RE: Notification of Incident
Reference #: 20240906-175987

Dear «FirstName» «LastName»:

We are contacting you regarding an incident that occurred at Zenith American Solutions, Inc. ("Zenith"), the administrative office for the «ClientName», the "Fund", that may have affected your personal information.

WHAT HAPPENED AND WHAT INFORMATION WAS INVOLVED

On September 6, 2024, we became aware of a sophisticated phishing attack, which resulted in a compromise of a single user's mailbox. The threat actor ("hacker") gained access to an employee's email account for a brief period. During this period, several email folders were accessed by the hacker and some of your personal sensitive information may have been exposed.

The sensitive information that may have potentially been exposed varies by affected individual, but may have included your name, date of birth, Social Security number, birth certificate, marriage certificate, and/or financial/banking information.

WHAT WE ARE DOING

Immediately upon detecting the unusual activity within the email account, we disconnected the hacker's access and reset the employee's credentials and multi-factor authentication to prevent further exposure. The employee was also required to complete phishing prevention retraining. Furthermore, in addition to the phishing prevention tools maintained prior to this incident, Zenith implemented additional phishing tools to reduce the risk of future phishing email attacks. Zenith also contracted with a third party to conduct a thorough analysis to identify the affected individuals and data that may have been exposed. In addition, the matter was reported to law enforcement.

WHAT YOU CAN DO

Although we have no indication that your information was accessed or whether it has or will be misused, we encourage you to take advantage of the «No_Months»-month complimentary identity monitoring and protection services we are making available to you through Experian's® IdentityWorksSM product. If you are interested in these services, please contact us at (855)619-0890 within 30 days of the date of this letter.

Also, please review the enclosed document, which describes additional steps you can take to help safeguard your information, including recommendations by the Federal Trade Commission regarding identity theft protection and details on how to place a fraud alert or a security freeze on your credit file.

FOR MORE INFORMATION

If you have additional questions or concerns regarding this matter, please do not hesitate to contact us at (855)619-0890. We want to assure you that we take great measures to protect your privacy and are committed to providing quality service. We apologize for this incident and any inconvenience it may cause you.

Sincerely,

Privacy Department

ZENITH AMERICAN SOLUTIONS, INC.

Additional Information to Help Safeguard Your Information

Monitoring: It is recommended that you remain vigilant for incidents of fraud and identity theft by reviewing credit card account statements and monitoring your credit report for unauthorized activity.

Credit Reports: You may obtain a copy of your credit report, free of charge, whether or not you suspect any unauthorized activity on your account. You may obtain a free copy of your credit report from each of the three nationwide credit reporting agencies. To order your free credit report, please visit www.annualcreditreport.com, or call toll-free at 1-877-322-8228. You can also order your annual free credit report by mailing a completed Annual Credit Report Request Form (available at <https://www.consumer.ftc.gov/articles/0155-free-credit-reports>) to: Annual Credit Report Request Service, P.O. Box 105281, Atlanta, GA, 30348-5281.

Security Freeze: You also have the right to place a security freeze on your credit report. A security freeze is intended to prevent credit, loans, and services from being approved in your name without your consent. To place a security freeze on your credit report, you need to make a request to each consumer reporting agency. You may make that request by certified mail, overnight mail, regular stamped mail, or by following the instructions found at the websites listed below. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse or a minor under the age of 16, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. As of September 21, 2018, it is free to place, lift, or remove a security freeze. You may also place a security freeze for children under the age of 16. You may obtain a free security freeze by contacting any one or more of the following national consumer reporting agencies:

<p>Equifax Security Freeze P.O. Box 105788 Atlanta, GA 30348 1-800-349-9960 https://www.equifax.com/personal/credit-report-services/credit-freeze/</p>	<p>Experian Security Freeze P.O. Box 9554 Allen, TX 75013 1-888-397-3742 www.experian.com/freeze/center.html</p>	<p>TransUnion Security Freeze P.O. Box 160 Woodlyn, PA 19094 1-800-909-8872 www.transunion.com/credit-freeze</p>

Fraud Alerts: You can place fraud alerts with the three credit bureaus by phone and online with:

- Equifax (https://assets.equifax.com/assets/personal/Fraud_Alert_Request_Form.pdf);
- TransUnion (<https://www.transunion.com/fraud-alerts>); or
- Experian (<https://www.experian.com/fraud/center.html>).

A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. As of September 21, 2018, initial fraud alerts last for one year. Victims of identity theft can also get an extended fraud alert for seven years.

File Police Report: You have the right to file or obtain a police report if you experience identity fraud. Please note that in order to file a crime report or incident report with law enforcement for identity theft, you will likely need to provide proof that you have been a victim. A police report is often required to dispute fraudulent items. You can generally report suspected incidents of identity theft to local law enforcement or to the Attorney General.

FTC and Attorneys General: You can further educate yourself regarding identity theft, fraud alerts, security freezes, and the steps you can take to protect yourself, by contacting the consumer reporting agencies, the Federal Trade Commission, or your state Attorney General. Federal Trade Commission - Consumer Response Center: 600 Pennsylvania Ave, NW, Washington, DC 20580; 1-877-IDTHEFT (438-4338); www.identitytheft.gov, TTY: 1-866-653-4261. The Federal Trade Commission also encourages those who discover that their information has been misused to file a complaint with them. You can obtain further information on how to file such a complaint by way of the contact information listed above. You have the right to file a police report if you ever experience identity theft or fraud. Please note that in order to file a report with law enforcement for identity theft, you will likely need to provide some proof that you have been a victim. Instances of known or suspected identity theft should also be reported to law enforcement.
