are contested and shall not be deemed an admission by any Settling Party as to the merits of any claim or defense. The Settling Parties each agree that the settlement was negotiated in good faith by the Settling Parties and reflects a settlement that was reached voluntarily after consultation with competent legal counsel. The Settling Parties reserve their right to rebut, in a manner that such party determines to be appropriate, any contention made in any public forum that the Litigation was brought or defended in bad faith or without a reasonable basis. It is agreed that no Party shall have any liability to any other Party as it relates to the Litigation, except as set forth herein.

11.3 Neither the Settlement Agreement, nor the settlement contained herein, nor any act performed or document executed pursuant to or in furtherance of the Settlement Agreement or the settlement (i) is or may be deemed to be or may be used as an admission of, or evidence of, the validity or lack thereof of any Released Claim, or of any wrongdoing or liability of any of the Released Parties; or (ii) is or may be deemed to be or may be used as an admission of, or evidence of, any fault or omission of any of the Released Parties in any civil, criminal or administrative proceeding in any court, administrative agency or other tribunal. Any of the Released Parties may file the Settlement Agreement and/or the Judgment in any action that may be brought against them or any of them in order to support a defense or counterclaim based on principles of res judicata, collateral estoppel, release, good faith settlement, judgment bar, or reduction or any other theory of claim preclusion or issue preclusion or similar defense or counterclaim.

11.4 The Settlement Agreement may be amended or modified only by a written instrument signed by or on behalf of all Settling Parties or their respective successors-in-interest.

11.5 This Agreement contains the entire understanding between Mercer and Plaintiffs regarding the payment of the Litigation settlement and supersedes all previous negotiations, agreements, commitments, understandings, and writings between Mercer and Plaintiffs in connection with the payment of the Litigation settlement. Except as otherwise provided herein, each party shall bear its own costs.

11.6 Class Counsel, on behalf of the Settlement Class, is expressly authorized by Plaintiffs to take all appropriate actions required or permitted to be taken by the Settlement Class pursuant to the Settlement Agreement to effectuate its terms, and also are expressly authorized to enter into any modifications or amendments to the Settlement Agreement on behalf of the

Settlement Class which they deem appropriate in order to carry out the spirit of this Settlement Agreement and to ensure fairness to the Settlement Class.

11.7 Each counsel or other Person executing the Settlement Agreement on behalf of any party hereto hereby warrants that such Person has the full authority to do so.

11.8 The Settlement Agreement may be executed in one or more counterparts. All executed counterparts and each of them shall be deemed to be one and the same instrument. A complete set of original executed counterparts shall be filed with the Court.

11.9 The Settlement Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of the parties hereto.

11.10 The Court shall retain jurisdiction with respect to implementation and enforcement of the terms of the Settlement Agreement, and all parties hereto submit to the jurisdiction of the Court for purposes of implementing and enforcing the settlement embodied in the Settlement Agreement.

11.11 As used herein, “he” means “he, she, or it;” “his” means “his, hers, or its,” and “him” means “him, her, or it.”

11.12 All dollar amounts are in United States dollars (USD).

11.13 Cashing a settlement check is a condition precedent to any Settlement Class Member’s right to receive settlement benefits. All settlement checks shall be void 90 days after issuance and shall bear the language: “This check must be cashed within 90 days, after which time it is void.” If a check becomes void, the Settlement Class Member shall have until 180 days after the Effective Date to request re-issuance. If no request for re-issuance is made within this period, the Settlement Class Member will have failed to meet a condition precedent to recovery of settlement benefits, the Settlement Class Member’s right to receive monetary relief shall be

extinguished, and Mercer shall have no obligation to make payments to the Settlement Class Member for expense reimbursement under ¶ 2.1 or any other type of monetary relief. The same provisions shall apply to any re-issued check. For any checks that are issued or re-issued for any reason more than 180 days from the Effective Date, requests for re-issuance need not be honored after such checks become void.

11.14 All agreements made and orders entered during the course of the Litigation relating to the confidentiality of information shall survive this Settlement Agreement.

20. How do I get more information about the Settlement?

BASIC INFORMATION

1. How do I know if I am affected by the Lawsuit and Settlement?

You are a Settlement Class Member if you were notified that their information may have been impacted in the Data Incident.

The Settlement Class specifically excludes: (i) Mercer and its respective officers and directors; (ii) all Settlement Class Members who timely and validly request exclusion from the Settlement Class; (iii) the Judge and/or magistrate assigned to evaluate the fairness of this settlement; and (iv) any other Person found by a court of competent jurisdiction to be guilty under criminal law of initiating, causing, aiding, or abetting the Data Incident or who pleads *nolo contendere* to any such charge.

2. What is this case about?

This case is known as *Wang et al. v. The Corporation of Mercer University*, Case No. 5:23-cv-00193, filed in the United States District Court for the Middle District of Georgia (the “Lawsuit”). The individuals who sued are called the “Plaintiffs” and the company they sued, The Corporation of Mercer University, is known as the “Defendant” in this case. The Corporation of Mercer University will be called “Defendant” in this Notice.

Plaintiffs filed a lawsuit against Defendant, individually, and on behalf of anyone whose personally identifiable information, including names in combination with Social Security numbers and/or driver’s license numbers (“Personal Information”) was potentially impacted as a result of the Data Incident.

This Lawsuit arises out of a data security incident affecting certain Mercer computer systems between February 12 and 24, 2023.

3. Why is there a Settlement?

By agreeing to settle, both sides avoid the cost, disruption, and distraction of further litigation. The Class Representatives, Defendant, and their attorneys believe the proposed Settlement is fair, reasonable, and adequate and, thus, best for the Settlement Class Members. The Court did not decide in favor of the Plaintiffs or Defendant. Full details about the proposed Settlement are found in the Settlement Agreement available at [www.\[CASE WEBSITE\].com](#).

4. Why is this a class action?

In a class action, one or more people called “Class Representatives” sue on behalf of all people who have similar claims. All of these people together are the “Settlement Class” or “Settlement Class Members.”

5. How do I know if I am included in the Settlement?

You are included in the Settlement if you were notified that their information may have been impacted in the Data Incident. If you are not sure whether you are included as a Settlement Class Member, or have any other questions about the Settlement, visit [www.\[CASE WEBSITE\].com](#), call toll free 1-888-XXX-XXX, or write to:

THE SETTLEMENT BENEFITS

6. What does this Settlement provide?

The proposed Settlement will provide the following benefits to Settlement Class Members:

Documented Ordinary Out-of-Pocket Losses and Attested Time Reimbursement: All Settlement Class Members who submit a Valid Claim using the Claim Form are eligible for reimbursement of documented out-of-pocket losses and attested time, not to exceed \$450 per Settlement Class Member.

Ordinary Out-of-Pocket Losses are unreimbursed costs or expenditures incurred by a Settlement Class Member in responding to notice of the Data Incident that are fairly traceable to the Data Incident. Ordinary Out-of-Pocket Losses may include, without limitation, the following: (1) costs incurred on or after May 24, 2023 associated with accessing or freezing/unfreezing credit reports with any credit reporting agency; (2) other miscellaneous expenses incurred related to any Ordinary Out-of-Pocket Loss such as notary, fax, postage, copying, mileage, and long-distance telephone charges; and (3) credit monitoring or other mitigative costs that were incurred on or after May 24, 2023 through the date of the Class member's claim submission.

Settlement Class Members who elect to submit a claim for reimbursement of Ordinary Out-of-Pocket Losses must provide to the Settlement Administrator the information required to evaluate the claim, including: (1) the Settlement Class Member's name and current address; (2) documentation supporting their claim; and (3) a brief description of the documentation describing the nature of the loss, if the nature of the loss is not apparent from the documentation alone. Documentation supporting Ordinary Out-of-Pocket Losses can include receipts or other documentation not "self-prepared" by the Settlement Class Member that documents the costs incurred.

Lost Time Reimbursement: Settlement Class Members are also eligible to receive reimbursement for up to 5 hours of lost time spent dealing with the Data Incident (calculated at the rate of \$20 per hour). Settlement Class Members may receive reimbursement for lost time if the Settlement Class Member provides an attestation and a written (narrative) description of (1) the actions taken in response to the Data Incident, and (2) the time associated with those actions.

Documented Extraordinary Out-of-Pocket Losses Reimbursement: Settlement Class Members are also eligible to receive reimbursement for extraordinary losses, not to exceed \$5,500 per Settlement Class Member, for unreimbursed monetary losses incurred by a Settlement Class Member that are more likely than not directly arising from identity theft or other fraud perpetrated against the Settlement Class Member as a result of the Data Incident. Extraordinary Out-of-Pocket Losses may include, without limitation, the unreimbursed costs, expenses, losses or charges incurred a result of identity theft or identity fraud, falsified tax returns, or other possible misuse of Settlement Class Member's personal information.

Settlement Class Members who elect to submit a claim for reimbursement of Extraordinary Out-of-Pocket Losses must provide information required to evaluate the claim, including: (1) the Settlement Class Member's name and current address; (2) an attestation and documentation supporting their claim; and (3) a brief description of the documentation describing the nature of the loss, if the nature of the loss is not apparent from the documentation alone. Documentation supporting Extraordinary Out-of-Pocket Losses can include receipts or other documentation not "self-prepared" by the Settlement Class Member that documents the costs incurred.

Credit Monitoring: If you would like to claim 2 years of three-bureau credit monitoring, you may do so before the Claims Deadline on **MONTH XX, XXXX**, by selecting the credit monitoring option on the Claim Form.

7. How to submit a claim?

All claims will be reviewed by the Claims Administrator and/or a claims referee. You must file a Claim Form to get any money from the proposed Settlement. Claim Forms must be submitted online by 11:59 p.m. **MONTH XX, XXXX**, or postmarked no later than **MONTH XX, XXXX**. You can download a Claim Form at [www.\[CASE WEBSITE\].com](http://www.[CASE WEBSITE].com) or you can call the Claims Administrator at 1-888-XXX-XXXX. The ClaimantID Login and Password that were printed on the Notice you received will be required to access online claim filing. You may also download a paper claim form from the Documents Page at [www.\[CASE WEBSITE\].com](http://www.[CASE WEBSITE].com)

Your paper claim form must be postmarked no later than **MONTH XX, XXXX** to:

[CASE] Settlement Administrator
P.O. Box XXXX
Portland, OR 97208-XXXX

8. What am I giving up as part of the Settlement?

If you stay in the Settlement Class, you will be eligible to receive benefits, but you will not be able to sue Defendant and its Related Entities and each of their past or present parents, subsidiaries, divisions, and related or affiliated entities, and each of their respective predecessors, successors, directors, officers, principals, agents, attorneys, insurers, and reinsurers regarding the claims in this case. The Settlement Agreement, which includes all provisions about settled claims, releases, and Released Persons, is available at [www.\[CASE WEBSITE\].com](http://www.[CASE WEBSITE].com). The only way to keep the right to sue is to exclude yourself (*see* Question 10), otherwise you will be included in the Settlement Class, if the Settlement is approved, and you give up the right to sue for the claims in this case.

EXCLUDE YOURSELF

9. How do I exclude myself from the Settlement?

If you do not want to be included in the Settlement, you must send a timely written request for exclusion. Your request for exclusion must be individually signed by you. Your request must clearly manifest your intent to be excluded from the Settlement.

Your written request for exclusion must be postmarked no later than **MONTH XX, XXXX** to:

[CASE] Settlement Administrator
P.O. Box XXXX
Portland, OR 97208-XXXX

Instructions on how to submit a request for exclusion are available at [www.\[CASE WEBSITE\].com](http://www.[CASE WEBSITE].com) or from the Claims Administrator by calling 1-888-**XXX-XXXX**.

If you exclude yourself, you will not be able to receive any cash benefits from the Settlement and you cannot object to the Settlement. You will not be legally bound by anything that happens in this lawsuit and you will keep your right to sue the Defendant on your own for the claims that this Settlement resolves.

10. If I do not exclude myself, can I sue later?

No. If you do not exclude yourself from the Settlement, and the Settlement is approved by the Court, you forever give up the right to sue the Released Persons (listed in Question 8) for the claims this Settlement resolves.

11. What happens if I do nothing at all?

If you do nothing, you will be bound by the Settlement if the Court approves it, you will not get any money from the Settlement, you will not be able to start or proceed with a lawsuit or be part of any other lawsuit against the Released Persons (listed in Question 8) about the settled claims in this case at any time.

THE LAWYERS REPRESENTING YOU

12. Do I have a lawyer in the case?

Yes. The Court has appointed William B. Federman of the law firm Federman & Sherwood and Kevin Laukaitis of the law firm Laukaitis Law LLC (called “Class Counsel”) to represent the interests of all Settlement Class Members in this case. You will not be charged for these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

13. How will the lawyers be paid?

Class Counsel will apply to the Court for an award of attorneys’ fees, costs, and litigation expenses in an amount not to exceed \$300,000, which includes service awards of \$1,500 to the Class Representatives. A copy of Class Counsel’s Application for Attorneys’ Fees, Costs, Expenses, and Service Awards to Class Representatives will be posted on the Settlement Website, [www.\[CASE WEBSITE\].com](http://www.[CASE WEBSITE].com) before the Final Fairness Hearing. The Court will make the final decisions as to the amounts to be paid to Class Counsel.

OBJECTING TO THE SETTLEMENT

14. How do I tell the Court that I do not like the Settlement?

If you want to tell the Court that you do not agree with the proposed Settlement or some part of it, you can submit an objection telling it why you do not think the Settlement should be approved. Objections must be submitted in writing and include all the following information:

Such notice shall state:

- (i) The objection’s full name and address;
- (ii) The case name and docket number: *Wang et al. v. The Corporation of Mercer University*, 5:23-cv-00193-TES (M.D. Ga.);
- (iii) A written statement of all grounds for the objection, including whether the objection applies only to the objector, to a subset of the Settlement Class, or to the entire Settlement Class, accompanied by any legal support for the objection the objector believes applicable;
- (iv) The identity of any and all counsel representing the objector in connection with the objection;
- (v) A statement whether the objector and/or his or her counsel will appear at the Final Fairness Hearing; and
- (vi) The objector’s signature or the signature of the objector’s duly authorized attorney or other duly authorized representative (if any) representing him or her in connection with the objection.

Your Objection may be filed with the Court through the Court’s ECF system by **MONTH XX, XXXX**. In addition, you must mail a copy of your objection to Class Counsel and Defense Counsel, postmarked no later than **MONTH XX, XXXX**:

If you do not submit your objection with all requirements, or if your objection is not postmarked by **MONTH XX, XXXX**, you will be considered to have waived all Objections and will not be entitled to speak at the Final Fairness Hearing.

15. What is the difference between objecting and asking to be excluded?

Objecting is simply telling the Court that you don't like something about the Settlement. You can object only if you stay in the Class. Excluding yourself is telling the Court that you don't want to be part of the Settlement Class. If you exclude yourself, you have no basis to object because the Settlement no longer affects you.

THE FINAL FAIRNESS HEARING

16. When and where will the Court decide whether to approve the Settlement?

The Court will hold the Final Fairness Hearing on **MONTH XX, XXXX, at XX:XX x.m. via [DETAILS]**. The hearing may be moved to a different date, time, or location without additional notice, so it is recommended that you periodically check [www.\[CASE WEBSITE\].com](http://www.[CASE WEBSITE].com) for updated information.

At the hearing, the Court will consider whether the proposed Settlement is fair, reasonable, adequate, and is in the best interests of Settlement Class Members, and if it should be approved. If there are valid objections, the Court will consider them and will listen to people who have asked to speak at the hearing if the request was made properly. The Court will also consider the award of Attorneys' Fees, Costs, and Expenses to Class Counsel and the request for a service award to the Class Representatives.

17. Do I have to come to the hearing?

No. You are not required to come to the Final Fairness Hearing. However, you are welcome to attend the hearing at your own expense.

If you submit an Objection, you do not have to come to the hearing to talk about it. If your objection was submitted properly and on time, the Court will consider it. You also may pay your own lawyer to attend the Final Fairness Hearing, but that is not necessary.

18. May I speak at the hearing?

Yes. You can speak at the Final Fairness Hearing, but you must ask the Court for permission. To request permission to speak, you must file an objection according to the instructions in Question 14, including all the information required. You cannot speak at the hearing if you exclude yourself from the Settlement.

DO NOTHING

19. What happens if I do nothing?

If you do nothing, you will not get any money from the Settlement, you will not be able to sue for the claims in this case, and you release the claims against Defendant described in Question 8.
